STATE OF SOUTH CAROLINA COUNTY OF JASPER A.M.L., and J.J.L., by and through their Next of Friend, John Doe, R.D.M., by and through his Next of Friend, Jane Snow, J.J.G., and S.T.S., Plaintiffs, v. Wright Directions Sub, LLC d/b/a Wright Directions Family Services, LLC, Defendant.	IN THE COURT OF COMMON PLEAS OF THE FOURTEENTH JUDICIAL CIRCUIT C/A No. 2022-CP-27-00109 **ORDER**

I. Introduction

Plaintiffs A.M.L., J.J.L., R.D.M., J.J.G., and S.T.S.[1] (collectively the "Children") are five children of a group of six who were chronically abused and starved by their adoptive parents from 2010 through 2016 while living in Bluffton, South Carolina. . The Children sent records requests to service providers, educators, and medical providers, including Defendant, Wright Directions, LLC, improperly identified as Wright Directions Sub, LLC.

Without going into each transaction and communication between the Children and Wright Directions, LLC, in short, Wright Directions, LLC turned over some of the Children's records and withheld some records asserting the "psychotherapy notes" exclusion of HIPAA[2]. *See* 45 C.F.R. § 164.524(a)(1)(i)(ii).

[1] While J.J.G. and S.T.S. are both over the age of 18, the Children claim that the identification of the older children would also identify the younger children. The Children also claim that they have been threatened by the abusers' family and seek to proceed under pseudonyms to protect all of the Children. .

[2] Health Insurance Portability and Accountability Act of 1996 (HIPAA), Public Law 104-191, (August 21, 1996).

ELECTRONICALLY FILED - 2022 Apr 12 1:07 PM - JASPER - COMMON PLEAS - CASE#2022CP2700109

This suit was filed by the Children to obtain the records withheld by Wright Directions LLC.

II. Procedural History.

On March 9, 2022, the Children filed this action along with a Motion to Show Cause with attached exhibits. The Children filed an amended complaint on March 10, 2022. Counsel for Defendant filed a Notice of Appearance on March 16, 2022, and

Defendant filed its Answer to Plaintiffs' Amended Complaint on April 6, 2022.

The Children filed a Notice of Hearing and certificate of service on March 16, 2022. On April 1, 2022, the Children filed Plaintiff's Memorandum of Law in Support of Their Motion to Show Cause, along with numerous exhibits. They supplemented their filing with the Affidavit of Roy Lubit, M.D., Ph.D. on April 6, 2022 and the Affidavit of Jane Doe on April 7, 2022.

On April 6, 2022, Defendant filed its Memorandum in Opposition to Plaintiff's Motion to Show Cause and Expedited Hearing along with an exhibit.

III. Discussion.

The Court has read and reviewed the Parties' submissions. On April 7, 2022, the Court heard arguments by the Parties.

This order does not address whether or not Wright Directions, LLC has committed any wrongdoing. Furthermore, this order should not be construed to have any bearing on any future discovery dispute between the parties in any follow-on litigation as it relates to these records.

Wright Directions, LLC has received properly executed medical releases from each of the five Children. The Court also notes that Dr. Lubit, an expert witness for the Children, has submitted an affidavit stating that he needs to review each child's entire file. Affidavit of Roy Lubit, M.D., Ph.D. (April 6, 2022).

ELECTRONICALLY FILED - 2022 Apr 12 1:07 PM - JASPER - COMMON PLEAS - CASE#2022CP2700109

Getting to the heart of the matter, the Children's request for complete copies of their files is countered by Wright Directions, LLC's assertion the withheld records are protected under HIPAA's "exceptions for psychotherapy records and/or counseling records". Wright Directions, LLC has directed the Court's attention to 45 C.F.R. § 164.524(a)(1)(i)(ii), which defines psychotherapy notes as:

> Psychotherapy notes means notes recorded (in any medium) by a health care provider who is a mental health professional documenting or analyzing the contents of conversation during a private counseling session or a group, joint, or family counseling session and that are separated from the rest of the individual's medical record. Psychotherapy notes excludes medication prescription and monitoring, counseling session start and stop times, the modalities and frequencies of treatment furnished, results of clinical tests, and any summary of the following items: Diagnosis, functional status, the treatment plan, symptoms, prognosis, and progress to date.

45 C.F.R. § 164.524(a)(1)(i)(ii).

The Court reviewed 45 C.F.R. §164.524, which states:

> (a) Standard: Access to protected health information. (1) Right of access. Except as otherwise provided in paragraph (a)(2) or (a)(3) of this section, an individual has a right of access to inspect and obtain a copy of protected health information about the individual in a designated record set, for as long as the protected health information is maintained in the designated record set, except for:
>
> (i) Psychotherapy notes…

45 C.F.R. §164.524.

An "individual" is defined as "the person who is the subject of the protected health information." 45 C.F.R. § 160.103.

The Court finds that Patients are entitled to their medical records under HIPAA but an exception exists for "Psychotherapy notes." 45 C.F.R. § 164.524(a)(1)(i)(ii), However, this exception does not shield mental health service providers from scrutiny in an investigation. If a provider can use any or all records, to include "Psychotherapy notes", to defend itself, the same regulation cannot also shield it from scrutiny.

ELECTRONICALLY FILED - 2022 Apr 12 1:07 PM - JASPER - COMMON PLEAS - CASE#2022CP2700109

But this does not mean the Court will defenestrate the "Psychotherapy notes" exception. It is reasonable that mental health providers' notes should allow some privacy in regard to the mental impressions of their clinicians.

If any of the disputed records contain a mix of objective information related to the Children and "Psychotherapy notes", or a clinician's mental impressions, it is the Court's belief that such mental impressions can be redacted before the records are turned over to the Children's counsel.

In order to fashion an equitable remedy that protects the "Psychotherapy notes" exception and, at the same time, allows the Children and their expert to conduct a diligent investigation, the Court **GRANTS IN PART** and **DENIES IN PART** the Children's Motion and states:

1. Defendant Wright Directions, LLC, shall deliver to the Plaintiffs' counsel any and all records within their possession or control that relate to the care of A.M.L., J.J.L., R.D.M., J.J.G., and S.T.S.
    a. This includes psychotherapy notes, including but not limited to the statements of the Children.
    b. Defendant Wright Directions, LLC may redact the impressions of the clinician(s).
2. These records must be delivered to the Children's counsel within fourteen (14) days of this Order.
3. Defendant Wright Directions, LLC, may seek costs associated with these records as allowed under 45 C.F.R. § 164.524(c)(4), because time is of the essence, the records must be delivered to the Plaintiffs and a bill for any cost is to accompany the records or may be billed separately after receipt of said records by the Plaintiffs. Should any

ELECTRONICALLY FILED - 2022 Apr 12 1:07 PM - JASPER - COMMON PLEAS - CASE#2022CP2700109

issue arise concerning the cost in this matter, it can be brought before the Court but only after the records are delivered to Plaintiff.

4. This order should not be construed to have any bearing on any future discovery dispute between the parties in any follow-up litigation as it relates to these records.

AND IT IS SO ORDERED.

Defendant.)	

This matter came before the Court on April 29, 2022, on Plaintiffs' Motion to Show Cause and For Emergency Hearing.[1] Present at the hearing were Deborah Butcher, Esq., on behalf of Plaintiffs and Elizabeth Morrison, Esq., on behalf of Defendant. Based upon the filings of the parties and upon arguments of counsel, Plaintiffs' Motion is denied.

This matter arises from the production of certain records that were withheld on the basis that they were psychotherapy records not subject to full disclosure under the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"). Plaintiffs initially filed a lawsuit seeking specific performance for these records and followed it with a Motion to Show Cause and Expedited Hearing, filed on March 9, 2022.

The issue was briefed by the parties and arguments were made to the Court on April 7, 2022, the substance of which are incorporated herein by reference. The Court issued a Form 4 Order on the matter on April 8, 2022, granting in part and denying in part Plaintiffs' Motion. This

[1] Plaintiffs requested this hearing be heard on an emergency basis due to concerns that the statute of limitations were set to expire as to certain Plaintiffs. As a result, this Motion was heard beforeThe Honorable Bentley Price in Hampton County with the consent of all parties.

ELECTRONICALLY FILED - 2022 Dec 29 1:16 PM - JASPER - COMMON PLEAS - CASE#2022CP2700109

was substituted with a formal Order that was filed on April 12, 2022. In that Order, the Court issued its ruling granting in part and denying in part Plaintiffs' Motion, the relevant parts are as follows:

> 1. Defendant Wright Directions, LLC, shall deliver to the Plaintiffs' counsel any and all records within their possession or control that relate to the care of A.M.L., J.J.L., R.D.M., J.J.G., and S.T.S.
>
>   a. This includes psychotherapy notes, including but not limited to the statements of the Children.
>
>   b. Defendant Wright Directions, LLC may redact the impressions of the clinician(s).
>
> 2. These records must be delivered to the Children's counsel within fourteen (14) days of this Order.

On April 22, 2022, Defendant produced additional non-privileged medical records and the psychotherapy notes, which were redacted pursuant to the parameters set forth in the Court's Order. In sum, a total of 5,296 pages of records have been provided to Plaintiffs. Plaintiffs contend that Defendant has turned over "4,716 pages pursuant to th[e] Court's order with about 80-90% of the information redacted." As a result, Plaintiffs filed the subject motion on April 27, 2022, seeking complete, unredacted psychotherapy records from Defendant.[2]

The Court finds that Defendant has complied with the Court's Order of April 12, 2022, and that Plaintiffs are not entitled to the unredacted psychotherapy records. As previously held by the Court, the production of "psychotherapy records" are governed by HIPAA, which defines psychotherapy notes as:

> Psychotherapy notes means notes recorded (in any medium) by a health care provider who is a mental health professional documenting or analyzing the

[2] Although styled as a "Motion to Show Cause" the Court would note that the arguments raised by Plaintiffs were not so much about whether Defendant complied with the Court's prior Order but rather a renewed request that the Court reconsider the ruling in its prior Order, insomuch that their arguments were procedurally more akin to a Rule 59(e), SCRCP Motion to Alter or Amend.

> contents of conversation during a private counseling session or a group, joint, or family counseling session and that are separated from the rest of the individual's medical record. Psychotherapy notes excludes medication prescription and monitoring, counseling session start and stop times, the modalities and frequencies of treatment furnished, results of clinical tests, and any summary of the following items: Diagnosis, functional status, the treatment plan, symptoms, prognosis, and progress to date.

45 C.F.R. § 164.501.

HIPAA further states that an individual has a right of access to inspect and obtain a copy of protected health information about the individual, except for psychotherapy notes. See 45 C.F.R. §164.524(a)(1)(i). An "individual" is defined as "the person who is the subject of the protected health information." 45 C.F.R. § 160.103.

The Court held that patients are entitled to their medical records under HIPAA but an exception exists for "Psychotherapy notes." 45 C.F.R. § 164.524(a)(1)(i)(ii). Weighing the competing interests of the parties, the Court ordered Defendant to produce the psychotherapy records of Plaintiffs but allowed them to redact the "impressions of the clinicians." The Court holds that Defendant has complied with the prior Order, and sees no need to amend or overrule the findings or holdings of that Order.

WHEREFORE, IT IS ORDERED, ADJUDGED AND DECREED that Plaintiffs' Motion to Show Cause and For Emergency Hearing is DENIED.

AND IT IS SO ORDERED!

PLAINTIFF'S ATTORNEY:	R. GLENN LISTER, JR.
DEFENDANT'S ATTORNEY:	AMANDA WHITTLE (not in attendance)
GUARDIAN AD LITEM:	S. THOMAS WORLEY, JR.
PRESIDING JUDGE:	NANCY C. McLIN
COURT REPORTER:	CIRCUIT DCRP

THIS IS AN ACTION brought by the Plaintiffs pursuant to the South Carolina Adoption Act, Section 63-9-10 et seq. of the Code of Laws of South Carolina, 1976, as amended (hereinafter, Code), seeking to adopt each of the above minor Defendants identified in the Complaint in this action (hereinafter collectively referred to as the Children). A final hearing on merits was held before me on the above date. Present were the Plaintiffs with their attorney, R. Glenn Lister, Jr., and the Children with their Guardian Ad Litem, S. Thomas Worley, Jr. The Defendant South Carolina Department of Social Services (hereinafter, DSS and/or Agency) was given due notice of the hearing, and its caseworker, but not its attorney, was in attendance. Testimony was taken from the Plaintiffs, and a statement was made by the Guardian ad Litem.

BASED UPON a thorough consideration of the record before this Court in this action, the testimony, pleadings and the Guardian ad Litem's report, I hereby find the evidence is clear and convincing, and from such evidence I make the following findings of fact:

ELECTRONICALLY FILED - 2022 Mar 09 4:24 PM - JASPER - COMMON PLEAS - CASE#2022CP2700109

FINDINGS OF FACT

1. Plaintiffs' full names are [redacted] (DOB: [redacted], and [redacted] (DOB: [redacted]. Plaintiffs are husband and wife, having married on November 20, 2010, in Charleston County, South Carolina. Their marriage is presently sound and stable.

2. Plaintiffs seek and desire to adopt: (1) the female child identified herein as "[redacted]" who was born on [redacted], in Franklin County, Ohio; (2) the female child identified herein as "[redacted]" who was born on [redacted], in Franklin County, Ohio; and (3) the female child identified herein as "[redacted]" who was born on [redacted], in Franklin County, Ohio; the Children being sisters.

3. Plaintiffs and the Children reside in Summerville, Dorchester County, South Carolina. Plaintiffs have resided in the County of Dorchester, State of South Carolina, for more than one (1) year preceding this action.

4. Mr. L[redacted] is employed as an engineer with a sufficient income and benefits. Mrs. Lethco is employed as an insurance agent with a sufficient income and benefits.

5. The Family Court Cover Sheet, Certificate of Exemption, Summons, Notice to Appoint Guardian ad Litem and Complaint with Exhibits were duly filed in this Court on August 21, 2018, and copies of the said documents were duly served, as shown by filed Affidavits, as follows: on the Children's custodian; on the Children's Guardian ad Litem; and on the Defendant DSS.

6. The Defendant DSS submitted and duly filed its Answer and does not contest the Plaintiffs' action herein.

7. S. Thomas Worley, Jr., attorney-at-law, was duly appointed Guardian ad Litem for the Children by Order of this Court. The Guardian ad Litem duly filed his Answer, and the said Answer joins in with Plaintiffs' Complaint.

8. The Children were originally placed with Plaintiffs by the Defendant DSS for foster care and/or pre-adoption purposes in or about December, 2016, and the Children were then placed with Plaintiffs by DSS for adoption purposes on August 17, 2018, under a formal adoption placement agreement. Plaintiffs have had uninterrupted physical custody of the Children since their original placements.

9. The final adoption hearing is being held less than ninety (90) days after filing of this action; however, since the Children are deemed to be "special needs" children, the time to hold the hearing is shortened on good cause shown in accordance with Code section 63-9-750. Objections, if any, to the waiting period and/or venue should be waived.

ELECTRONICALLY FILED - 2022 Mar 09 4:24 PM - JASPER - COMMON PLEAS - CASE#2022CP2700109

10. DSS's pre-placement investigation reports and prior disposition records on the Children, submitted in a folder marked "For Judge's Eyes Only," have been heretofore duly filed by the Defendant DSS.

11. The Children are free for adoption and the Defendant Agency has legal custody of the Children for the purposes of adoption as follows: the Children's mother and father each duly signed written Relinquishments of their respective parental rights on or about April 22, 2017, and their said Relinquishments were confirmed and their parental rights were duly and properly terminated by an Order of a Court of competent jurisdiction on or about September 28, 2017. DSS also conducted a diligent search of the South Carolina Responsible Father Registry which revealed no claim of paternity for the said Children. Copies of the Relinquishments, Certificate of Registry Search, and the said Order were filed by the Defendant DSS in a sealed envelope marked "For Judge's Eyes Only."

12. DSS has full legal custody of the Children for the purpose of adoption. Furthermore, the Defendant DSS, through its authorized representative, has duly consented to the adoption of the Children by the Plaintiffs as set out in the terms of its Adoption Placement Certifications and its Consents and Post-Placement Investigation report, all duly filed herein by the Defendant DSS.

13. DSS's pre-placement and post-placement investigation reports meet the requirements of the South Carolina Adoption Act, Code Section 63-9-10 et seq., and in them DSS reaffirmed its consent and recommendation that the desired adoption be allowed.

14. Since the onset of the Children's residence in the Plaintiffs' home, the Plaintiffs and the Children have developed a strong bond of love and affection, and Plaintiffs desire to establish the relationship of parent and child with each of the said minors, adopting each of the Children as their own child as though each were Plaintiffs' natural issue.

15. Plaintiffs are able-bodied persons, in good health and of good moral character and are fit and proper persons and well able to provide for the needs and welfare of the Children. The Children have been in the Plaintiffs' home for more than a year and a half. The Children are each manifestly healthy, nurtured, happy and well adjusted.

