I have received your request to transcribe the Webex hearing for the above-referenced case on July 23, 2023. The **estimated** cost to prepare such transcript and postage is approximately **\$148.75 (35 pages estimated)**.

Pursuant to Rule 607, the total amount indicated above is due for the transcript you have requested. Upon receipt of the amount due, certified check or money order (no personal checks) made out to and sent to **Natalie Dahl, PO Box 762, Conway, SC 29526**, your transcript request will be placed in line for production.

If, at the time of delivery, there is a difference in the quoted total amount due, the remaining balance due or to be refunded will be settled.

Under the South Carolina Court Rules, a court reporter has 60 days from the date of request to complete the transcript. In this instance, the 60-day period will be determined based on the date the total amount due has been received. You will be notified if any extensions are approved by Court Administration beyond 60 days.

If you no longer wish to order, please advise me so that I can advise Court Administration to remove this case for transcription from their records.
