THE STATE OF SOUTH CAROLINA

APPEAL FROM FLORENCE COUNTY
Court of General Sessions

The Honorable Steven H. DeBerry, Circuit Court Judge

Case No. 2023-001182

The State,

Respondent,

v.

Antonio Denon Brayboy,

Appellant.

MOTION FOR EXTENTION OF TIME TO FILE AND SERVE APPELLANT'S INTIAL
BRIEF AND DESIGNATION OF MATTERS OUTSIDE OF DEADLINE

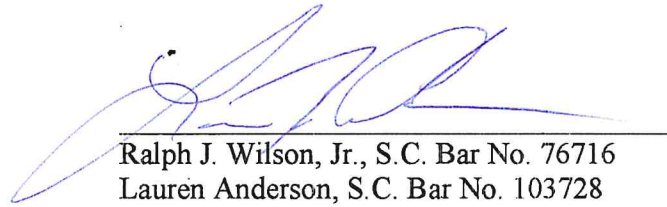

Appellant, through its undersigned counsel, would respectfully show unto this Court as follows:

On October 27, 2023, our office received the transcript in the above-referenced matter. Due to this delayed receipt of the transcript, the due date was improperly calendared, and an extension not yet sought. The transcript is six hundred and two pages long. For good cause shown, appellant respectfully requests an extension of time to file Appellant's Initial Brief and Designation of Matters by forty-five days from the date of this Court's letter, making the new deadline December 31, 2023.

This is Appellant's first request for an extension and is not intended for the purpose of delay but is necessitated by our heavy workload as well as the length of the transcript. This request

is made to ensure that the transcripts are thoroughly reviewed, and that the Initial Brief and Designation of Matter is properly prepared, served and filed.

WHEREFORE, Appellant prays that the Court will grant this Appellant's request for an extension of time; and for such other and further relief as the Court may deem just and proper.