16. The Plaintiffs desire to change the name of the minor Children, in law and in fact and for all legal purposes, as follows: "[redacted]" to A[redacted] M[redacted] L[redacted]; "[redacted]" to J[redacted] and "[redacted]" to E[redacted] R[redacted] L[redacted]

17. The Children do not own or possess any significant property.

18. I find that the Guardian ad Litem has fulfilled the responsibilities imposed by this Court in representing the Children in a commendable and responsible manner. He states that he has reviewed the records involved, has inquired into the facts, has observed the interaction

ROA Page No. 0095

ELECTRONICALLY FILED - 2022 Mar 09 4:24 PM - JASPER - COMMON PLEAS - CASE#2022CP2700109

between the Children and the Plaintiffs and is of the opinion that the adoption and name sought herein would be in the best interest of the Children. The Guardian is qualified pursuant to Code Section 63-3-820 and has complied with the requirements of Code Section 63-3-830. A satisfactory written report was filed herein, and the time requirement for submission of the written report is waived by mutual consent of all parties. The Guardian's compensation is reasonable in accordance with Code Section 63-3-850.

19. The Child [redacted] being over the age of fourteen years, has also individually consented to this adoption by the Plaintiffs pursuant to the terms of a Consent to Adoption signed by the said Child and duly filed herein.

20. The Children's best interests are served by the desired adoption, and each Child should become the child of the Plaintiffs and accorded the status provided for in Code Section 63-9-760.

21. All necessary consents or relinquishments for the purposes of adoption have been obtained.

22. Notice of the adoption proceedings has been given to all persons entitled to receive notice under Code Sections 63-9-310 and 63-9-730, and no hearing was required as a result of the notice.

23. Plaintiffs' Statement of Accounting was filed herein, and the disbursements made and accounted for therein pursuant to Code Section 63-9-740 are reasonable costs for expenses incurred or for fees for services rendered.

BASED UPON the above findings I hereby conclude as follows:

ONE: This Court has full and complete jurisdiction over the parties and issues herein. All proceedings herein were duly and timely made and were in accordance with applicable legal requirements, and any objections thereto have been waived.

TWO: All parental rights and entitlements of the Children's mother and father have been heretofore duly, fully, finally and properly relinquished, terminated, and forever ended. DSS also conducted a diligent search of the South Carolina Responsible Father Registry which revealed no claim of paternity for the said Child.

THREE: It is in the Children's best interest that the adoption and names sought by the Plaintiffs should be granted and new social security numbers be issued.

BASED UPON the evidence and testimony which has clearly and convincingly persuaded this Court as to the findings and conclusions set forth above, it is

3. Plaintiffs and the Child reside in Moncks Corner, South Carolina. Plaintiffs have resided in the State of South Carolina for more than one (1) year preceding this action.

4. Mr. [redacted] is employed as a pastor and a realtor with a good income and benefits. Mrs. [redacted] is employed as a teacher with a good income and benefits.

5. The Family Court Cover Sheet, Certificate of Exemption, Summons, Notice to Appoint Guardian ad Litem and Complaint with Exhibits were duly filed in this Court on August 23, 2019, and copies of the said documents were duly served, as shown by filed Affidavits, as follows: on the Child; on the Child's Guardian ad Litem; and on the Defendant DSS.

6. The Defendant DSS submitted and filed its Answer and does not contest the Plaintiffs' action herein.

7. S. Thomas Worley, Jr., attorney-at-law, was duly appointed Guardian ad Litem for the Child by Order of this Court. The Guardian ad Litem duly filed his Answer, and the said Answer joins in with Plaintiffs' Complaint.

8. The Child originally placed with Plaintiffs by the Defendant DSS for adoption purposes on July 30, 2019, under a formal adoption placement agreement. Plaintiffs have had uninterrupted physical custody of the Child since the original placement.

9. The final adoption hearing is being held less than ninety (90) days after filing of this action; however, since the Child is deemed to be a "special needs" child, the time to hold the hearing is shortened on good cause shown in accordance with Code section 63-9-750. Objections, if any, to the waiting period and/or venue should be waived.

10. DSS's pre-placement investigation reports and prior disposition records on the Child, submitted in a folder marked "For Judge's Eyes Only," have been heretofore duly filed by the Defendant DSS.

11. The Child is free for adoption and the Defendant DSS has legal custody of the said Child for the purposes of adoption as follows: the Child's biological mother and biological

father each duly signed a written Relinquishment of parental rights on or about August 22, 2017, and the parental rights of the Child's biological mother and biological father were also duly and properly terminated by an Order of a Court of competent jurisdiction on or about September 28, 2017. DSS also conducted a diligent search of the South Carolina Responsible Father Registry which revealed no other claim of paternity for the said Child. Copies of the Relinquishments, Order, and the Certificate of Registry Search were filed by the Defendant DSS in a sealed envelope marked "For Judge's Eyes Only."

12. DSS has full legal custody of the Child for the purpose of adoption. Furthermore, the Defendant DSS, through its authorized representative, has duly consented to the adoption of the Child by the Plaintiffs as set out in the terms of its Adoption Placement Certification and its Consent and Post-Placement Investigation report, all duly filed herein by the Defendant DSS.

13. DSS's pre-placement and post-placement investigation reports meet the requirements of the South Carolina Adoption Act, Code Section 63-9-10 et seq., and in them DSS reaffirmed its consent and recommendation that the desired adoption be allowed.

14. Since the onset of the Child's residence in the Plaintiffs' home, the Plaintiffs and the Child have developed a strong bond of love and affection, and Plaintiffs desire to establish the relationship of parent and child with the said minor, adopting the said Child as their own child as though the Child were the Plaintiffs' natural issue.

15. Plaintiffs are able-bodied persons, in good health and of good moral character and are fit and proper persons and well able to provide for the needs and welfare of the Child in a proper and wholesome home. The Child has been in the Plaintiffs' home for two and a half months and is manifestly healthy, nurtured, happy and well adjusted.

16. Plaintiffs desire to change the name of the minor Child, in law and in fact and for all legal purposes, to J[redacted] J[redacted] G[redacted].

17. The Child does not own or possess any significant property.

18. I find that the Guardian ad Litem has fulfilled the responsibilities imposed by this Court in representing the Child in a commendable and responsible manner. He states that he has reviewed the records involved, has inquired into the facts, has observed the interaction between the child and the Plaintiffs and is of the opinion that the adoption and name sought herein would be in the best interest of the Child. The Guardian is qualified pursuant to Code Section 63-3-820 and has complied with the requirements of Code Section 63-3-830. A satisfactory written report was filed herein, and the time requirement for submission of the written report is waived by mutual consent of all parties. The Guardian's compensation is reasonable in accordance with Code Section 63-3-850.

19. The Child, being over the age of fourteen years, has also individually consented to this adoption by the Plaintiff pursuant to the terms of a Consent to Adoption signed by the said Child and duly filed herein.

20. The Child's best interests are served by the desired adoption, and the Child should become the child of the Plaintiffs and accorded the status provided for in Code Section 63-9-760.

21. All necessary consents or relinquishments for the purposes of adoption have been obtained.

BASED UPON the evidence and testimony which has clearly and convincingly persuaded this Court as to the findings and conclusions set forth above, it is

THIS IS AN ACTION brought by the Plaintiffs pursuant to the South Carolina Adoption Act, Section 63-9-10 et seq. of the Code of Laws of South Carolina, 1976, as amended (hereinafter, Code), seeking to adopt the above minor Defendant identified in the Complaint in this action (hereinafter referred to as the Child). A final hearing on merits was held before me on the above date *via approved video conferencing*. Present were the Plaintiffs with their attorney, R. Testimony was taken from the Plaintiffs, and a statement was made by the Guardian ad Litem.

BASED UPON a thorough consideration of the record before this Court in this action, the testimony, pleadings and the Guardian ad Litem's report, I hereby find the evidence is clear and convincing, and from such evidence I make the following findings of fact:

ELECTRONICALLY FILED - 2022 Mar 09 4:24 PM - JASPER - COMMON PLEAS - CASE#2022CP2700109

FINDINGS OF FACT:

1. Plaintiffs seek and desire to adopt the male child identified herein as "[redacted]" who was born on [redacted] in Franklin County, Ohio.

2. Plaintiffs' full names are [redacted] (DOB: [redacted]) and [redacted] (DOB: [redacted]). Plaintiffs are husband and wife, having married on August 13, 2017, in Charleston County, South Carolina. Their marriage is presently sound and stable.

3. Plaintiffs have resided in the State of South Carolina for more than one (1) year preceding this action. Plaintiffs and the Child reside at [redacted] Charleston County, SC.

4. Mr. [redacted] is employed as a manager with a good income and benefits. Ms. [redacted] is employed as a nurse with a good income and benefits.

5. The Family Court Cover Sheet, Certificate of Exemption, Summons, Notice to Appoint Guardian ad Litem and Complaint with Exhibits were duly filed in this Court on January 15, 2021, and copies of the said documents were duly served, as shown by filed Affidavits, as follows: on the Child; on the Child's Guardian ad Litem; and on the Defendant DSS.

6. The Defendant DSS submitted and filed its Answer and does not contest the Plaintiffs' action herein.

7. S. Thomas Worley, Jr., attorney-at-law, was duly appointed Guardian ad Litem for the Child by Order of this Court. The Guardian ad Litem duly filed his Answer, and the said Answer joins in with Plaintiffs' Complaint.

8. The Child was heretofore placed with Plaintiffs by the Defendant DSS for foster care and/or pre-adoption purposes in or about May, 2020, and then was placed with Plaintiffs by DSS for adoption purposes on January 14, 2021, under a formal adoption placement agreement. Plaintiffs have had uninterrupted physical custody of the Child since the original placement.

9. The final adoption hearing is being held less than ninety (90) days after filing of this action; however, since the Child is deemed to be a "special needs" child, the time to hold the hearing is shortened on good cause shown in accordance with Code section 63-9-750. Objections, if any, to the waiting period and/or venue should be waived.

10. DSS's pre-placement investigation reports and prior disposition records on the Child, submitted in a folder marked "For Judge's Eyes Only," have been heretofore duly filed by the Defendant DSS.

ELECTRONICALLY FILED - 2022 Mar 09 4:24 PM - JASPER - COMMON PLEAS - CASE#2022CP2700109

11. The Child is free for adoption and the Defendant DSS has legal custody of the said Child for the purposes of adoption as follows: the parental rights of the Child's biological mother and biological father were duly and properly terminated by an Order of a Court of competent jurisdiction on or about September 28, 2017. DSS also conducted a diligent search of the South Carolina Responsible Father Registry which revealed no claim of paternity for the said Children. Copies of the Certificate of Registry Search and the said Order were filed by the Defendant DSS in a sealed envelope marked "For Judge's Eyes Only."

12. DSS has full legal custody of the Child for the purpose of adoption. Furthermore, the Defendant DSS, through its authorized representative, has duly consented to the adoption of the Child by the Plaintiffs as set out in the terms of its Adoption Placement Certification and its Consent and Post-Placement Investigation report, all duly filed herein by the Defendant DSS.

13. DSS's pre-placement and post-placement investigation reports meet the requirements of the South Carolina Adoption Act, Code Section 63-9-10 et seq., and in them DSS reaffirmed its consent and recommendation that the desired adoption be allowed.

14. Since the onset of the Child's residence in the Plaintiffs' home, the Plaintiffs and the Child have developed a strong bond of love and affection, and Plaintiffs desire to establish the relationship of parent and child with the said minor, adopting the said Child as their own child as though the Child were the Plaintiffs' natural issue.

15. Plaintiffs are able-bodied persons, in good health and of good moral character and are fit and proper persons and well able to provide for the needs and welfare of the Child in a proper and wholesome home. The Child has been in the Plaintiffs' home for almost a year and is manifestly healthy, nurtured, happy and well adjusted.

16. Plaintiffs desire to change the name of the minor Child, in law and in fact and for all legal purposes, to R[redacted] D[redacted] M[redacted]

17. The Child does not own or possess any significant property.

18. I find that the Guardian ad Litem has fulfilled the responsibilities imposed by this Court in representing the Child in a commendable and responsible manner. He states that he has reviewed the records involved, has inquired into the facts, has observed the interaction between the child and the Plaintiffs and is of the opinion that the adoption and name sought herein would be in the best interest of the Child. The Guardian is qualified pursuant to Code Section 63-3-820 and has complied with the requirements of Code Section 63-3-830. A satisfactory written report was filed herein, and the time requirement for submission of the written report is waived by mutual consent of all parties. The Guardian's compensation is reasonable in accordance with Code Section 63-3-850.

19. The Child, being age of fourteen or older, has also individually consented to this adoption by the Plaintiffs pursuant to the terms of a Consent to Adoption signed by the said Child and duly filed herein.

ROA Page No. 0112

ELECTRONICALLY FILED - 2022 Mar 09 4:24 PM - JASPER - COMMON PLEAS - CASE#2022CP2700109

20. The Child's best interests are served by the desired adoption, and the Child should become the child of the Plaintiffs and accorded the status provided for in Code Section 63-9-760.

21. All necessary consents or relinquishments for the purposes of adoption have been obtained.

22. Notice of the adoption proceedings has been given to all persons entitled to receive notice under Code Sections 63-9-310 and 63-9-730, and no hearing was required as a result of the notice.

23. Plaintiffs' Statement of Accounting was filed herein, and the disbursements made and accounted for therein pursuant to Code Section 63-9-740 are reasonable costs for expenses incurred or for fees for services rendered.

BASED UPON the above findings I hereby conclude as follows:

ONE: This Court has full and complete jurisdiction over the parties and issues herein. All proceedings herein were duly and timely made and were in accordance with applicable legal requirements, and any objections thereto have been waived.

STATE OF SOUTH CAROLINA COUNTY OF JASPER A.M.L., and J.J.L., by and through their Next of Friend, John Doe, R.D.M., by and through his Next of Friend, Jane Snow, J.J.G., and S.T.S., Plaintiffs, v. Wright Directions Sub, LLC d/b/a Wright Directions Family Services, LLC, Defendant.	IN THE COURT OF COMMON PLEAS OF THE FOURTEENTH JUDICIAL CIRCUIT **AFFIDAVIT OF TIFFANY BROWN**

Personally appeared before me, Tiffany Brown, who, being duly sworn, deposes and says the following:

1. I am Tiffany Brown and I have been employed at the Foster Care Abuse Law Firm, P.A., since 2015. The law firm represents children in civil rights and damages actions when they have been abused and neglected.

2. When we receive a new case, we order our client's records, in the normal course of business, from each child's medical providers and other stakeholders.

3. The Foster Care Abuse Law Firm, P.A. represents A.M.L., J.J.L., R.D.M., J.J.G., and S.T.S. Although J.J.G. and S.T.S. are both over the age of eighteen, their identify would immediately identify their siblings. In addition, the two adults who physically abused their family, have made threats against the children and their adoptive family.

4. Both S.TS. and J.J.G. will turn nineteen in May. Both J.J.G. and S.T.S. are facing statute of limitations for their claims and we must turn their records over to an expert witness in

ELECTRONICALLY FILED - 2022 Mar 09 4:24 PM - JASPER - COMMON PLEAS - CASE#2022CP2700109

order to obtain an affidavit to tile with a Notice of Intent to File Suit pursuant to S.C. Code Ann. §15-79-125.

5. Based upon my experience in obtaining the records of abused and neglected children, WDFS maintains dominion and control of the records and documents relating to A.M.L., J.J.L., R.D.M., J.J.G., and S.T.S. and maintains control over those records and documents at this time.

6. Based upon some of the very limited records provided to the Children's parents upon their adoption, we know that on or about November 5, 2013, the Beaufort County School District referred A.M.L., J.J.L., R.D.M., J.J.G., and S.T.S. to WDFS because the children were stealing food, "…kids aren't being fed and wanted to have them weighed daily."[1]

7. Records also show that WDFS provide social services and mental health services to these children related to "stealing food" and disruptive behaviors through 2015.[2] Reported behaviors included stealing food, asking for food, eating wasted food out of the garbage cans.[3]

8. Records show that over the next eighteen months, WDFS provide family services to A.M.L., J.J.L., R.D.M., J.J.G., and S.T.S. weekly or multiple times a week and billed Medicaid under the diagnosis code of "child neglect – nutrition".

9. Based upon my experience in obtaining records for abused and neglected children, services provided by WDFS included counseling, social work, psychotherapy, skills training and development, diagnostic assessments, family stabilization services, treatment or case planning, multidisciplinary evaluations, and case management.

Over the years, WDFS would bill the Children tens of thousands of dollars for these services. For instance, WDFS billed $15,334.99 for providing services to A.M.L.[15] Plaintiffs' counsel did not take the time to add up the other children's billing, but each child was billed a substantial amount of money.

Exhibit 3, Mitchell Family Diagram.

The Mitchell Family was composed of parents Yulanda Mitchell and Herbert Mitchell, Sr. Their two adult sons maintained their legal residences and lived in the Mitchell home throughout the time the incidents complained of in this matter along with their own children.[20]

S.T.S. lived with Yulanda and Herbert Mitchell, Sr. from age two months through the time he was adopted on September 18, 2009, until he was placed in the custody of SCDSS on November 3, 2016.[21] There is no biological relationship between S.T.S. and his adopted siblings, E.R.L., J.J.G., A.M.L., J.J.L., and R.D.M., but there is no mistaking that they are bonded siblings.

