Case No. 2023-001419  
Our File Number: 2518.28553/TAP

Dear Ms. Kitchings:

Our office requested the Transcript of Hearing on September 22, 2023. Thereafter, we learned Court Administration did not have a record of the hearing. Subsequently we obtained the original Webex recording from Judge Clemmons' office on September 22, 2023 and forwarded same to Court Administration for transcription. Court Administration indicated it could not transcribe the hearing from the Webex recording and directed our office back to Judge Clemmons' office by email on September 26, 2023. Judge Clemmons' office indicated a transcript could not be provided and directed our office to contact Webex for any services available to obtain a transcript by email on September 26, 2023. Ultimately we obtained a Transcript of the Hearing from a private court reporter on October 20, 2023 and were able to download same on November 10, 2023.

It is my understanding we can submit the Webex hearing video, the Transcript of Hearing, and Record of Hearing, which together incorporates provides a complete record of the final hearing.

Also, enclosed please find our Motion for Extension of Time to File Initial Brief of Appellants and Designation of Matter. We are providing our \$50.00 motion filing fee a copy of same by regular mail.
