RE: Portfolio Recovery Associates LLC v. Jennifer Campney
Appellate Case No. 2023-001601

Dear Ms. Howard:

Please let this letter serve as a motion for an extension of the time for Jennifer Campney to file and serve a Return to Appellant's Petition for a Writ of Certiorari in this case. The current deadline is Monday, November 13, 2023, but I need more time to review the Petition and prepare my client's Return. I would like to request that the time to serve the Record on Appeal be extended until November 20, 2023. This is my first request for an extension of this deadline.

Also, I hereby certify that I have served a copy of this letter motion on all other parties to this appeal by simultaneous email only as indicated below.

I have consulted with opposing counsel for the Appellant via email, and they conditionally consent to the requested extension, on the condition that the court also grant the Appellant an extension of time until December 4, 2023 to file a Reply to the Return, due to the Thanksgiving holiday falling within their response period and the time that Appellant's counsel will be taking for that holiday. We have no objection to Appellant's request for an extension until December 4, 2023 to file a Reply, and also request that the court include that extension as part of the order on this motion.

The \$50.00 filing fee for this motion is being mailed today to the court along with a copy of this motion, which is being filed via email only today.

/s/ John R. Cantrell, Jr.