J.J.G., A.M.L., J.J.L., and R.D.M. share a biological mother.[22] E.R.L., J.J.G., A.M.L., J.J.L., and R.D.M. were born in Ohio.[23] In order to assist the Court further in identifying each child, who has had various names from birth and two adoptions, Plaintiffs submit the following chart:

d. Foster care and pre-adoptive placement of J.J.G., A.M.L., J.J.L., and R.D.M.

A.M.L., J.J.G., and their older sister were placed in foster care in Ohio with Franklin County Childrens Services on May 9, 2005, after A.M.L. suffered her second fracture in two months while in the care of her biological mother.[24] The three children remained in care and did not return home after this incident.

J.J.L. was born in July 2005 and was placed directly into foster care after her discharge from the hospital.[25] R.D.M. was born in August 2006 and was placed directly into foster care after his discharge from the hospital.[26]

A.M.L., J.J.G., J.J.L., and R.D.M. became permanent wards of the State of Ohio on January 26, 2009 and were free for adoption.[27]

On March 11, 2010, the State of Ohio and Franklin County Childrens Services placed A.M.L., J.J.G., J.J.L., and R.D.M. in the Mitchell's home in South Carolina.[28] A.M.L., J.J.G., J.J.L., and R.D.M. were adopted by the Mitchells on June 6, 2010.[29]

Franklin County Childrens Services and the State of Ohio notified the South Carolina Department of Social Services' Interstate Compact on the Placement of Children (ICPC) Office of its contract with Adoption Advocacy, Inc., and its intent to place the children with the Mitchells. Adoption Advocacy, Inc., conducted the home study, placement, and monitoring of A.M.L., J.J.G., J.J.L., and R.D.M. from March 11, 2010 through June 6, 2010.

e. The Mitchell's home, finances, and prior conduct should have barred them from being foster parents, let alone adoptive parents. Also, Yulanda Mitchell was placed on the South Carolina Registry of Abuse and Neglect by the Family Court upon SCDSS's request.

The Family Court appointed Guardian ad Litem, Tricia Gravel, disclosed to Jane Doe that a previous pre-adoptive placement disrupted when Yulanda Mitchell attempted to harm a foster child.[30] Tricia Gravel also disclosed that after the pre-adoptive child was removed from her home, the Family Court made a finding of abuse and Yulanda Mitchell was placed on SCDSS's Central Registry of Abuse and Neglect by the Family Court upon Beaufort County Department of Social Services' request.[31]

Yulanda Mitchell and Herbert Mitchell lived with their adult son and S.T.S. in a three-bedroom, three-bath, 1,639 square foot home.[32] The Mitchell's home, with three adults and one child, was not adequate for the placement of an additional two boys and two girls, A.M.L., J.J.L., R.D.M., J.J.G.[33]

Yulunda Mitchell was employed as a teacher's assistant and Herbert Mitchell was employed as a cook on Hilton Head Island. During the foster care placement, the Mitchell's home was in foreclosure.[34] The Mitchells were often in default or in litigation with pay-day loan venders and their homeowner's association:

This is the reason why our state performs home inspections and investigations into adoptive parents' finances.

f. The Mitchell's physical abuse and starvation of A.M.L., J.J.L., R.D.M., J.J.G., and S.T.S.

As stated above, S.T.S. lived with the Mitchells since he was two months old.[35]

On April 13, 2009, S.T.S. was almost six years old. This was five months before his adoption, the school nurse referred S.T.S. to a pediatrician due to "poor growth".[36] Before that,

S.T.S. had bever been to a pediatrician.[37] The pediatrician learned that the Mitchells had cared for S.T.S. ever since he was two months old.[38]

On May 8, 2009, S.T.S. was diagnosed with failure to thrive.[39]

On January 25, 2010, A.M.L. weighed 45.63 lbs.[40] On October 26, 2009, J.J.L. was 39 and ¼ inches tall and weighed 36.4 lbs.[41] and R.D.M. was 37 inches tall and weighed 35.7 lbs.[42] On December 18, 2009, J.J.G. weighed 49 lbs. 4. oz.[43]

When A.L.M., J.J.L., R.D.M., and J.J.G., were placed into the Mitchell home with S.T.S.:

- J.J.G. was 6 years and 9 months.
- A.M.L. was 5 years and 8 months.
- J.J.L. was 4 years and 8 months.
- R.D.M. was 3 years and 7 months.
- S.T.S. was 6 years and 10 months.

Upon arriving from Ohio on March 11, 2010, the Mitchells immediately enrolled R.D.M. and J.J.L. at The Children's Center, a day care located at 20 Bridge Street, Bluffton, South Carolina, next door to Michael C. Riley Elementary School. Before the summer of 2010 began, the director of the Children's Center made two reports to the South Carolina Department of Social Services for neglect of R.D.M. due to the severe weight loss he suffered.[44]

In January 2011, a report was made to SCDSS that A.M.L. disclosed she was hit by a belt.[55]

Before March 28, 2011, the Director of the Children's Center day care in Bluffton, South Carolina sent a letter to R.D.M.'s pediatrician, Maureen Berrigan, M.D., raising concerns that Yulanda Mitchell was withholding food from R.D.M.[56]

On August 2, 2011, R.D.M.'s pediatrician noted the child was stealing chocolate and food from other children at school and was drinking out of the toilet at school.[57] The pediatrician also noted that R.D.M.'s weight decreased from 75% to 12%.[58]

In April 2012, a report to SCDSS alleged R.D.M. had a bruise on his arm as a result of being hit with a shoe by his mother. It had also been alleged that the children were hoarding food.[59]

On September 25, 2013, Sheryl B. Keating at Coastal Empire Mental Health noted R.D.M. was referred back because he continued to steal food and hoard food.[69] The therapist reported the school had tried to intervene.[70] R.D.M. also reported that he was beaten.[71]

On October 9, 2013, the pediatrician made another appointment for R.D.M. to see Dr. Rice, an endocrinologist at MUSC on December 5, 2013.[72] The Mitchells never took him to an appointment.[73] That same day, J.J.G.'s pediatrician made a referral for him to see the same endocrinologist.[74]

On November 5, 2013, the children were referred to WDFS for stealing food.[75] WDFS conducted a Diagnostic Assessment on J.J.G., S.T.S., J.J.L., and A.M.L. that same day.[76] In the education portion of the assessment for each child, Nicki Nichols, LPC, wrote:

J.J.G., S.T.S., J.J.L. were referred by WDFS to a psychiatrist.[78] He was never taken to a psychiatrist by Yulanda Mitchell. WDFS and Nichols wrote that they lacked specifics regarding J.J.G.'s ADHD diagnosis because they did not have "diagnosis information from the physician".[79]

Nichols also conducted a clinical assessment for S.T.S.[80] Under "Referral Information", she wrote, "MC Riley School- Ms. Debbie Brian- client is adopted. He recently got suspended for 3 days for stealing a ham sandwich from another student, he doesn't turn in his work and teacher is concerned he doesn't tell the truth and he cries when confronted."[81] None of S.T.S.'s treatment plan and assessment focused on food insecurity. Yulanda Mitchell's report to WDFS of S.T.S.'s placement history was untruthful, painting a story that he was adopted with his siblings in 2010:

> Client is adopted and went from foster home to foster home; reports said all the siblings hit, punched, and kicked adults while in foster care; she is unsure about if this was done with other children or not. He has been living with his mom and dad now since he was 5yo. Nichols' description of J.J.L. states, "She presents as smaller and younger than 8yo and presents with some features of FAS."[83] Nichols also reported, "Jaz has most issues with her older sister who tells her to steal things, etc. and if she doesn't comply she beats her up for it Mom shared she has trouble saying "no"."[84]

Nichols also noted that Yulanda Mitchell was unable to provide the basis for the ADD/ADHD medications for J.J.G., J.J.L., and A.M.L., writing, "mom not being able to identify symptoms and not having access to PCP diagnosis and criteria…"[85]

Another mental health professional at WDFS drew up a Crisis Safety Plan for J.J.L. on November 5, 2013. It states, in part, "1. She does what she is asked even when she knows it is wrong (stealing from others) 2. She will get beat up by her sister if she doesn't steal for her or do what she says".[86]

appointment.[88] Instead, both S.T.S. and R.D.M. suddenly gained 6 lbs. and 5 lbs. before their next pediatrician's appointment.[89]

On March 1, 2014, the Beaufort County School District referred the A.M.L., J.J.L., R.D.M., J.J.G., and S.T.S. to WDFS for mental health services related to "stealing food" and disruptive behaviors.[90] Reported behaviors included stealing food, asking for food, eating wasted food out of the garbage cans.[91]

On March 1, 2014, WDFS again recommended that J.J.G., S.T.S., J.J.L. consult with a psychiatrist.[92] Nikki Nichols, LPC again reported that they did not have "diagnosis information from the physician" for J.J.G.[93]

On September 16, 2014, WDFS again recommended that J.J.G., S.T.S., J.J.L. consult with a psychiatrist.[94] WDFS also wrote, "Hunger scales were implemented showing appropriate age levels at snack/meal times and is a new measure of goal success and monitor of triggers."[95]

Renee Sutton, LPC noted in J.J.G.'s Diagnostic Assessment that J.J.G. "was recently "caught stealing food" from classroom".[96] Sutton also noted:

> Sight of wasted food (even in garbage) has been observed and reported to be a consistent pattern behind temptations for food, Client does not report symptoms for eating disorders and is aware of triggers and ways to stop temptations without prompting. Client is a recipient of meal provisions and lack of adequate food is not clearly ruled out (Z59.4). Client appears small in stature and thin within age appropriate weight per adoptive mother's report from doctor, and there is no evidence of extreme poverty (259.5). Current nutritional neglect appears ruled out due to adoptive mother's report of all siblings from same biological mother and foster homes, and all siblings have similar food-seeking patterns and symptoms, indicating that some trauma-related food disorder may exist for several reasons. Being left without parental supervision and food is reported occurrences in early life and hunger scales implemented over last 6 months are rated age appropriate to meal times and taking of food sometimes occurs with low hunger ratings. Replacement of missing dairy may offer some fulfillment, but mother reports continued milk-related symptoms with other sources and receives other calcium sources. Food disorders can also be associated with prenatal exposure to alcohol and addictions may be associated with drug exposure during biological mother's pregnancy[97]

Among her diagnoses, Sutton diagnosed J.J.G. with Other Specified Trauma and Stress-Related Disorder due to:

Sutton drafted a Biopsychosocial Treatment Plan for J.J.L., writing that J.J.L. "…does report somatic complaints of her "tummy hurting" sometimes at school. She is allergic to diary and tomatoes."[100] She also reported that J.J.L. had yet to see a psychiatrist.[101] Sutton implemented "hunger scales" for J.J.L.[102]

Sutton's Biopsychosocial Treatment Plan for A.M.L. contained "new interventions added to address Reactive Attachment Disorder symptoms where food is stolen when not hungry and experienced feelings of temptation and discouragement.".[103] Sutton also noted A.M.L.'s ""belly hurting before school sometimes". She is allergic to dairy and tomatoes."[104]

On December 10, 2014, Sutton issued a new Biopsychosocial Treatment Plan for J.J.G., again citing that it lacked "diagnosis information from the physician".[105] WDFS and Sutton noted that J.J.G. had not seen a psychiatrist.[106] Again, WDFS continued to implement "Hunger scales".[107]

That same day, Sutton also issued a new Biopsychosocial Treatment Plan for A.M.L.[108] Sutton noted a "new interventions added to address Reactive Attachment Disorder symptoms

On December 16, 2014, Renee Sutton issued a new Biopsychosocial Treatment Plan for J.J.L. Sutton noted that J.J.L. had not been referred to a psychiatrist.[112]

In January 2015, a report was made to SCDSS that the children were being physically abused and the children were constantly stealing food at school.[113] The children were forced to sleep on the floor and sometimes placed in a dark closet.[114] SCDSS closed the case in March 2015.[115]

On February 12, 2015, the South Carolina Department of Social Services requested the children's growth charts from the pediatrician.[116] On February 17, 2015, S.T.S.'s, R.D.M.'s, J.J.G.'s, A.M.L.'s pediatric records noted that his physician had received a release for the South Carolina Department of Social Services to obtain the children's growth chart.[117]

WDFS conducted a home study at the Mitchell home on February 27, 2015.[118] The WDFS case worker, Barbara Williams, failed to note that the children's bedrooms had locks on the outside of the doors. [119]

WDFS issued an Individual Plan of Care for R.D.M., S.T.S., J.J.G., J.J.L. on March 12, 2015.[120] The focus of the Children's plan of care was dental hygiene and individual counseling.[121]

On April 14, 2015, the Children were discharged from WDFS by Renee Sutton.[122]

In April 2015, SCDSS decided to assist the State of Ohio in placing E.R.L. in a foster care placement with the Mitchells with a plan for adoption. She was adopted six months later on October 15, 2015.[123]

Adoption Advocacy, Inc., returned to the Mitchell home in 2015 after having performed adoption services for A.M.L., J.J.L., R.D.M., and J.J.G. from March 2010 through June 6, 2010.

Over the previous five years, A.M.L. had only gained only 6 ½ lbs., J.J.L. had only gained 6 ½ lbs., R.D.M. had only gained seven lbs., J.J.G. had only gained 20 lbs., and S.T.S. had only gained 28 lbs.

When E.R.L. was placed in the Mitchell home, Franklin County Childrens Services and the State of Ohio maintained legal custody of E.R.L.

On July 27, 2015, S.T.S.'s nurse at the pediatrician noted that S.T.S. was 1% weight percentile, 7% height percentile, and 1% body mass index percentile.[124] That same day R.D.M. was diagnosed with failure to thrive.[125] R.D.M.'s height was at 3%, his weight was "below 5%", and his body mass index was at 1%.[126]

On September 2, 2015, R.D.M.'s pediatrician noted that R.D.M. was stealing food at school and diagnosed him with failure to thrive.[127]

Between November 2014 and October 2016 R.D.M. received referrals at school 28 times for stealing food to include taking food out of trash cans.[128]

R.D.M. and J.J.G. stated that it was mostly E.R.L. who was not allowed to eat.[131] R.D.M. stated that E.R.L. would cry for food and water when she was in her room.[132]They were only allowed to eat dinner on the weekends.[133] The children were beaten on their arms, legs, and stomachs.[134] While these children were starved, they were required to watch the Mitchells eat complete meals. The Children were physically abused by the Mitchells and they watched their other siblings be abused. This abuse experienced by the children included physical beatings with whips, rulers, belts, shoes, hangers, and hands, punching, being swung around by her appendages, twisting and hyperextending extremities.[135] Yulanda Mitchell would take pictures with her phone of the food in the cabinets to make sure the children did not steal food.[136] The boys bedroom had a lock on the outside of the door.[137] See also, Exhibit 46, Transcript of Record, *State v. During the Mitchell's plea under *North Carolina v. Alford*, the Solicitor stated:

> Physical abuse: The children were made to stand against walls, popped with rulers, belt, or shoes; pulling of ears and hair; bending fingers back; mental abuse; locked in the bedroom while others were allowed to eat; made to sleep on the floor with no blanket; share cold bath water with siblings; food deprivation; the withholding of water and food as punishment; made to watch the other children eat.[147]

A Probable Cause Hearing was held by the Beaufort County Family Court on November 7, 2016 and the Court found probable cause for E.R.L., A.M.L., J.J.L., R.D.M., J.J.G., and S.T.S. to remain in SCDSS's custody. The Court found probable cause based upon the following facts:

> There was probable cause for law enforcement to take emergency protective custody and for the South Carolina Department of Social Services (SCDSS) to assume legal custody of the children because SCDSS received a report on October 26, 2016 alleging that one of the minor children was caught stealing food at school for the second time in two days. The child reportedly has a history of stealing food from classmates and classrooms and taking food out of garbage cans. All of the minor children in the home were interviewed the following day. The children alleged that they are sent to their rooms and not allowed to eat dinner any time they get in trouble at home or school. The children also alleged they are hit with a belt, ruler, or hanger when they get in trouble. Three of the

Ms. Dalton reviewed records for five of the six children and discovered that the children's heights and weights fall far below the first percentile. Ms. Dalton also noted that two of the children examined have patterned scars on their bodies. SCDSS established a prima facie case based on the foregoing allegations.[148]

On July 24, 2017, in the matter of *South Carolina Department of Social Services v. Yulanda Mitchell a/k/a Yolanda Mitchell and Herbert Mitchell*, Docket No. 2016-DR-07-01364, the Beaufort County Family Court made the following finding:

> …S.T.S.., J.J.G.., A.M.L., J.J.L., R.D.M., and E.R.L. were physically abused and willfully and recklessly neglected by Yulanda Mitchell a/k/a/ Yolanda Mitchell… S.T.S., J.M., A.M.L., J.J.L., R.D.M., and E.R.L. were willfully and recklessly neglected by Herbert Mitchell.[149]

On October 19, 2017, Cindy S. Thomas, a LPC with WDFS, wrote the following narrative for J.J.G.:

J.J.G. was removed from that placement in Novebmer, 2016 and placed at CAPA in Beaufort until March 1, 2017…The neglect that J.J.G. suffered in the home in Bluffton was so severe that J.J.G. was malnourished and he is small for his age…[150]

abuse the children endured.[151] Ms. Sutton testified that A.M.L., J.J.L., R.D.M., J.J.G., and S.T.S. were all students at her school.[152] Ms. Sutton was also familiar with Yulanda Mitchell and Herbert Mitchell and that Yulanda Mitchell worked at the school and for Beaufort County School District.[153]

Ms. Sutton testified that S.T.S., R.D.M., and A.M.L. were disciplined for stealing food.[154] When describing R.D.M., Ms. Sutton testified:

> …it was always stealing of food. He stole food from other students, he stole food on the bus going from home to school, he stole food in the classroom, taking food from other children's lunch boxes. If he realized that a teacher had a cache of snacks, like in a cupboard, he stole food from his homeroom teacher, from the PE teacher. He stole food even off of other children's lunch plates.

