

The South Carolina Court of Appeals

Shaneka S. Flournoy, Appellant,

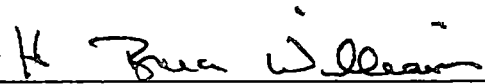

v.

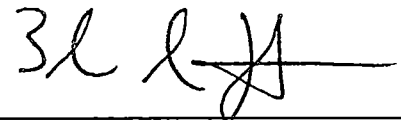

River Run, Respondent.

Appellate Case No. 2023-001068

ORDER

Appellant has filed a motion to reinstate, which we construe as a petition to rehear the dismissal of this appeal. After careful consideration, the Court is unable to discover that any material fact or principle of law has been either overlooked or disregarded, and hence, there is no basis for granting a rehearing. Accordingly, the petition is denied.¹
