SC Court of Appeals

MOTION FOR EXTENSION OF TIME

IN THE STATE OF SOUTH CAROLINA
In the Court of Appeals
[In The Supreme Court]

APPEAL FROM CHARLESTON COUNTY
Court of Common Pleas

Deadra L. Jefferson, Circuit Court Judge

Case # 2022-CP-00-100-3246

Anthony M. Chayban,

Respondent,

v.

Mary A. Griffith,

Appellant.

MOTION FOR EXTENSION OF TIME

This motion is intended as a formal request to correct Appellate Case No. 2023-001649's deficiencies based on my previously and partially-discussed personal circumstances.

I've attached and mailed the corrections you requested as to the Notice of Appeal itself and Proofs of Service. I've also attached and e-mailed a request for the transcript from the lower Court. Will you please agree to a formal extension in allowing me to correct these deficiencies?

If the Honorable Court agrees to this extension and there are any errors in my enclosed efforts to remediate the deficiencies, I'm requesting at least 24 more hours to correct them — please.

In addition, despite your previous and much-appreciated extension of time through today's date to pay the \$250.00 appellate filing fee and \$50.00 motion fee still owed relative to my attached replacement, corrected proposed Notice of Appeal itself, I regret to inform you that I've continued to experience circumstantial hardships.

I am asking this Honorable Court to please extend me 30 days to pay all of this action's outstanding filing and/or other fees in light of my circumstances, which include extreme financial hardship based upon years of documented ISIS terrorist threats and attacks.

I am also diligently working toward the completion of a sufficient Ex Parte Motion which incorporates Martin v. State, in addition to my pursuit of backup fundraising avenues in order to satisfy the outstanding balance because of lost work on account of moving and working on these issues and actions.

I truly appreciate the Court's gracious and continual acknowledgement of the learning curve associated with these circumstances and events.