Exhibit 45, Transcript of Record, *14. Ms. Sutton described another incident where S.T.S. was in the classroom when the other children were at recess and he raided their lunchboxes:

> …The lunch boxes were kept in a covered area outside of the classroom while the kids were at recess, and he had gone into each lunch box and stuffed his mouth with food. And the teacher walked over and observed him, and the lunch boxes were all open with food out on the ground.

Exhibit 45, Transcript of Record, *20. *See also*, *22. She also testified that the disciplinary records regarding the stealing of food went back four or five years.[155]

Ms. Sutton reported to the Court, "There was concern due to lack of growth. The children were all very small for their age, and all of the children reported being hungry, but we only had disciplinary infractions with R.D.M., S.T.S., and A.M.L."[156] The children were also demonstrably afraid of Yulanda Mitchell and Herbert Mitchell.[157]

On October 20, 2020, Yulanda and Herbert Mitchell pled guilty to numerous charges of Unlawful Conduct Toward a Child, S.C. Code Ann. §63-5-70(A)(1) and were sentenced to a term of four- and ten-years imprisonment, respectively.[158]

IV. Legal argument.

The Plaintiff children have requested their records from WDFS on numerous occasions in order to have an expert review the documents for litigation purposes. The review will search for evidence of damages to the children and liability on the part of WDFS. Because some of the WDFS employees are licensed professional counselors, the Children must follow the expert affidavit requirements of S.C. Code Ann. §15-36-100. This requires a complete review of the complete set of records for each child.

WDFS has yet to put in writing why it refused to produce the Children's records or why it took more than 18 months to provide a partial response to the Children's requests for records.

WDFS has not complained about the sufficiency of any of the Children's medical releases over the past 18 months.

The Children assume WDFS is asserting it is prevented from producing these records pursuant to the Health Insurance Portability and Accountability Act of 1996 (HIPAA), Public Law 104-191, (August 21, 199645) and various state laws.

It appears that WDFS employs a mish-mash of licensed professionals, to include licensed professional counselors and licensed social workers. The children have attempted to address each confidentiality statute that may apply in this matter.

a. HIPAA argument.

Disclosure of the information the Children have requested is found at 45 C.F.R. 164.512. Because the Children were required to file this action, they rely upon 45 C.F.R. 164.512(e):

> (e) Standard: Disclosures for judicial and administrative proceedings.
> (1) Permitted disclosures. A covered entity may disclose protected health information in the course of any judicial or administrative proceeding:
> > (i) In response to an order of a court or administrative tribunal, provided that the covered entity discloses only the protected health information expressly authorized by such order; or
> > (ii) In response to a subpoena, discovery request, or other lawful process, that is not accompanied by an order of a court or administrative tribunal, if:
> > > (A) The covered entity receives satisfactory assurance, as described in paragraph (e)(1)(iii) of this section, from the party seeking the information that reasonable efforts have been made by such party to ensure that the individual who is the subject of the protected health information that has been requested has been given notice of the request; or
> > > (B) The covered entity receives satisfactory assurance, as described in paragraph (e)(1)(iv) of this section, from the party seeking the information that reasonable efforts have been made by such party to secure a qualified protective order that meets the requirements of paragraph (e)(1)(v) of this section.

(A) The party requesting such information has made a good faith attempt to provide written notice to the individual (or, if the individual's location is unknown, to mail a notice to the individual's last known address);
(B) The notice included sufficient information about the litigation or proceeding in which the protected health information is requested to permit the individual to raise an objection to the court or administrative tribunal; and
(C) The time for the individual to raise objections to the court or administrative tribunal has elapsed, and:
(1) No objections were filed; or
(2) All objections filed by the individual have been resolved by the court or the administrative tribunal and the disclosures being sought are consistent with such resolution.

(iv) For the purposes of paragraph (e)(1)(ii)(B) of this section, a covered entity receives satisfactory assurances from a party seeking protected health information, if the covered entity receives from such party a written statement and accompanying documentation demonstrating that:
(A) The parties to the dispute giving rise to the request for information have agreed to a qualified protective order and have presented it to the court or administrative tribunal with jurisdiction over the dispute; or
(B) The party seeking the protected health information has requested a qualified protective order from such court or administrative tribunal.

(v) For purposes of paragraph (e)(1) of this section, a qualified protective order means, with respect to protected health information requested under paragraph (e)(1)(ii) of this section, an order of a court or of an administrative tribunal or a stipulation by the parties to the litigation or administrative proceeding that:
(A) Prohibits the parties from using or disclosing the protected health information for any purpose other than the litigation or proceeding for which such information was requested; and
(B) Requires the return to the covered entity or destruction of the protected health information (including all copies made) at the end of the litigation or proceeding.

(vi) Notwithstanding paragraph (e)(1)(ii) of this section, a covered entity may disclose protected health information in response to lawful process described in paragraph (e)(1)(ii) of this section without receiving satisfactory assurance under paragraph (e)(1)(ii)(A) or (B) of this section, if the covered entity makes reasonable efforts to provide notice to the individual sufficient to meet the requirements of paragraph (e)(1)(iii) of this section or to seek a qualified protective order sufficient to meet the requirements of paragraph (e)(1)(v) of this section.

(2) Other uses and disclosures under this section. The provisions of this paragraph do not supersede other provisions of this section that otherwise permit or restrict uses or disclosures of protected health information.

HIPAAA contains an exception for "Psychotherapy Notes". 45 C.F.R. 164.501.

"Psychotherapy notes" is defined as:

> Psychotherapy notes means notes recorded (in any medium) by a health care provider who is a mental health professional documenting or analyzing the contents of conversation during a private counseling session or a group, joint, or family counseling session and that are separated from the rest of the individual's medical record. Psychotherapy notes excludes medication prescription and monitoring, counseling session start and stop times, the modalities and frequencies of treatment furnished, results of clinical tests, and any summary of the following items: Diagnosis, functional status, the treatment plan, symptoms, prognosis, and progress to date.

45 C.F.R. 164.501.

Disclosure of Psychotherapy notes is addressed in 45 C.F.R. 508(a)(1 & 2):

> (1) Authorization required: General rule. Except as otherwise permitted or required by this subchapter, a covered entity may not use or disclose protected health information without an authorization that is valid under this section. When a covered entity obtains or receives a valid authorization for its use or disclosure of protected health information, such use or disclosure must be consistent with such authorization.
> (2) Authorization required: Psychotherapy notes. Notwithstanding any provision of this subpart, other than the transition provisions in § 164.532, a covered entity must obtain an authorization for any use or disclosure of psychotherapy notes, except:
> (i) To carry out the following treatment, payment, or health care operations:
> (A) Use by the originator of the psychotherapy notes for treatment;
> (B) Use or disclosure by the covered entity for its own training programs in which students, trainees, or practitioners in mental health learn under supervision to practice or improve their skills in group, joint, family, or individual counseling; or
> (C) Use or disclosure by the covered entity to defend itself in a legal action or other proceeding brought by the individual; and
> (ii) A use or disclosure that is required by § 164.502(a)(2)(ii) or permitted by § 164.512(a); § 164.512(d) with respect to the oversight of the originator of the psychotherapy notes; § 164.512(g)(1); or § 164.512(j)(1)(i).

In *Kalinoski v. Evans*, 377 F.Supp.2d 136, 137, (D.D.C. July 12, 2005), a social worker filed a motion to quash a subpoena for her client's records. The subpoena requested:

> Any and all medical records pertaining to treatment for mental health, emotional conditions and physical symptoms related to any psychiatric or emotional condition without limitation, regardless of the date or subject matter (including progress notes,

ELECTRONICALLY FILED - 2022 Apr 01 3:17 PM - JASPER - COMMON PLEAS - CASE#2022CP2700109

> hospital entries, psychiatric records, counseling records, lab reports, data, xray, films, reports, bills, invoices, and all other such documents) for Carol A. Kalinosky [sic].

Kalinoski, at 137.

The social worker argued "that the subpoena seeks the disclosure of information that is protected from disclosure by the common law psychotherapy privilege under *Jaffee v. Redmond*, 518 U.S. 1, 11, (1996), the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and the regulations promulgated thereunder, and District of Columbia law." *Kalinoski*, at 137.

The District Court determined that the plaintiff's signed written authorization satisfied the requirements of 45 C.F.R. § 164.508(a)(2). *Kalinoski*, at 138

b. Physician's Patient Record Act.

The Physician's Patient Records Act, S.C. Code Ann. §§ 44-115-10 to -150. Specifically, S.C. Code Ann. § 44-115-30 addresses a "Patient's right to receive copy of medical record". The statute reads:

> ***A patient or his legal representative has a right to receive a copy of his medical record***, or have the record transferred to another physician, upon request, ***when accompanied by a written authorization from the patient or his legal representative to release the record***. The patient or his legal representative is entitled to receive a copy of the record either in a printed format or an electronic format but only if the record is stored in an electronic format at the time of the request and the physician or other owner of the record has the ability to produce the medical record in an electronic format without incurring additional cost.

S.C. Code Ann. § 44-115-30 (Emphasis added).

c. S.C. Code Ann. §19-11-95.

Under S.C. Code Ann. §19-11-95, also addresses mental health records:

> (A) For purposes of this section:
>
> (1) "Provider" means a person licensed under the provisions of any of the following and who enters into a relationship with a patient to provide diagnosis, counseling, or treatment of a mental illness or emotional condition:

(d) Section 40-33-10 as a registered nurse who meets the requirements of a clinical nurse specialist and who works in the field of mental health.

S.C. Code Ann. §19-11-95(A).

The statute also allows what a provider may reveal and shall reveal:

(C) A provider may reveal:
(1) confidences with the written authorization of the patient or patients affected, but only after disclosure to them of what confidences are to be revealed and to whom they will be revealed;
(2) confidences when allowed by statute or other law;
(3) the intention of the patient to commit a crime or harm himself and the information necessary to prevent the crime or harm;
(4) confidences reasonably necessary to establish or collect his fee or to defend himself or his employees against an accusation of wrongful conduct;

(6) confidences in proceedings conducted in accord with Sections 40-71-10 and 40-71-20;
(7) confidences with the written authorization of the patient or patients affected for processing their health insurance claims, but only after disclosure to them of what confidences are to be revealed and to whom they will be revealed.

(D) A provider shall reveal:
(1) confidences when required by statutory law or by court order for good cause shown to the extent that the patient's care and treatment or the nature and extent of his mental illness or emotional condition are reasonably at issue in a proceeding; provided, however, confidences revealed shall not be used as evidence of grounds for divorce;
(2) confidences pursuant to a lawfully issued subpoena by a duly constituted professional licensing or disciplinary board or panel;
(3) confidences when an investigation, trial, hearing, or other proceeding by a professional licensing or disciplinary board or panel involves the question of granting a professional license or the possible revocation, suspension, or other limitation of a professional license.

(E) A disclosure pursuant to subsection (C) or (D) is limited to the information and the recipients necessary to accomplish the purpose of the subsection permitting the disclosure.

d. Professional Counselors, Marriage and Family Therapists, and Addiction Counselors.

S.C. Code Ann. §40-75-190 addresses confidentiality for Professional Counselors, Marriage and Family Therapists, and Addiction Counselors. The statute states:

> (A) No person licensed under this chapter, and no person's employees or associates, shall disclose any information which he or she may have acquired during the course of treatment, except as required or permitted by applicable state law, federal law, or both, including, but not limited to, compliance with Sections 19-11-95, 43-35-25, 44-29-70, and 63-7-310.
> (B) All communications between clients and their licensed professional counselor, marriage and family therapist, or addiction counselor are considered privileged as provided in Section 19-11-95, protecting confidences between patients of mental illness or emotional condition and licensees under this chapter, and as provided in Section 19-11-100, providing limited protection for persons engaged in the gathering of information for journalistic or literary purposes. Additionally, a licensed professional counselor, a licensed marital and family therapist, or addiction counselor must maintain privileged communications and patient confidentiality as required of psycho-therapists. All records of treatments maintained by a licensed professional counselor, marriage and family therapist, or an addiction counselor are confidential and must not be disclosed except under the circumstances provided for in this subsection.
> (C) A person licensed under this chapter must comply with all applicable state and federal confidentiality laws related to alcohol or drug treatment records.

S.C. Code Ann. §40-75-190. S.C. Code Ann. §19-11-95 is addressed above. S.C. Code Ann. §§43-35-25 and 63-7-310 are mandatory reporter requirements for the elderly and children, respectively. S.C. Code Ann. §44-29-70 is the mandatory requirement to report sexually transmitted diseases to DHEC.

e. Case notes, progress notes, and therapy notes are not protected from disclosure.

Any claims WDFS assert that the records requested are confidential records meant for the sole use of the agency is without merit.

criteria in order to be a Medicaid provider.[159] The services provided by WDFS to the Children fall within the services regulated by Medicaid.[160]

Many of the conditions for Medicaid providers ensure quality services and fiscal accountability for Medicaid dollars spent.[161] The maintenance of records and documents are not simply best practices for providers such as WDFS, Medicaid requires providers to retain records and documentation in order to meet announced and unannounced Program Integrity reviews and audits.[162]

Medicaid also requires providers like WDFS to use "evidence based" practices and "emerging best practices" that ensure thorough and appropriate screening, evaluation, diagnosis, and treatment planning, and fosters improvement in the delivery of behavioral health services to children and adults in the most effective and cost-efficient manner.[163]

Medicaid requires providers to document the medical necessity for the provision of services.[164] Medicaid requires:

> All Rehabilitative Behavioral Health Services (RBHS) providers shall maintain a clinical record for each Medicaid-eligible beneficiary that fully describes the extent of the treatment services provided. The clinical record must contain documentation sufficient to justify Medicaid participation, and should allow an individual not familiar with the beneficiary to evaluate the course of treatment. The absence of appropriate and complete records, as described below, may result in recoupment of payments by SCDHHS. An index as to how the clinical record is organized must be maintained and made available upon request.[165]

Medicaid also provides a list of documents that each beneficiary's clinical record must include, such as:

- Comprehensive Diagnostic Assessment(s) and other assessments;
- Assessment tool(s);
  - Parenting Stress Index (PSI);
  - The Child Behavior Check List;
  - CALOCUS (Child and Adolescent Level of Care Utilization System);
- Parent/Caregiver/Guardian Agreement to Participate;
- IPOCs (Individual Plan of Care)
- Clinical Service Notes (CSNs)
- Rehabilitative Behavioral Health Services Referral Form;
- Court orders;
- Evaluations and or tests;
- Signed releases, consents, and confidentiality assurances for treatment
- Physician's orders, laboratory results, lists of medications, and prescriptions (when performed or ordered)
- Copies of written reports;
- Medicaid eligibility information;
- Other documents relevant to the care and treatment of the beneficiary[166]

Medicaid even specifies the information that must be included in all Clinical Service Notes in order to "record the nature of the beneficiary's treatment, any changes in treatment, discharge, crisis interventions, and any changes in medical, behavioral or psychiatric status."[167]

The Children assert that any of the records that Medicaid requires WDFS to maintain are not privileged or confidential because the Children have submitted sufficient medical records releases and they are part of each child's clinical file.[168]

V. Conclusion.

As a matter of law, there is no reason why WDFS has refuse to produce the children's records. The Plaintiff Children believe they have shown good cause for the Court to order WDFS to produce a complete set of each child's records under both HIPAA and state law. Except for attorney-client privileged information, there is no reason why WDFS should not produce all the children's documents.

While the files may include hundreds of pages, the Court should keep in mind that the Children's expert must have enough time to conduct a review of each child's file.

The Children ask the Court to issue an order for WDFS to produce the complete file of each child within ten days, April 17, 2022. In addition, the Children ask the Court to award all fees and costs associated with this motion.

