This Summon and Complaint?

Is about that when i took that job for construction services there wasn't nothing wrong with none of my fingers all Ten, why should i have to work with a ship bone thats hurting every time i hit something

My no worker see me stop in pain when i pick up the chicken when its on the belt at my job now, Mr. Peter P. Leventis IV seems to care about a dollar than my hollia in pain. All i want right now is my finger fix. I told the single Commissioner, also The Appellate Panel

Commissioner Susan S. Barden Appellate Panel Chair
Commissioner G. Bryan Lyndon
Commissioner T. Scott Beck

No one is listening to the fact I'm carrying a ship bone thats never going to heal unless i get rod in my finger.

Commissioner even ask me about why a rod wasn't in my finger

Its sad when a person is out here working that get it unt. I feel all the Commissioner and Mr. Peter P. Leventis IV, in case no one notice These people are personal friends of Mr. Peter P. Leventis IV Problem.
