SC Court of Appeals

Court of Appeals  
Columbia S.C.

Case # 2022-001737

Rt Hon Tyler

I Sylvia Hutchins am writing to let you know that there was no transcript or no copy of a hearing for a judgement ever recorded at Cherokee County Court office. I don't believe that there was a hearing on this case I left at 12:30 pm on the date of hearing by being told by the judge that appeared on my screen as to my case that they had to bump up my hearing and it was to be held later on. I called the clerk of court the next morning to see when my case would be heard. She said it was heard when I left at 4:30 pm. No one told me to wait that it would be heard so I was shocked that they did it without telling me. So I called and there was never any transcript of the hearing to be found. I am asking that my judgement be stricken from the courts and I don't have one because this case was fraud. I didn't owe American Express any money or to the

collection that bought it from them. My company  
should be given back to me and my attorney  
charges of \$2300<sup>00</sup> plus my stress and health  
problems that I have had to go through. I am  
81 years old and I sent them letters that I did  
not owe them any money. They American Express  
drafted \$5,835~~38~~ out of my acct without telling me  
and I reported to Bank of America it was fraud  
and they owe it back to me. Said they gave  
me the credit back, but did not American Express  
kept my money and I am still trying to get it  
back from American Express, this was a fraud  
error that American Express sold this account to  
Butzer Collection Agency to make money from an  
81 year old lady that owed them no money at  
all enclosed + proof that they embezzled it from  
my checking account, I want my other fees  
and attorney fees and stress and expenses that  
they called me. copy of the paper that says  
my judgement is taken off. I hand you  
appellant