Respectfully Submitted,

s//Robert J. Butcher

Defendant Wright Directions Sub, LLC, improperly identified as "d/b/a Wright Directions Family Services, LLC" ("Defendant") hereby submits the following memorandum in opposition to *Plaintiffs' Motion to Show Cause and Expedited Hearing.*

Background

As understood by Defendant, this matter arises from five (5) individuals who received certain counseling services from Wright Directions, LLC, d/b/a Wright Directions Family Services[1] (hereinafter "Wright Directions") when they were minors. See Amend. Compl. ¶¶ 12-22. Plaintiffs desire access to a myriad of records from Wright Directions to provide to their expert witness for purposes of determining whether Wright Directions breached the standard of care in their counseling of Plaintiffs, or, if the records have been lost or destroyed, to allow their expert to draw the inference that the evidence would have been unfavorable to Defendant. See Amend. Compl. ¶ 32. Plaintiffs allege that they attempted multiple times to obtain records from Defendant

[1] Plaintiffs have sued the wrong party in this action. However, as a matter of judicial economy, Defendant is willing to enter in to a Consent Order to Amend the Caption with Plaintiff to correct the name of the Defendant.

ELECTRONICALLY FILED - 2022 Apr 06 12:21 PM - JASPER - COMMON PLEAS - CASE#2022CP2700109

beginning in 2019. See Amend. Compl. ¶¶ 22 - 27. Wright Directions contends they only received one request that was faxed on or about February 25, 2022. See Def. Answer ¶5.

Plaintiffs, through their counsel, each submitted a two (2) page "Authorization to Disclose Health Information" ("the Authorizations") to Wright Directions. The records sought in the Authorizations include the following:

> *Any and all medical records, documents and things concerning the above named individual including, but not limited to:*
>
> - *Medical Records*
> - *Medical Reports*
> - *Lab Reports*
> - *Prescription Records*
> - *Patient Information*
> - *Hospital Records*
> - *Physicians' Notes*
> - *Therapy Notes*
> - *Correspondence*
> - *Billing and Insurance Records*
> - *Private Files*
> - *Xray, MRI, CAT scan, PET scan films and other diagnostic reports*
> - *Consultation Reports*
> - *Registration Forms*
> - *Nurses' Forms*
> - *Photographs*
> - *Any and all testing records*
> - *Any and all psychiatric and mental health records*
> - *Notes on file jackets*
> - *Telephone message notes*

Notably, the authorization did not include a deadline for Wright Directions to provide the records to Plaintiffs' counsel.

Plaintiffs initiated this action on March 9, 2022, with the filing of a Summons and Complaint and the subject Motion to Show Cause and for Expedited Hearing. On March 10, 2022, Plaintiffs filed an Amended Summons and Complaint. Both pleading name the wrong entity as Defendant despite the fact that the Authorizations served on February 25, 2022, were properly addressed to the correct entity – Wright Directions, LLC.

On March 10, 2022, Wright Directions provided records to Plaintiffs through their counsel via email. See Exhibit A. The records provided were non-privileged and/or not subject to the confidentiality provisions set forth under HIPAA. Plaintiffs were further notified through counsel

ROA Page No. 0217

that any additional "progress notes" would require a subpoena. Id. To date, Plaintiffs have failed to serve any subpoenas for additional records from Wright Directions, nor have they served any discovery requests to Defendant.

Argument

Plaintiffs initiated a lawsuit against Defendant and asserted a cause of action for "specific performance" in an attempt to obtain an extensive amount of records. They also contemporaneously filed this "Motion to Show Cause and Expedited Hearing" as an alternative ground to obtain these records. As discussed below, Plaintiffs' Complaint is deficient on its face, and they are not entitled to the records under a "specific performance" theory. In addition, Plaintiffs have not set forth grounds to seek a "Motion to Show Cause" as Wright Directions has acted appropriately in response to the February 25, 2022 Authorizations, and in compliance with HIPAA and South Carolina law governing the production of medical records. No other attempts have been made to obtain Plaintiffs' records from Wright Directions that would entitle Plaintiffs to a "Rule to Show Cause" against Defendant.

a. Plaintiffs are not entitled to Wright Directions' Records Under a Theory of Specific Performance.

Plaintiffs' Complaint seeks specific performance against Defendant, which is inapplicable to the facts of this case and not a valid cause of action for Plaintiffs to assert to receive medical records. As set forth in Time Warner Cable v. Condo Servs., Inc., 381 S.C. 275, 281–82, 672 S.E.2d 816, 819 (Ct. App. 2009):

> The discretion to grant or refuse specific performance is a judicial discretion to be exercised in accordance with special rules of equity and with regard to the facts and circumstances of each case." Guignard v. Atkins, 282 S.C. 61, 66, 317 S.E.2d 137, 140 (Ct.App. 1984). A court may order specific performance if: **(1) a valid contract exists between the parties**; (2) no adequate remedy at law exists for the breach; (3) specific performance is equitable between the parties; and (4) no fraud, accident, or mistake infects the contract. King v. Oxford, 282

ROA Page No. 0218

ELECTRONICALLY FILED - 2022 Apr 06 12:21 PM - JASPER - COMMON PLEAS - CASE#2022CP2700109

> S.C. 307, 314, 318 S.E.2d 125, 129 (Ct.App. 1984). However, specific performance is not an absolute right, and a court granting it must follow established principles and carefully consider all the circumstances of the particular case. Bishop v. Tolbert, 249 S.C. 289, 298, 153 S.E.2d 912, 917 (1967). (emphasis added)

Here, there have been no allegations nor is there any documentation to suggest that (1) a contract exists between Plaintiffs and Defendant/Wright Directions; or (2) that any contract has been breached by Defendant/Wright Directions. Accordingly, Plaintiffs cannot satisfy the first element to establish they are entitled to specific performance, and, therefore, their Motion should be denied and their Complaint dismissed for failure to state a claim pursuant to Rule 12(b)(6), SCRCP.

b. Plaintiffs have asserted no authority that entitles them a "Rule to Show Cause or an Expedited Hearing" against Defendant.

Plaintiffs have filed the subject motion and styled it as one "to Show Cause and Expedited Hearing" but cites no authority that entitles them to bring such a motion. No orders have been entered in this case; therefore there is nothing Defendant or Wright Directions can be held in contempt for that would entitle Plaintiffs to have a "Rule to Show Cause" issued by the court. Taking the allegations contained in the pleadings as true, there is nothing to suggest that Defendant has done anything to warrant the relief Plaintiffs are seeking.

"Contempt results from the willful disobedience of an order of the court." Bigham v. Bigham, 264 S.C. 101, 104, 212 S.E.2d 594, 596 (1975); Smith v. Smith, 359 S.C. 393, 396, 597 S.E.2d 188, 189 (Ct.App. 2004); S.C. Code Ann. § 20–7–1350 (Supp. 2004) (A party may be found in contempt of court for the willful violation of a lawful court order.). "A willful act is one which is 'done voluntarily and intentionally with the specific intent to do something the law forbids, or with the specific intent to fail to do something the law requires to be done; that is to say, with bad purpose either to disobey or disregard the law.' " Widman v. Widman, 348 S.C. 97,

ELECTRONICALLY FILED - 2022 Apr 06 12:21 PM - JASPER - COMMON PLEAS - CASE#2022CP2700109

119, 557 S.E.2d 693, 705 (Ct.App. 2001) (quoting Spartanburg County Dep't of Soc. Servs. v. Padgett, 296 S.C. 79, 82–83, 370 S.E.2d 872, 874 (1988)). "Where a contemnor is unable, without fault on his part, to obey an order of the court, he is not to be held in contempt." Smith–Cooper v. Cooper, 344 S.C. 289, 301, 543 S.E.2d 271, 277 (Ct.App. 2001).

As set forth above, neither Defendant nor Wright Directions have committed a "willful act" that would entitle the court to issue a Rule to Show Cause. Further, Plaintiffs have failed to offer any case law or citation to support their position this matter should be expedited. Accordingly, this Motion should be denied.

c. Plaintiffs are not entitled to additional records from Wright Directions.

In their Amended Complaint, Plaintiffs assert they are entitled to "a complete mirror of each child's file to include all case files from 2010 to the present, all assessments, intake documents, treatment plans, referrals, plans of care, therapeutic notes, progress notes, summaries, discharge summaries, correspondence parents and third parties, billing records, and any other documents related to the children." See Amend. Compl. "Prayer for Relief." Plaintiffs argue they are entitled to these records pursuant to the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and S.C. Code Ann. § 44-115-30. See Amend. Compl. ¶28.

However, the records withheld by Wright Directions are not subject to production under HIPAA as they fall under the exceptions for psychotherapy records and/or counseling records. As such, these records are privileged and not subject to disclosure.

HIPAA prevents an individual from accessing "psychotherapy notes" and "information compiled in reasonable anticipation of, or for use in, a civil, criminal, or administrative action or proceeding from a covered entity, such as Wright Directions. See 45 CFR § 164.524(a)(1)(i)(ii). HIPAA defines psychotherapy notes as

ROA Page No. 0220

ELECTRONICALLY FILED - 2022 Apr 06 12:21 PM - JASPER - COMMON PLEAS - CASE#2022CP2700109

> *"notes recorded (in any medium) by a health care provider who is a mental health professional documenting or analyzing the contents of conversation during a private counseling session or a group, joint, or family counseling session and that are separated from the rest of the individual's medical record. Psychotherapy notes excludes medication prescription and monitoring, counseling session start and stop times, the modalities and frequencies of treatment furnished, results of clinical tests, and any summary of the following items: Diagnosis, functional status, the treatment plan, symptoms, prognosis, and progress to date."*

45 CFR § 164.501.

Moreover, the records requested are also subject to the confidentiality provisions under South Carolina law. See S.C. Code Ann. § 44-22-100(B)(2) (prohibiting the disclosure of records which is prohibited or regulated by federal law).

"Where the statute's language is plain and unambiguous, and conveys a clear and definite meaning, the rules of statutory interpretation are not needed and the court has no right to impose another meaning." Hodges v. Rainey, 341 S.C. 79, 85, 533 S.E.2d 578, 581 (2000). Accordingly, the unambiguous and plain language of the statutes referenced above prevent Plaintiffs from obtaining these privileged records from Wright Directions.

Assuming *arguendo* Plaintiffs are entitled to additional records, Wright Directions requests they be reviewed by the court *in camera* to determine whether or not they fall under the psychotherapy notes / counseling records exceptions. Further, in the event Wright Directions is required to produce additional records, Wright Directions requests the right to collect reasonable fees from Plaintiffs as allowed under 45 CFR § 164.524(b)(4); and S.C. Code Ann. §44-115-30.

Conclusion

Plaintiffs' Amended Complaint not only fails to state a cause of action for which relief can be granted, but it in no way entitles them to such a broad swath of records from Wright Directions. Plaintiffs are attempting to circumvent well-established procedure for obtaining records and should

ROA Page No. 0221

ELECTRONICALLY FILED - 2022 Apr 06 12:21 PM - JASPER - COMMON PLEAS - CASE#2022CP2700109

not be rewarded for this improper behavior. Plaintiffs have produced no evidence to establish that Wright Directions received copies of Plaintiffs' Authorizations prior to February 25, 2022. Despite the absence of a deadline to produce records, Wright Directions furnished its non-privileged records to Plaintiffs' counsel on March 10, 2022. To the extent one or more of the Plaintiffs are running up against a potential statute of limitations problem, this does not entitle these Plaintiffs to ignore well-established procedure governing the production of medical records.

WHEREFORE, Defendant Wright Directions Sub, LLC, improperly identified as "d/b/a Wright Directions Family Services" hereby requests this court DENY Plaintiffs' request for relief stated in their Motion to Show Cause and Expedited Hearing and to DISMISS Plaintiffs' Complaint for Specific Performance with prejudice.

Ms. Brown,

Progress notes are not in their physical medical chart. Progress notes are stored in our clinical documentation program Sharenote. In order to release those we would need to get a subpoena in order to get those records released.

ELECTRONICALLY FILED - 2022 Apr 27 1:37 PM - JASPER - COMMON PLEAS - CASE#2022CP2700109

STATE OF SOUTH CAROLINA COUNTY OF JASPER A.M.L., and J.J.L., by and through their Next of Friend, John Doe, R.D.M., by and through his Next of Friend, Jane Snow, J.J.G., and S.T.S., Plaintiffs, v. Wright Directions Sub, LLC d/b/a Wright Directions Family Services, LLC, Defendant.	IN THE COURT OF COMMON PLEAS OF THE FOURTEENTH JUDICIAL CIRCUIT **MOTION TO SHOW CAUSE AND FOR EMERGENCY HEARING**

The statute of limitations for S.T.S. and J.J.G. runs on May 10 and May 15, 2022, respectively. For over one year, WDFS has refused to turn over these children's records. Now, WDFS has turned over 4,716 pages of records pursuant to this Court's Order with about 80-90% of the information redacted. We ask the Court to move expeditiously.

The Plaintiffs ask the Court to issue an order on an emergency basis directing the Defendant to show cause, if any, as to why it should not be held in contempt. This motion is supported by the Affidavit of Roy Lubit, M.D., Ph.D. and Exhibits 1-3.

I. The Parties.

Plaintiffs A.M.L., J.J.L., R.D.M., J.J.G., and S.T.S. are minor children, who were starved and physically abused in an adoptive home in Beaufort County, South Carolina.

Defendant **Wright Directions Sub, LLC**, doing business as **Wright Direction Family Services, LLC** ("WDFS") is a limited liability company whose registered agent is Jawanda McNair and she is located at 77 Hazard Creek Village Drive, Unit C, Ridgeland, South Carolina 29936. WDFS is located in the County of Jasper in the State of South Carolina.

ELECTRONICALLY FILED - 2022 Apr 27 1:37 PM - JASPER - COMMON PLEAS - CASE#2022CP2700109

II. Request for Expedited Relief.

Both S.T.S and J.J.G. are over the age of eighteen, but they will turn nineteen on May 10 and 15, respectively. In order to timely file their claims, Dr. Lubit, an expert psychiatrist needs their records produced in an expeditious manner so that he may produce an affidavit to address any professional malpractice of the possible defendants. Both J.J.G. and S.T.S. are facing statute of limitations for their claims.

On April 12, 2022, this Court issued the following Order:

1. Defendant Wright Directions, LLC, shall deliver to the Plaintiffs' counsel any and all records within their possession or control that relate to the care of A.M.L., J.J.L., R.D.M., J.J.G., and S.T.S.
    a. This includes psychotherapy notes, including but not limited to the statements of the Children.
    b. Defendant Wright Directions, LLC may redact the impressions of the clinician(s).

Order (April 12, 2022). On April 22, 2022, Defendant Wright Directions produced 4,716 pages with the about 80-90% of the treatment records redacted.

Plaintiffs' counsel consulted with WDFS's counsel but never received a response. Exhibit 3.

III. Facts Relevant to This Motion.

WDFS owns, operates, manages, and oversees family services clinics and provides the counselors, employees, and care for many children in the low country of South Carolina. WDFS was responsible for ensuring operations at their Family Services Clinics provided safe and competent care to their minor clients/patients, including A.M.L., J.J.L., R.D.M., J.J.G., and S.T.S.

ROA Page No. 0229

ELECTRONICALLY FILED - 2022 Apr 27 1:37 PM - JASPER - COMMON PLEAS - CASE#2022CP2700109

WDFS maintains dominion and control of the records and documents relating to A.M.L., J.J.L., R.D.M., J.J.G., and S.T.S. and maintains control over those records and documents at this time.

On or about November 5, 2013, the Beaufort County School District referred A.M.L., J.J.L., R.D.M., J.J.G., and S.T.S. to WDFS because the children were stealing food, "…kids aren't being fed and wanted to have them weighed daily."[1]

WDFS provide social services and mental health services to these children related to "stealing food" and disruptive behaviors through 2015.[2] Reported behaviors included stealing food, asking for food, eating wasted food out of the garbage cans.[3]

Over the next eighteen months, WDFS provide family services to A.M.L., J.J.L., R.D.M., J.J.G., and S.T.S. weekly or multiple times a week and billed Medicaid under the diagnosis code of "child neglect – nutrition".[4]

The services provided by WDFS included counseling, social work, psychotherapy, skills training and development, diagnostic assessments, family stabilization services, treatment or case planning, multidisciplinary evaluations, and case management.

On January 19, 2022, counsel for Plaintiffs sent another authorization to WDFS for all of the records and other documentation for J.J.G.[13]

On February 25, 2022, counsel for Plaintiffs sent another authorization to WDFS for all of the records and other documentation for A.M.L., J.J.L., R.D.M., J.J.G., and S.T.S.[14]

On February 25, 2022, a paralegal for Plaintiffs' counsel called WDFS and the agency informed her that it will not produce records without a subpoena.[15]

Plaintiffs filed this action and asked the Court to issue an order requiring WDFS to produce the children's records. WDFS opposed the motion, asserting the records were exempt from release pursuant to HIPAA under the Psychotherapy notes exception.

