Re: *James Dejarnette Robertson v. State of South Carolina*  
*App Case No. 2023-000505*

Dear Ms. Howard:

Thank you for your help and direction. Please note this case was tried in York County South Carolina and the Clerk of that Court is in possession of Applicant's Exhibits 37 and 38 which are thumb drives. Exhibit 37 is a video of the cross examination in question on appeal. Exhibit 38 contains many pages of medical records. The Petitioner requests that the Clerk of Court for York County be notified to transfer both exhibits to the Supreme Court Clerk's office. Second, that both Exhibits be excluded from the Appendix but made part of the record with the caveat that Exhibit 38 not be available for public view.

Sincerely yours,

WILLIAM HARRY EHLIES, II
