Ms. Kitchings: I filed an Anders brief in this case. The Court sent Mr. Burgess an Anders right to response letter on October 3, 2023, making his response to this Court due on Monday, November 20, 2023. Mr. Burgess called me this morning and informed me that he today mailed this Court an extension request to file his pro se memorandum, due to prison mail problems. However, he is concerned the Court will not receive the extension request by the deadline given the mail problems within the institution. I am respectfully requesting, on his behalf, that the Court allow an extra or so to receive the pro se request for an extension from Mr. Burgess. Thank you for your consideration of this request.