The Court heard the motion on April 7, 2022 and issued a Form 4 Order on April 8, 2022. The Court issued a formal order on April 12, 2022. The order stated:

1. Defendant Wright Directions, LLC, shall deliver to the Plaintiffs' counsel any and all records within their possession or control that relate to the care of A.M.L., J.J.L., R.D.M., J.J.G., and S.T.S.
    a. This includes psychotherapy notes, including but not limited to the statements of the Children.
    b. Defendant Wright Directions, LLC may redact the impressions of the clinician(s).

On April 22, 2022, Defendant turned over 4,716 pages with the about 80-90% of the treatment records redacted. Plaintiffs have submitted only the first set of progress notes for each child as an example, instead of turning over all 4,716 pages turned over from WDFS. *See* Affidavit of Roy Lubit, M.D., Ph.D., Exhibit 1.

Assessment of Progress Towards Goal

Response: R.D.M. 's mom discussed Feb 16 family session with kids (she agreed), claiming doctor conflicts and would let me know. She accepted signed documents and did not acknowledge status of contacting child psychiatrist, whose referral information was written on paperwork. R.D.M. presented in several situations with peers, who were accusing him of taking pencil and food where he argued back in denial, saying that he put pencil back on desk. [redacted]. R.D.M. stopped pushing activity when he heard dialogue between MHP and peers, who were reporting R.D.M. not having friends...saying that he is mean. He laughed when friends complained about his behavior providing rationalization for his actions. R.D.M. resisted dialogue but for transition into community activity mother reported his positive attitude to attend church function.

Dear Ms. Morrison:

I have conducted a preliminary review of the notes, and to put it bluntly, this is not even close to a good faith redaction. The redactions of Purposes of Contact, Interventions, and Assessment towards progress goals cannot be considered, in good faith, to meet the exceptions that the Court allow.

Pursuant to Rule 11, SCRCP, I would ask that you immediately send copies where these sections are unredacted. For instance, how would Medicaid know to pay for these services if they did not have access to this information.

Please let me know when you will comply with the Court's order.

Sincerely,

Robert Butcher

STATE OF SOUTH CAROLINA COUNTY OF JASPER A.M.L., and J.J.L., by and through their Next of Friend, John Doe, R.D.M., by and through his Next of Friend, Jane Snow, J.J.G., and S.T.S., Plaintiffs, v. Wright Directions Sub, LLC d/b/a Wright Directions Family Services, LLC, Defendant.	IN THE COURT OF COMMON PLEAS OF THE FOURTEENTH JUDICIAL CIRCUIT **AFFIDAVIT OF ROY H. LUBIT, M.D., PH.D.**

Personally appeared before me, Roy H. Lubit, M.D., Ph.D., who, being duly sworn, deposes and says the following:

1. **I would ask the Court to note the urgency of this request, as two of the children, J.J.G. and S.T.S., are facing statute of limitations deadlines on May 10 and 15, 2022.**

2. I am a diplomate of the American Board of Psychiatry and Neurology and I am currently board certified in Child and Adolescent Psychiatry, board certified in Forensic Psychiatry and board certified in Psychiatry and Neurology. I have particular expertise in the evaluation and treatment of emotional trauma. I have published on how to properly do forensic evaluations of emotional trauma in children, as well as on various aspects of emotional trauma. Clients have included the DOJ, various municipalities, and DOJ/HHS (concerning the placement and psychotherapeutic treatment of children). I have consulted to children's protective services of NYC. I have been declared an expert in the courts of more than a dozen states, as well as various federal courts and military courts.

3. I am licensed to practice medicine in New York and California and I am certified by the National Board of Medical Examiners. My C.V. is attached. See, Exhibit 1.

4. I have been retained by the Foster Care Abuse Law Firm to review the records and services provided to A.M.L., J.J.L., R.D.M., J.J.G., and S.T.S. ("The Children") by Wright Directions Family Service, LLC, (WDFS), and its employees in order to determine if the agency or its employees breached any standards of care.

5. I have been involved in hundreds of cases in which I read the medical records including a number of cases concerning possible malpractice by physicians and therapists, and by organizations. It is standard, when reviewing materials, to see the entire mental health file of a patient, including the impressions of the clinicians, in order to assess whether treatment and interactions have been appropriate. At times identifying information of children is redacted. Seeing the impressions of clinicians is very important when assessing whether their actions are appropriate. It is important to assess whether the data supports the clinicians' impressions and whether the clinicians' treatment plan and actions are correct given the impressions.

6. The Court's April 12, 2022 Order, allowed WDFS to "redact the impressions of the clinician(s)." Order, *4 (April 12, 2022). I have reviewed the progress notes turned over by WDFS and it appears that very roughly 80% of the notes material have been redacted. It appears that far more than the impressions of staff are redacted. In note after note, the purpose of contact is redacted and most of the intervention is redacted. Given the amount of material redacted, and the material that remains, it appears that WDFS has redacted material that is central to assessing the appropriateness of the care provided by WDFS. Moreover, review of notes shows a marked dearth of important information, including attention to serious issues found in the medical records.

7. In order for me to conduct an appropriate expert review I need to have access to the records that are being withheld by WDFS. I cannot do assess the situation the way it should be assessed without seeing the records. that far more than the clinicians' "impressions" have been redacted.

8. Because the statute of limitations for J.J.G. and S.T.S. runs on May 15, and May 10, 2022, respectively, I would ask the Court to order Wright Directions Family Service, LLC to expedite the production of these records.

Defendant Wright Directions Sub, LLC, improperly identified as "d/b/a Wright Directions Family Services, LLC" ("Defendant" or "Wright Directions") respectfully moves the Court to order Plaintiffs to pay for Wright Directions' costs associated with producing Plaintiffs' records in compliance with the Court's April 12, 2022 Order and the Health Insurance Portability and Accountability Act of 1996 ("HIPAA").

For the following reasons, the Court should grant Defendant's motion and order Plaintiffs to pay $7,811.44 to Wright Directions for the total cost of the records within 14 days from the date the Court issues an order.

BACKGROUND

This action arises from the production of certain records that were withheld on the basis that they were psychotherapy records not subject to disclosure under HIPAA.

On or about February 25, 2022, prior to instituting this lawsuit, Plaintiffs faxed Wright Directions a request for records, which provided no deadline to respond. Less than two weeks later, on March 10, 2022, Wright Directions provided records to Plaintiffs through their counsel

ELECTRONICALLY FILED - 2022 Oct 26 11:46 AM - JASPER - COMMON PLEAS - CASE#2022CP2700109

via email. The records provided were non-privileged and/or not subject to the confidentiality provisions pursuant to HIPAA.

On March 3, 2022, Plaintiffs filed a Complaint seeking specific performance for the records and, on the same date, filed a Motion to Show Cause and Expedited Relief. Plaintiffs' motion was fully briefed by the parties, and the Court heard oral argument on April 7, 2022. During oral argument, the Court agreed that Wright Directions was entitled to recover the cost associated with the records:

> [DEFENSE COUNSEL]: There is a provision for us to be paid to compile these records under HIPAA.
>
> . . .
>
> THE COURT: . . . I think you're entitled to cost associated with that. This is a unique situation and so I'm not going to award any cost at this time, or attorney's fees, or anything else. But what I do say, you are entitled to your cost, but I don't want [Plaintiff's counsel] to have to wait. I want him to get the documents and then we'll do that. And the documents, if he's got a problem with the cost, then we'll take that up.

(Tr. of Apr. 7, 2022 Hr'g 25:23–27:6, attached as **Exhibit A**).

On April 8, 2022, the Court issued a Form 4 Order, which was substituted with a formal Order issued on April 12, 2022. In the Order, the Court granted in part and denied in part Plaintiffs' Motion, ordering, in pertinent part:

1. Defendant Wright Directions, LLC, shall deliver to the Plaintiffs' counsel any and all records within their possession or control that relate to the care of A.M.L., J.J.L., R.D.M., J.J.G., and S.T.S.

    a. This includes psychotherapy notes, including but not limited to the statements of the Children.

    b. Defendant Wright Directions, LLC may redact the impressions of the clinician(s).

2. These records must be delivered to the Children's counsel within fourteen (14) days of this Order.

ROA Page No. 0268

ELECTRONICALLY FILED - 2022 Oct 26 11:46 AM - JASPER - COMMON PLEAS - CASE#2022CP2700109

> 3. Defendant Wright Directions, LLC, may seek costs associated with these records as allowed under 45 C.F.R. § 164.524(c)(4), because time is of the essence, the records must be delivered to the Plaintiffs and a bill fort any cost is to accompany the records or may be billed separately after receipt of said records by the Plaintiffs. Should any issue arise concerning the cost in this matter, it can be brought before the Court but only after the records are delivered to Plaintiff.

(Apr. 12, 2022 Order at 4–5, attached as **Exhibit B**; see also Stevens Aff. ¶ 2, attached as **Exhibit C**).

On April 22, 2022, Wright Directions timely produced to Plaintiffs the records with the impressions of Wright Directions' clinicians redacted per the Court's Order, incurring $7,811.44 in costs. (Madden Aff. ¶¶ 3–4). Pursuant to the Order allowing Wright Directions to bill Plaintiffs for the costs associated with the records, Wright Directions submitted its invoice to Plaintiffs on May 5, 2022. (Stevens Aff. ¶¶ 5–6; see also Invoice, attached as **Exhibit D**). Plaintiffs refuse to reimburse Wright Directions for the costs. (See May 5, 2022 Correspondence from Pls.' Counsel, attached as **Exhibit E**).

ARGUMENT

A. Wright Directions is entitled to payment of the costs pursuant to the Court's Order and 45 C.F.R. § 164.524(c)(4).

Under 45 C.F.R. § 164.524(c)(4):

> If the individual requests a copy of the protected health information or agrees to a summary or explanation of such information, the covered entity may impose a reasonable, cost-based fee, provided that the fee includes only the cost of:
>
> (i) Labor for copying the protected health information requested by the individual, whether in paper or electronic form;
>
> (ii) Supplies for creating the paper copy or electronic media if the individual requests that the electronic copy be provided on portable media;
>
> (iii) Postage, when the individual has requested the copy, or the summary or explanation, be mailed; and

ELECTRONICALLY FILED - 2022 Oct 26 11:46 AM - JASPER - COMMON PLEAS - CASE#2022CP2700109

> (iv) Preparing an explanation or summary of the protected health information, if agreed to by the individual as required by paragraph (c)(2)(iii) of this section.

45 C.F.R. § 164.524(c)(4).

Here, Wright Directions seeks to recover its costs for the records pursuant to 45 C.F.R. § 164.524(c)(4)(i). To produce the records in compliance with the Court's Order, four Wright Directions employees each expended 56 hours in order to produce 4,576 pages of records, at a total labor cost of $7,811.44. (Stevens Aff. ¶ 3). Accordingly, Wright Directions is entitled to recover the $7,811.44 in costs from Plaintiffs.

B. Because 45 C.F.R. § 164.524(c)(4) and the Court's Order govern an award of costs here, the South Carolina Physicians' Patient Records Act does not apply to an award of costs.

In refusing to pay for Wright Directions' costs, Plaintiffs' counsel stated:

> We're not paying for bad faith redactions. We will pay the going rate set by state statute for medical records.

(May 5, 2022 Correspondence from Pls.' Counsel, Ex. E). It is unclear which South Carolina statute Plaintiffs believe governs an award of costs here. Nearly five months have elapsed since Plaintiffs have stated they will pay for the records, yet they have not done so or offered any legal basis or calculation for what the cost should be. Again, this Court has directed that the April 12 Order and 45 C.F.R. § 164.524(c)(4) govern here.

The South Carolina Physicians' Patient Records Act, S.C. Code §§ 44-115-10 through 44-115-160, (the "PPRA") provides that "[a] physician, or other owner of medical records as provided for in Section 44-115-130, may charge a fee for the search and duplication of a paper or electronic medical record," not exceeding the amounts set forth in § 44-115-80(A)(1)–(3). S.C. Code § 44-115-80(A) ("Fee physician may charge for search and duplication of records"). The PPRA further provides that "[w]hen a request for medical information involves more than making copies of

ELECTRONICALLY FILED - 2022 Oct 26 11:46 AM - JASPER - COMMON PLEAS - CASE#2022CP2700109

existing documents, a physician may charge reasonable fees, exclusive of those fees charged for copying the medical record, for providing this service." S.C. Code § 44-115-90. Thus, the PPRA allows for "physicians" or "other owners of medical records as provided for in Section 44-115-130" to charge the rates set by § 44-115-80 plus "reasonable fees," exclusive of the fees charged for copying, for providing a service that "involves more than making copies of existing documents[.]" S.C. Code §§ 44-115-80, 44-115-90.

Regardless, the Order does not cite to the PPRA. The Court should order Plaintiffs to pay for Wright Directions' costs as set forth by this Court's April 12 Order.

CONCLUSION

For the foregoing reasons, the Court should **GRANT** Defendant's motion and **ORDER** Plaintiffs to pay for the $7,811.44 total cost within 14 days from the date of the Court's Order.

Respectfully submitted,

Hall Booth Smith, P.C.

THE COURT: All right. This is A.M.L., J.J.L., by and through their Next of Friend, John Doe, R.D.M., by and through his Next of Friend, Jane Snow, and J.J.G. and S.T.S vs. Wright Directions Sub, d/b/a Wright Directions Family Services, LLC, and what's been filed looks like is a motion to show cause and for an expedited hearing. And it's case 2020-CP-27-00109. And so this is Mr. Butcher's motion?

MR. BUTCHER: Yes, sir.

THE COURT: Yes, sir, Mr. Butcher.

MR. BUTCHER: Yes, sir. My name is Robert Butcher. I'm an attorney from Camden. I'm representing five of six kids who were chronically abused and starved in the Bluffton community 2010 to 2016.

Overall, you know, it's just -- it's a pretty bad case. Nonetheless, there were a lot service providers and other folks in the community that failed these kids. And in our investigation, we've been trying to obtain records. All these kids were Medicaid patients and they received services from Wright Directions Family Services for about 18 months.

ELECTRONICALLY FILED - 2022 Oct 26 11:46 AM - JASPER - COMMON PLEAS - CASE#2022CP2700109

Now, apparently, I named the wrong company, but it's very difficult to figure out which company it is. But there is a motion to amend the complaint to fix the name, but I've got no word on whether that's set.

THE COURT: What's the correct name?

MR. BUTCHER: Wright Directions Family Services, comma, LLC.

THE COURT: All right. Okay.

MS. MORRISON: Wright Directions. It's in my brief. Don't care. It's not very important. Wright Directions, LLC.

THE COURT: Okay. Wright Directions, LLC.

Yes, sir. Go ahead.

MR. BUTCHER: All right. So I've been representing the foster kids and kids who have been abused in the system for about 16 years, and this is the first time any behavioral health company has ever refused to give me the records. Two of my kids, J.J.G. and S.T.S., those two boys are about to turn 19 on May 10th and May 8th. So, as you know, there's a statute of limitations coming. Because Wright Directions employed licensed professional counselors, I have an

ELECTRONICALLY FILED - 2022 Oct 26 11:46 AM - JASPER - COMMON PLEAS - CASE#2022CP2700109

affidavit requirement in order to sue this company. So, they're holding the ball, and I have to be able -- I have these records to be able to sue.

They've given me some records, and then they're claiming they have a whole bunch of other records that are under -- and I'll let them make their argument -- some type of psychological records exception to HIPAA.

And because I wasn't super sure on where all they were going to go with this, I also remember in law -- it's fairly lengthy, but I wanted to lay out that there was an actual need for these records and to show that there's (inaudible). But at the end, I talked about that all my kids were Medicaid beneficiaries and Wright Directions was signed up to accept Medicaid. And in part of that process, they have to have certain records available for Medicaid to inspect at any time. You know, it's unannounced or announced. And bottom line, a lot of these records, these clinical service notes, and these service notes that Wright Directions is holding back are part of those records.

So, you know, from whatever type of

ELECTRONICALLY FILED - 2022 Oct 26 11:46 AM - JASPER - COMMON PLEAS - CASE#2022CP2700109

psychological exception, I think, one, that they don't really have it, and, two, the court can -- if the court wants to put any restraint on the use of those records, or anything, we would certainly consent to that. But bottom line -- and I have a pediatrician -- or a pediatric psychiatrist who's waiting for me to hand him these records so he can decide whether or not that any standards of care were breached in this case.

So, overall, that's what we're here for, is to get my children's records for these five kids.

THE COURT: Okay.

MR. BUTCHER: And I know I filed a lengthy brief. I printed out a copy, if you're more of a paper person.

THE COURT: I've got a paper copy in front of me, sir.

MR. BUTCHER: Okay. All right, appreciate it.

THE COURT: Sure.

Yes, ma'am.

MS. MORRISON: Thank you, Your Honor. May it please the Court? My name is Liz Morrison. I practice with Hall Booth Smith in Mount

ELECTRONICALLY FILED - 2022 Oct 26 11:46 AM - JASPER - COMMON PLEAS - CASE#2022CP2700109

Pleasant, South Carolina, and I've been retained to represent Wright Directions in this matter.

