S.C. SUPREME COURT

I Jemyk Wilson born 1-24-85
would like to state that when I
testified against Dewayne Housey, that
my testimony was not true and exact.
I was pressured and coerced to make
Dewayne Housey look guilty and responsible
for my actions. I was told by agents
that I wasn't indeed that they were
looking for at all nor did they want to
prosecute me, but if not fully compliant
I would be prosecuted fully. I admit
that I was very afraid and willing to
get the blame off me. I honestly
never brought, sold or seen Dewayne
Housey deal, sell or manufactured any
drugs. I simply put my wrongful
actions on the "man" Dewayne Housey,
who they made clear they badly wanted
instead of me. Even when I stated
I never knew him to do they said he
done, they still pressured me to
swear in the direction they wanted. Out
of fear and ignorance to the law, I
willfully complied to whatever they wanted
to be set free of my wrong doings.

I Jemyle Wilson am making this
statement on my own terms and sound mind
@ 2-22-18. Jemyle Wilk.
