Good morning Sherry.

I have sent this e-mail to Michael Watkins as he was the court reporter who captured the record for this hearing. Mr. Watkins should be contacting you with an estimate for this transcript.

I do not see where this transcript was ordered by another party to this action for September 7, 2023.

Thank you.

Good morning, Tammie.

I'm following up on the Transcript request attached. I understand it may take up to 60 days, but I wanted to make sure it has been received since we have not received an email of receipt from the Court of Appeals, nor has the request shown up on C-Track.

Thank you,

Sherry Roth
