Re: *South Carolina Workers' Compensation Commission v. WestPoint Home, LLC*  
Appellate Case No. 2023-001663  
First Extension Request

Dear Ms. Kitchings:

On behalf of WestPoint Home, we respectfully request a 30-day extension for our client's deadline to file and serve the Appellant's initial brief and designation of matter. These filings are currently due on November 22, 2023. If granted, the new deadline would be December 22, 2023.

This request is needed due to counsel's current workload, as well as counsel's planned out-of-state travel during the week of Thanksgiving. This is our client's first request for an extension.

We will be submitting the \$50 filing fee to the Court within five days of this letter.

We appreciate the Court's consideration of this request. If we can provide the Court with any additional information, please do not hesitate to call on us. By copy to opposing counsel, we are informing them of this communication.

Best regards,

/s/ M. Todd Carroll
