That doesn't answer my question, why wasn't the original filing stamped Received 11/20/23 when it should have arrived in the mail, instead of 11/22/23 when I emailed you proof of mailing, it should have been stamped received when it arrived in the MAIL!!!

Jenny Kitchings, Clerk, SC Court of Appeals, According to the meter mailed receipt the estimated delivery date was Monday 11/20/23. Why was the document NOT stamped as received by the SC Court of Appeals until Wednesday 11/22/23 when I emailed you a copy of the meter mailed receipt?
