Subject: Sealing off court records from unrestricted public view

Case Caption: Barth Ihenacho vs South Carolina Department Of Education ,
defendant, et al

Case Number: 2019CP4002660

Dear Honorable Clerk of the Court,

Could you please seal the above case from internet publishers. This case is all over the place online. It is like rubbing salt on an injury. Could you please save my family and I from further humiliation and remove this case from public view.

Thanks for your cooperation.

Barth M. Ihenacho
