

The Supreme Court of South Carolina

Sandy Lee Locklear, Petitioner,

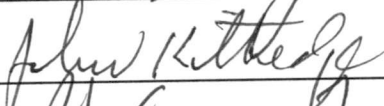

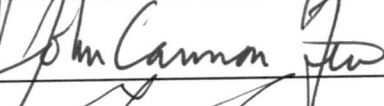

v.

State of South Carolina, Respondent.

Appellate Case No. 2023-001280

ORDER

By order dated September 21, 2023, this Court dismissed the present matter because Petitioner failed to provide proof that she timely served the notice of appeal on opposing counsel, as required by Rule 203, SCACR, and a written explanation, as required by Rule 243(c), SCACR. After careful consideration of the petition for rehearing, the Court is unable to discover that any material fact or principle of law has been either overlooked or disregarded, and hence, there is no basis for granting a rehearing. Accordingly, the petition for rehearing is denied. *See* Rule 221(a), SCACR (providing a petition for rehearing must state with particularity the points supposed to have been overlooked or misapprehended by the Court).
