Re: Appellate Case No. 2023-001056

The purpose of this memo is to request dismissal of this lawsuit. I did not consent to Attorney Lumpkin filing an appeal lawsuit against my family.

In fact, I was suffering in bereavement from the loss of my husband whom deceased May 23 2023.

I did not have conversation with Attorney Lumpkin regarding moving forward. I was neither on board nor in an agreement with an appeal. I ask attorney Lumpkin "appeal what" specifically what will be appeal?" I did not receive a concise answer. I do not understand, why? She would move without consent. Is it perception or Assumption while filing the document? Also, I was shocked other family member's names were listed in what Attorney Lumpkin identified as a "caption done by the court".

I sent the Attorney and numerous emails asking for a retraction statement and alerted via email she Potentially has put my life and others in danger. I did not consent to the lawsuit.

I told her I will pay the balance of the retainer, please retract the lawsuit. Now, I am requesting the court of appeal for dismissal for myself (Queen Mary Davis). Also, Ann Ferret-King is currently in the bereavement process lost brother 11/3/23.

Thank you
Queen M Davis
