SC Court of Appeals

Attorneys for the Appellant , on behalf of the Appellant request a thirty (30) day extension from June 16, 2013 to file their Initial Brief and Designations of Material to be Included in the Record on Appeal, which is currently due on June 16, 2013. With the requested extension, the new due date would be July 16, 2013. This is the first extension requested. This request is being made based on counsel's workload, and is also being made because of the length and difficulty of assembling the various parts of the Record in the Circuit Court which includes over 1000 pages of testimony, deposition testimony not recorded by the trial court during trial, and over 150 exhibits.

This Motion is being sent to the Court, and the other Counsel by U.S. Mail. The \$25.00 filing fee is included herewith.