There's two big issues here, but I want to make clear that we're here today for finality. I want to raise as the first point that, procedurally, I don't understand why we're here. He filed a motion for complaint for specific performance and a motion to show cause to get records. That's not how this works.

He served a medical authorization on Wright Directions. The correct party, so I don't know why he's saying he didn't know who the party was. And they can find and produce the records that are not protected under the HIPAA psychotherapy exception. As noted in his more then 1,000-page memo and brief, he has several records from Wright Directions. Those that are producible and come forward.

The law is very clear, HIPAA has a very strict and narrow exception of records that can never be -- they are not subject to production. Two reasons; one, these are not the records of the patients. These are counselor notes. And what HIPAA says is, psychotherapy notes can never produced to anyone. And those are defined by

ELECTRONICALLY FILED - 2022 Oct 26 11:46 AM - JASPER - COMMON PLEAS - CASE#2022CP2700109

HIPAA as, "Notes recorded (in any medium) by a health care provider who is a mental health professional documenting or analyzing the contents of conversation during a private counseling session or a group, joint, or family counseling session and they are separated from the rest of the individual's medical record."

Your Honor, those records are what we're talking about today. We cannot turn those records over. Everything else that's not part of this category have been turned over.

Separately, Mr. Butcher, has reached out and said he thinks that there are some additional records that don't fall under psychotherapy that are missing, and I've made inquiries. I think he might be right. And once I get those records, I'm happy to turn them over.

But all of the records that fall under this, which my client referred to as progress notes that I've have had a chance to review, they all under this exception.

So I have -- you know, again, procedurally, not the proper way to ask for these records. Regardless, even if he does do it the correct way, he can't get them.

ELECTRONICALLY FILED - 2022 Oct 26 11:46 AM - JASPER - COMMON PLEAS - CASE#2022CP2700109

I've recently argued this the family court in Georgetown County where Judge Holmes issued her findings where family court had subpoenaed a professional counselor for her records and the judge quashed it, that subpoena. I have a copy of the order, if you would like to see it. But, again, it's based on the principle that there is this exception in HIPAA where these records cannot be provided.

I see his reference to Medicaid, that doesn't trump it though. That doesn't give anyone the right to the psychotherapy record. So I think what he's talking about Medicaid requires, those records have already been turned over, Your Honor.

THE COURT: All right. What about the position that the psychotherapy records are prohibited from being produced by HIPAA?

MR. BUTCHER: They're not prohibited. They're -- it's -- they can claim a privilege -- my belief and understanding is that, if you can show need. We are evaluating whether or not there was malpractice. So, very much so, these records and what was told and said in these -- and what we're -- let me pull this. In order for these

ELECTRONICALLY FILED - 2022 Oct 26 11:46 AM - JASPER - COMMON PLEAS - CASE#2022CP2700109

companies to be paid by Medicaid, it's called rehabilitative behavioral health services. And there's a question as to whether it's really effective or if it's just Medicaid money to pay for baby-sitters.

But, nonetheless, every time they have contact with a child, they're supposed to use clinical notes, and these clinical notes are the privilege they use to get paid. So anytime Medicaid comes in, they show these notes to show what they talked about, what was said, and also to show progress. This is how the insurance company monitors that this patient is supposedly getting a good bang for their buck.

And in Exhibit 72 to the memorandum of law that I submitted -- and I've got a printed copy of that, if you want it. But, nonetheless, I produced the provider manual for Medicaid that lists all these things.

And so with a normal therapist, like, you know, social worker therapist where you go in and you sit on the couch and everything, they can keep a separate set of notes that can be for their reminder. If they did that, that's fine. But, bottom line, these Medicaid notes -- I mean, these

ELECTRONICALLY FILED - 2022 Oct 26 11:46 AM - JASPER - COMMON PLEAS - CASE#2022CP2700109

clinical notes and everything, there's no -- if they're showing them to an insurance company, then the privilege and confidentiality is gone for that.

So for that purpose, if they're required to do it by insurance, then everything they're required to do by the insurance company needs to comes to me and needs to be allowed for my doctor to look at.

So from that perspective, I believe that they can assert the privilege, but the privilege isn't there because it's -- it's been -- it's already been opened by Medicaid inspections and it's required by, you know, State law in the State Medicaid procedures. So that's my position with that, sir.

And I can tell you in -- I've sued most of the companies in this state, and I've never had a problem getting daily notes, weekly notes, monthly notes.

THE COURT: Have you ever had a problem getting psychotherapy notes?

MR. BUTCHER: No problem. Absolutely no problem.

And the other thing is, all these

ELECTRONICALLY FILED - 2022 Oct 26 11:46 AM - JASPER - COMMON PLEAS - CASE#2022CP2700109

documents were given to DSS, so we haven't -- well -- and we had a bunch of these documents from DSS. We just didn't -- we just don't have all of them to be able to do it. You know, the clinical -- the daily notes, those are important because that's -- and, as you saw in my brief -- or in the motion, they saw these kids over a hundred times each. And those daily notes from when they kids were being starved and beaten, those daily notes are very important in what was going on. Because we certainly know that one of the kids was a discloser, like, non-stop disclosing. He was regularly beaten for disclosing by the school -- or not by the school, but by his mother. And so those things are important for that.

So from our perspective, I think in the defendant's memorandum of law, they said, at a minimum, the first step, if you're inclined to do anything, take an in-camera review of these notes, and we're fine with that.

You know, but from our perspective, we have a physician who's ready to look at these documents, and I think it's important for him to be able to review them in order to determine breaches of standard of care. If it's any other

ELECTRONICALLY FILED - 2022 Oct 26 11:46 AM - JASPER - COMMON PLEAS - CASE#2022CP2700109

doctor, we can get x-rays and test results. We don't have that.

THE COURT: So, counsel, let me ask you this: Have you provided him everything that you contend that's he's entitled to under the rules? That's already been provided to him?

MS. MORRISON: Correct, Your Honor. I think there might be a few that he said we're missing, so I'm checking again with the provider. But, yes. I mean, the psychotherapy notes exception even says what it doesn't include, and it defines -- it's on page (sound inaudible). Psychotherapy notes excludes medication prescription and monitoring, counseling session start and stop times, the modalities and frequencies, results of clinical tests, any summary of the following items: Diagnosis, functional status, the treatment plan, things like that. We provided those summaries.

THE COURT: So let me just ask you this: So are you saying medication notes are not allowed to be disclosed to the patient?

MS. MORRISON: No, that is something that is. But, again, we don't have that. That's in HIPAA. That's an exception of what's not a

ELECTRONICALLY FILED - 2022 Oct 26 11:46 AM - JASPER - COMMON PLEAS - CASE#2022CP2700109

psychotherapy note.

THE COURT: Okay.

MS. MORRISON: To be perfectly clear, we don't have daily notes. That's not something that is being withheld. What are being withheld are psychotherapy notes.

THE COURT: Okay.

MS. MORRISON: So everything that's --

THE COURT: So what are psychotherapy notes?

MS. MORRISON: The things for when you are in a therapy session either with an individual or a family or a breakout session, and those are notes of what happened, and that is what HIPAA says can never be disclosed. I mean, it's in the red. It says, HIPAA prevents an individual from accessing psychotherapy notes. And then there's, you know, in terms of --

THE COURT: But I read that to mean like the solicitor can't go and try to get some psychotherapy notes to use in a criminal case against the poor schlub that had been abused and basically robbed somebody and they're trying to show X, Y, or Z.

In civil, I think of all the defense

ELECTRONICALLY FILED - 2022 Oct 26 11:46 AM - JASPER - COMMON PLEAS - CASE#2022CP2700109

lawyers -- which my son will soon be one. Okay? He's working at Clawson & Staubes starting in August. So he's going to go and send out one of 50 million record requests that I got when I practiced law that says, here's a copy of what we're sending to this doctor, or that doctor. I think that would be designed to stop him from being able to gain access to that.

But what you're saying is that the individual patient is prohibited from that.

What's the definition of "individual?" Surely the rule defines it.

MS. MORRISON: It does.

THE COURT: That's what I need. Where is it? Because see, that's actually very important.

MS. MORRISON: Okay.

THE COURT: Because everything is -- everything in these codes have got to have a definition. And so if "individual" is defined to include the patient, then, sir, I think you got a problem. But if "individual" is not defined, well, that's another matter.

MS. MORRISON: Your Honor, I agree with you a hundred percent. There is a difference from

ELECTRONICALLY FILED - 2022 Oct 26 11:46 AM - JASPER - COMMON PLEAS - CASE#2022CP2700109

what you're describing and what I have been seeing a lot lately in my practice, more in the family court arena where, in a divorce action, they want to call the psychiatrist or the psychologist as witness, and you can't do that. It's the same thing, even though the parents that want to see the children. That's what I just argued in front of Judge Holmes and she agreed.

THE COURT: Yeah, but --

MS. MORRISON: This is -- again, it's not -- they're not medical records. These are the notes of the psychiatrist or the licensed mental health professional. And the way the psychotherapy session -- I'll pull up individual, Your Honor. But it's 45-CFR part 164.501 has all the definitions for HIPAA.

It's 45-CFR 164. The person who is the subject of the protected information, is how it's defined.

THE COURT: You know, I always thought that HIPAA was designed to protect the other folks from getting at an individual's private records.

MS. MORRISON: It's certainly part of it, Your Honor.

THE COURT: And so now -- hold on. So

ELECTRONICALLY FILED - 2022 Oct 26 11:46 AM - JASPER - COMMON PLEAS - CASE#2022CP2700109

now what we're doing is, we're using HIPAA as a shield to prevent an individual from getting his or her own health records. They got to be health records because, otherwise, they wouldn't be protected by HIPAA. So their health -- it's preventing them from getting their own health records. Let's see. Hold on.

MS. MORRISON: I can point you to it, Your Honor. Again, this is what the statute says. It's 45-CFR 164.524. It starts, A(1), except as otherwise provided, a patient does have a right to access their record. That 4 in number 1 is psychotherapy notes. That's what the statute says.

And, again, I will readily admit this is a very odd situation to be in (inaudible), but that's what the statute reads.

THE COURT: Yes, sir.

MR. BUTCHER: Your Honor, in my brief, I did cite a case called Kalinoski vs. Evans, and it's out of District of Columbia. It's a federal court case. And in there, a plaintiff had a signed a waiver, a Medicaid waiver -- or I'm sorry, a HIPAA release. And the social worker therapist objected to the release of the

ELECTRONICALLY FILED - 2022 Oct 26 11:46 AM - JASPER - COMMON PLEAS - CASE#2022CP2700109

documents. And the court went on and justified and said, well, the plaintiff is claiming mental damages, so, of course, he's going to get the records. And then if you look at that case the court said, the social worker doesn't really have a standing to the release of the records. They're the plaintiff's records. So I'd ask you to look at that case, which is cited in my brief.

So from that perspective -- the other thing is, too, limit who can look at it. I mean, you could order that it goes from defense counsel to the expert and no one else. I mean, there are all sorts of ways to protect this information.

But the other thing is, the way that they -- this agency has brought in psychotherapy notes to basically include everything else that they don't want us to see.

Your Honor, these -- in the 100-and-something times they saw each of these kids over 18 months --

THE COURT: Hold on one second.

MR. BUTCHER: Okay.

THE COURT: Go ahead, sir.

MR. BUTCHER: Well, the notes they have to create, and apparently they can put it on a

ELECTRONICALLY FILED - 2022 Oct 26 11:46 AM - JASPER - COMMON PLEAS - CASE#2022CP2700109

database, those include, you know, what the children said, who was there, where they went, if they went anywhere, because sometimes they met at the school, and those are important -- those are extraordinarily important things.

You know, if their impressions -- if they want to delete their impressions, that's fine, redact their impressions. But factual information, that's my client's information. That's so important.

You got to remember, I have five kids. You said you have a son. Kids are not reliable historians. In fact, most of them are horrible. So, from that perspective, you know, it's much better if we have some contemporaneous notes for that.

So that's the only thing I wanted to add with these clinical notes that they're trying to put up with the whole swap.

I think the purpose of having the psychotherapy note privilege was for psychotherapist to be able to put their thoughts and feelings and impressions on things and protect that. And if they want to do that, that's perfectly fine. But everything else, date, time,

ELECTRONICALLY FILED - 2022 Oct 26 11:46 AM - JASPER - COMMON PLEAS - CASE#2022CP2700109

how long they met with the kids, what was said and done, I think that's my client's information.

THE COURT: All right. Hold on one second. All right. We'll be at ease for one minute.

(Off the record.)

THE COURT: Counsel, let me ask you: You made a statement about the psychotherapy notes being disclosed to DSS. I mean, have these psychotherapy notes been provided to DSS?

MS. MORRISON: Not that I'm aware of, Your Honor. I am aware that these children were removed from their home, and that, perhaps, one the counselors testified to that at trial.

I will say, I didn't solely review the 1,000 pages, but I saw a lot of Wright Directions's records in the file that appear to be what I understood had been provided. I didn't see anything that fell into these psychotherapy notes that I have reviewed.

THE COURT: All right. What I'm going to do is this: I have listened to the arguments. I've reviewed the memorandums and documents in support that were provided by both parties. What I'm going to basically order is this: Number 1, I

ELECTRONICALLY FILED - 2022 Oct 26 11:46 AM - JASPER - COMMON PLEAS - CASE#2022CP2700109

think there is a general rule under HIPAA that an individual is entitled to their records.

Number 2, I believe that there is a psychotherapy exemption that's one of the exclusions to the general rule. And so, to that -- with that having been said, what I will also say is that, Number 1, I cannot believe when a defendant is being sued that they can hide behind those notes and this record that it can't be disclosed and, basically, don't have to do it.

I mean, for all we know is these kids sat there and went off and reporting abuse after abuse after abuse that should have been mandatory reported. I can't believe that this individual, this health care professional, wouldn't have been somebody to mandatory report. But under the defense argument, we would never know because they wouldn't have to report anything. They could just sit back and do nothing, because those notes, as long as they're in the notes and they write that down in their impression, if they want to hide behind that, they can. He can't go after it. He can't go after it.

Well, appeal away. I mean, but you can't -- I mean, it's just -- I think when you're

ELECTRONICALLY FILED - 2022 Oct 26 11:46 AM - JASPER - COMMON PLEAS - CASE#2022CP2700109

being sued, you're hiding behind these documents. And I also think that when you look at what is included and excluded in the definition, psychotherapy notes are defined as, and it goes on and says, "Documenting or analyzing the contents of a conversation." I think that really what we're talking about here is analyzing. I understand it says "documenting." I don't know if that means documenting what the kids say or don't say. But if you look in what's excluded, the frequency of the treatment furnished, the results, the clinical tests, any summary of the following items; the diagnosis, the functional status, the treatment plan, the symptoms, the prognosis, and the progress to date, I think when you look at those items, you're also talking about the history -- the history that the patient would give is so intertwined in being able to come up with and arrive at a diagnosis, a functional status, the treatment plan, the symptoms, the prognosis, and the progress to date.

My position is that the history, which would include the statements of the children, would be something that I believe would be -- it's not going to be covered under this prohibition.

ELECTRONICALLY FILED - 2022 Oct 26 11:46 AM - JASPER - COMMON PLEAS - CASE#2022CP2700109

So what I'm going to rule is, I'm going to rule that the statements of the children, sir, as it relates to what they may have said in their psychotherapy sessions, that, you're entitled to.

As it relates to what the thought processes are -- so, for instance, you know, Miss Smith is beating me, okay, that would be disclosed.

As it relates to the psychotherapist's thought processes of what he or she thinks of that and things of that nature, I think that gets into what potentially could be protected. I'm going to prohibit that at this time from being disclosed.

Now, of course, I think what happens is, your expert could then take a look at whatever they need. And if there's another matter on another day as it relates to that -- but maybe that's going to give him or her the information she needs to formulate an opinion. I don't know. But I think it can be molded. I'm molding it. I'm shaping it. I'm limiting it in that scope.

So there impressions -- also group. Not what other kids said. Only what the kids 1 through 5 said. Now, if they said -- whatever the various initials.

ELECTRONICALLY FILED - 2022 Oct 26 11:46 AM - JASPER - COMMON PLEAS - CASE#2022CP2700109

Now, if they're in a group together and, you know, child 1 says X, and child 2 says Y, and child 3 says Z, then fine for each one, that can come in, but not the impressions of the therapist.

I think that's reasonable under these circumstances given the fact that the defendant is being sued. I think, at a minimum, that you're going to be entitled to that, sir. And so I would ask --

I'm assuming all these records are electronic?

MS. MORRISON: Yes, Your Honor. This is perfectly fine with me. The only thing I wanted to raise was that we have not been sued yet. This is some weird request for records.

THE COURT: Well --

MS. MORRISON: I just wanted to make that for the record that this is some weird procedural thing that I've never been involved in.

THE COURT: Well, the situation he's in is that his expert -- because the only other thing I was going to do is have him provide an affidavit. I'm not going to do this. He can provide an affidavit from his expert that says he needs these records to help formulate his

ELECTRONICALLY FILED - 2022 Oct 26 11:46 AM - JASPER - COMMON PLEAS - CASE#2022CP2700109

opinion.

