Respondents

Appellate Case # 2023-002574
Horry County Case # 2022CP2605400

In regards to the cases above, an error of law has been practiced to obstruct justice against the said appellate above. Therefore, this court of appeals order of instructions to proceed with this case is requested to be reconsidered, with a stay of the remittance to the lower court as, an

appeal of obstruction of justice is also being requested. a stay of the said order is also requested. In the meantime this court, as well as the lower court, have the responsibility of enforcing laws to protect victims from identity theft and fraud, illegal business practices and scams. Through the said practices information is illegally obtained by illegally entering into personal property (homes, cars, etc), tracking of home phones, cell phones, computerized data base systems without a court order. a court order can only be obtained through a fair hearing and fair trial with all parties involved, within a major physical court of law. Therefore, a stay of verification, proof and evidence, collection and levying, seizing of property and assets,

and garnishing practices is requested. ^(urgently) There has been victims of one or more of the said practices. Those victims are subject to restitution in the same methods that was practiced against them, as soon as possible.

Case fraud is otherwise subject to prosecution. In regards to the case from the lower court, a stay of the judge's order is requested. As it is discriminative against the victims' rights.

Disclosure ^(releasing) of information of any kind regarding the said appellate (medical, financial, or personal) it is illegal when it causes harm to the said appellate. Restitution is sought, as, the said appellate is a victim of such disclosure/releasing of information. It is her HIPAA rights to go through protocols to be protected against the said crimes. Please note that the

State and federal laws allow preventative protection, just the same as those who prevent health issues through diet and exercise. Because the appellate's name is being practiced against (traced), a stay of any and all actions against the appellate's name ^(family members and mutual affiliates as well) unless compliance has been conducted as explained on the second page of this correspondence, ^{is requested.} while this correspondence is being reviewed, continuance of all current incomes and all current income resources regarding the said appellate, the ^{all} family members of the appellate, and all mutual affiliates of their family, is requested at the current amount receive considering any increases (according to the income laws) as well as considering disputing criminal acts of stolen identity and fraud, without decreasing

any incomes or incomes resources; with a stay of all action against this request. Continuance of all said persons current housing, current living expenses/arrangements, current stabilized health status, all current gov't programs/benefits, all current transportation/maintenance (continuance of all internal and external parts is requested as well), all current property and assets and all goods and services is requested. Goods and services are requested to continue at a decreased amount as advocated due to the illegal practices of mail fraud and consumer violations of illegal price increases. a stay of the said practices is requested. Continuance of all said persons' current driver's license, driver's registration, license tags/plates, and the current vehicles in their possession is requested. a stay of being

pulled over by officers and arresting conspiracies (bench warrants, etc.) is requested as well. Please seal this correspondence and all cases within this court that's adjacent to the Appellate from the public, and all who are not authorized to make decisions regarding this case. However this correspondence is to be forwarded to the lower court. Please note that any information obtained against the said appellate, is only to be done so through a court order in compliance to page two of this correspondence. Any other method are considered as fraudulent as well as illegal business practices and scams deriving from identity theft. all ^{appeals} cases are to continue within this court that's adjacent to the appellate until restitution according to its terms is rendered. This statement is intended for the

lower court as well. Due to
joke play against the said appel-
late, timeliness is being appealed.

Anonymous until presented
within a major physical
court of law before a judge
and jury, during a fair
hearing and fair trial,