MS. MORRISON: He already did that.

MR. BUTCHER: I did that, last night, actually, Your Honor.

THE COURT: Last night?

MR. BUTCHER: Yes.

THE COURT: What time? Was it after, like eight, nine o'clock, because, if it was, I was sleeping.

MR. BUTCHER: It may have been.

THE COURT: I can't -- you know, I should have known that through osmosis. Great minds thing alike.

MR. BUTCHER: Yes, sir.

THE COURT: You know, if he had an affidavit from the expert, then, again, I think that is additional information. I'm informed that he does and he's filed that and opposing counsel has seen that.

I understand the uniqueness of the situation because you haven't been sued. I understand that completely. But I also understand that there's requirements as it relates to having the affidavit and so forth before he can file suit.

ELECTRONICALLY FILED - 2022 Oct 26 11:46 AM - JASPER - COMMON PLEAS - CASE#2022CP2700109

So I guess what I'm asking is -- I'm going to order -- I'm going to order that he's entitled to the documents as I've outlined, and that you-all provide him those documents within 10 days. Can you get them in 10 days? Two weeks? Fourteen days.

MS. MORRISON: I'll try.

THE COURT: Fourteen days. They're electronic. There may be some redacting, I understand that, but, within 14 days, have them. Okay?

If they're not to him within 14 days, then all you got to do is get me back on the computer and contact my clerk and we're very accessible.

MR. BUTCHER: About filing suit, I understand. We have other cases besides this.

THE COURT: But I'm going to try to get them and have some timeframe. If she says, listen, it's going to 15 days. That's what I'm going to put in the order.

MS. MORRISON: Your Honor, can I press my luck? You can tell me no. There is provision for us to paid to compile these records under HIPAA.

THE COURT: And what I was going to say

ELECTRONICALLY FILED - 2022 Oct 26 11:46 AM - JASPER - COMMON PLEAS - CASE#2022CP2700109

is this -- I was getting ready to say that -- as it relates to costs, what I want to do is this, I want you to compile -- in other words, don't compile the cost, send it to him, get the money before you give him the records.

In other words, a lot of times, I'll request records from a doctor when I'm practicing, and then all of a sudden they'll send me back something to say they want $87, and then I got to send it to them, and then it goes to get processed, and then all of a sudden -- then I get the records three months later.

So what I want to do is, you-all keep up with your time, because HIPAA is going to say what it does. And what that statute says is going to govern it, in my opinion. So what you do is, you keep up with the time. But when you send those records, you send the bill.

And then, sir, if that bill is not appropriate or not correct or if there's a problem with it, then you-all let me know and we'll go back and we'll visit that. Okay?

But, absolutely, I think you're entitled to cost associated with that. This is a unique situation and so I'm not going to award any cost

ELECTRONICALLY FILED - 2022 Oct 26 11:46 AM - JASPER - COMMON PLEAS - CASE#2022CP2700109

at this time, or any attorney's fees, or anything else. But what I do say, you are entitled to your cost, but I don't want him to have to wait. I want him to get the documents and then we'll do that. And the documents, if he's got a problem with the cost, then we'll take that up.

All right. So I'll tell you what, you-all probably need an official order for this more than just a form 4. Okay? How about prepare an order, get a copy of it to her ASAP, and then I'll look at it and sign it.

Do you want to prepare something brief?

She'll do a form 4 today. She'll send it to you, sir. You-all will have it. She'll have that done today. She's like a wizard. Okay? And so then you can use that to craft a more formal order for everybody. Is that satisfactory from the plaintiff?

MR. BUTCHER: Yes, sir.

THE COURT: From the defense?

MS. MORRISON: Yes. Just to confirm that this will fully resolve that action, correct? He can file a complaint, there's this motion, but --

THE COURT: What it's going to fully resolve is, it's going to fully resolve the record issue as it presently exists. And I guess what

ELECTRONICALLY FILED - 2022 Oct 26 11:46 AM - JASPER - COMMON PLEAS - CASE#2022CP2700109

I'm saying is, you know, if this case gets filed and some other judge hears this matter because they think they need to get at the psychotherapy notes because there's some special extra super exception, things of this nature, I mean, I don't think my ruling a necessarily binding on down the road.

But for right now, I don't see why we need to get into anything other than what my order is reflecting. Does that answer your question?

MS. MORRISON: Yes, Your Honor.

THE COURT: You sure?

MS. MORRISON: Yes, sir.

THE COURT: All right, sir?

MR. BUTCHER: That's fine, sir.

THE COURT: All right. Great. Thank you-all.

(Hearing concluded.)

STATE OF SOUTH CAROLINA COUNTY OF JASPER A.M.L., and J.J.L., by and through their Next of Friend, John Doe, R.D.M., by and through his Next of Friend, Jane Snow, J.J.G., and S.T.S., Plaintiffs, v. Wright Directions Sub, LLC d/b/a Wright Directions Family Services, LLC, Defendant.	IN THE COURT OF COMMON PLEAS OF THE FOURTEENTH JUDICIAL CIRCUIT C/A No. 2022-CP-27-00109 **ORDER**

I. Introduction

Plaintiffs A.M.L., J.J.L., R.D.M., J.J.G., and S.T.S.[1] (collectively the "Children") are five children of a group of six who were chronically abused and starved by their adoptive parents from 2010 through 2016 while living in Bluffton, South Carolina. . The Children sent records requests to service providers, educators, and medical providers, including Defendant, Wright Directions, LLC, improperly identified as Wright Directions Sub, LLC.

Without going into each transaction and communication between the Children and Wright Directions, LLC, in short, Wright Directions, LLC turned over some of the Children's records and withheld some records asserting the "psychotherapy notes" exclusion of HIPAA[2]. *See* 45 C.F.R. § 164.524(a)(1)(i)(ii).

[1] While J.J.G. and S.T.S. are both over the age of 18, the Children claim that the identification of the older children would also identify the younger children. The Children also claim that they have been threatened by the abusers' family and seek to proceed under pseudonyms to protect all of the Children. .

This suit was filed by the Children to obtain the records withheld by Wright Directions LLC.

II. Procedural History.

On March 9, 2022, the Children filed this action along with a Motion to Show Cause with attached exhibits. The Children filed an amended complaint on March 10, 2022. Counsel for Defendant filed a Notice of Appearance on March 16, 2022, and

Defendant filed its Answer to Plaintiffs' Amended Complaint on April 6, 2022.

The Children filed a Notice of Hearing and certificate of service on March 16, 2022. On April 1, 2022, the Children filed Plaintiff's Memorandum of Law in Support of Their Motion to Show Cause, along with numerous exhibits. They supplemented their filing with the Affidavit of Roy Lubit, M.D., Ph.D. on April 6, 2022 and the Affidavit of Jane Doe on April 7, 2022.

On April 6, 2022, Defendant filed its Memorandum in Opposition to Plaintiff's Motion to Show Cause and Expedited Hearing along with an exhibit.

III. Discussion.

The Court has read and reviewed the Parties' submissions. On April 7, 2022, the Court heard arguments by the Parties.

This order does not address whether or not Wright Directions, LLC has committed any wrongdoing. Furthermore, this order should not be construed to have any bearing on any future discovery dispute between the parties in any follow-on litigation as it relates to these records.

Wright Directions, LLC has received properly executed medical releases from each of the five Children. The Court also notes that Dr. Lubit, an expert witness for the Children, has submitted an affidavit stating that he needs to review each child's entire file. Affidavit of Roy Lubit, M.D., Ph.D. (April 6, 2022).

ELECTRONICALLY FILED - 2022 Oct 26 11:46 AM - JASPER - COMMON PLEAS - CASE#2022CP2700109

Getting to the heart of the matter, the Children's request for complete copies of their files is countered by Wright Directions, LLC's assertion the withheld records are protected under HIPAA's "exceptions for psychotherapy records and/or counseling records". Wright Directions, LLC has directed the Court's attention to 45 C.F.R. § 164.524(a)(1)(i)(ii), which defines psychotherapy notes as:

> Psychotherapy notes means notes recorded (in any medium) by a health care provider who is a mental health professional documenting or analyzing the contents of conversation during a private counseling session or a group, joint, or family counseling session and that are separated from the rest of the individual's medical record. Psychotherapy notes excludes medication prescription and monitoring, counseling session start and stop times, the modalities and frequencies of treatment furnished, results of clinical tests, and any summary of the following items: Diagnosis, functional status, the treatment plan, symptoms, prognosis, and progress to date.

45 C.F.R. § 164.524(a)(1)(i)(ii).

The Court reviewed 45 C.F.R. §164.524, which states:

> (a) Standard: Access to protected health information. (1) Right of access. Except as otherwise provided in paragraph (a)(2) or (a)(3) of this section, an individual has a right of access to inspect and obtain a copy of protected health information about the individual in a designated record set, for as long as the protected health information is maintained in the designated record set, except for:
>
> (i) Psychotherapy notes…

45 C.F.R. §164.524.

An "individual" is defined as "the person who is the subject of the protected health information." 45 C.F.R. § 160.103.

The Court finds that Patients are entitled to their medical records under HIPAA but an exception exists for "Psychotherapy notes." 45 C.F.R. § 164.524(a)(1)(i)(ii), However, this exception does not shield mental health service providers from scrutiny in an investigation. If a provider can use any or all records, to include "Psychotherapy notes", to defend itself, the same regulation cannot also shield it from scrutiny.

ELECTRONICALLY FILED - 2022 Oct 26 11:46 AM - JASPER - COMMON PLEAS - CASE#2022CP2700109

But this does not mean the Court will defenestrate the "Psychotherapy notes" exception. It is reasonable that mental health providers' notes should allow some privacy in regard to the mental impressions of their clinicians.

If any of the disputed records contain a mix of objective information related to the Children and "Psychotherapy notes", or a clinician's mental impressions, it is the Court's belief that such mental impressions can be redacted before the records are turned over to the Children's counsel.

In order to fashion an equitable remedy that protects the "Psychotherapy notes" exception and, at the same time, allows the Children and their expert to conduct a diligent investigation, the Court **GRANTS IN PART** and **DENIES IN PART** the Children's Motion and states:

1. Defendant Wright Directions, LLC, shall deliver to the Plaintiffs' counsel any and all records within their possession or control that relate to the care of A.M.L., J.J.L., R.D.M., J.J.G., and S.T.S.
    a. This includes psychotherapy notes, including but not limited to the statements of the Children.
    b. Defendant Wright Directions, LLC may redact the impressions of the clinician(s).
2. These records must be delivered to the Children's counsel within fourteen (14) days of this Order.
3. Defendant Wright Directions, LLC, may seek costs associated with these records as allowed under 45 C.F.R. § 164.524(c)(4), because time is of the essence, the records must be delivered to the Plaintiffs and a bill for any cost is to accompany the records or may be billed separately after receipt of said records by the Plaintiffs. Should any

issue arise concerning the cost in this matter, it can be brought before the Court but only after the records are delivered to Plaintiff.

PERSONALLY APPEARED before me, Ronda Stevens, who being duly sworn, deposes and says:

1. I, Ronda Stevens, MHP, Ph.D, am the Chief Executive Officer of Wright Directions Family Services. I submit this affidavit in support of Wright Directions' Motion for Costs, and I know the facts stated in this affidavit are true or believe the facts to be true, based upon information and belief after a reasonable inquiry.

2. On April 12, 2022, the Court issued an Order, ordering Wright Directions to deliver to Plaintiffs' counsel any and all records within Wright Directions' possession or control that relate to the care of A.M.L., J.J.L., R.D.M., J.J.G., and S.T.S., including psychotherapy notes with the impressions of Wright Directions' clinicians redacted within 14 days of the Order.

3. To comply with the Court's Order, four Wright Directions employees were directed to compile, review, and redact 4,576 pages of records, which they did, pursuant to the Court's Order, at a total cost of $7,811.44. The employees' hourly rates and the amount of time they expended are as follows:

ELECTRONICALLY FILED - 2022 Oct 26 11:46 AM - JASPER - COMMON PLEAS - CASE#2022CP2700109

Employee C.W. – Hourly Rate $28.85 x 56 hours	$1,615.60

4. On April 22, 2022, Wright Directions timely produced to Plaintiffs the records with the impressions of Wright Directions' clinicians redacted per the Court's Order.

5. The Order allows Wright Directions to seek costs associated with these records as allowed under 45 C.F.R. § 164.524(c)(4) by billing Plaintiffs for the costs.

6. On May 5, 2022, Wright Directions submitted its invoice for production of the records to Plaintiffs, which Plaintiffs outright refuse to pay. The invoice originally sent contains a calculation error that erroneously totaled the cost as $7,826.21; the correct total cost is $7,811.44.

7. Accordingly, Wright Directions seeks a court order to recover from Plaintiffs the $7,811.44 cost for producing the records.

Wright Directions Sub, LLC d/b/a Wright Directions Family Services, LLC, Defendant.	IN THE COURT OF COMMON PLEAS OF THE FOURTEENTH JUDICIAL CIRCUIT C/A No. 2022-CP-27-00109 **MOTION FOR CONTINUANCE**

Plaintiffs have consulted with opposing counsel, and she objects to this motion for a continuance. Exhibit 1, Email from Opposing Counsel. Plaintiffs' counsel Robert Butcher is under the influence of prescribed narcotics and ask the court's indulgence for any errors.

From later October/early November through the second week of December, Robert Butcher has been sick with various illness brought home by his lovely grandchildren from th3eir daycare. In the second week of December, Robert Butcher went to the hospital with chest pains. The doctor diagnosed Robert Butcher with bronchitis and prescribed a second round of steroids and a stronger antibiotic than what he had been prescribed a few weeks earlier. The hearing for this motion was continued during the December term of Court.

On December 17, 2022, while visiting Robert Butcher in-laws, Robert Butcher fell down half a flight of stairs. Robert Butcher went to McLeod Manning Hospital and pain killers and muscle relzxers were prescribed. Exhibit 2, McLeod Documents. Robert Butcher went for a followup on December 23, 2022 at Lowcountry Urgent Care and was given a return to work on

December 30, 2022 and another prescription for pain killers and muscle relaxers. Exhibit 3, McLeod Documents.

Currently, Robert Butcher is still in severe pain and is still taking the pain killers and muscle relaxers prescribed for him.

Since the accident, Robert Butcher's wife and law partner, Deborah Butcher, has spent most of her time assisting me with feeding, bathing, and toileting.

Neither Robert Butcher nor Deborah Butcher have had the opportunity to prepare for this motion, as Robert Butcher has essentially been out of the office for most of November and almost all of December and remains out of the office.

In addition, Deborah Butcher is scheduled to attend a pre-merits hearing on January 4, 2023 at 11:00 p.m. in the matter of *SCDSS v. Gainey*, 2022-DR-28-00687. Exhibit 4.

The Defendants argue that Deborah Butcher should appear and argue the case. This is not her case and she has not had the time to go through he 4000+ pages involved in this motion.

I cannot sit in a car for the 2.5 to 3 hours to travel to Jasper because of the injury to my back. I cannot stop taking the pain killers, which I would need to do to have a clear head to prepare and argue this motion.

These injuries have been frightening for bothe Debbie and me and nothing has been done workwise since my fall. It is painful to cough, sneeze, or laugh and on some occasions, my back muscles will spasm continuously and I can only hope the pain stops soon.

At this time, I cannot drive and I should not be practicing law while under the influence. In addition, everything should not be thrown upon my law partner simply because I am sick.

If opposing counsel had contacted me with similar circumstances, or even less dire, I would have consented. Illness or injury to counsel shold not be looked upon as an opportunity for advantage by opposing counsel.

I respectfully ask for a continuance and ask that this motion be continued. I am supposed to go on vacation from February 1, through 15m and I would ask that the motion be continued until after February 15, 2023.

Respectfully Submitted,

Robert, sorry to hear about your situation and wishing you a speedy recovery. As I recall, Deborah is an attorney of record and previously argued a motion in this case. Without there being an firmwide Order of Protection for this case or an understanding as to why Deborah is unable to appear, I am unable to consent to a continuance of next week's hearing.

Dear Ms. Morrison:

On December 17, 2022, I fell down half a flight of stairs. I have been stuck in bed since that time. I am currently on pain killers and muscle relaxers. I can only spend a short period of time standing or sitting up. I have not had time to prepare for court next week. I also do not believe I can travel to Jasper County for Court next week.

With my latest injury, I have either been sick or injured and out of work since late October/early November.

Would you please consent to a continuance next week for the hearing?

Sincerely,

Robert Butcher

STATE OF SOUTH CAROLINA COUNTY OF JASPER A.M.L., and J.J.L., by and through their Next of Friend, John Doe, R.D.M., by and through his Next of Friend, Jane Snow, J.J.G., and S.T.S., Plaintiffs, v. Wright Directions Sub, LLC d/b/a Wright Directions Family Services, LLC, Defendant.	IN THE COURT OF COMMON PLEAS OF THE FOURTEENTH JUDICIAL CIRCUIT C/A No. 2022-CP-27-00109 **PLAINTIFFS' AMENDED RESPONSE TO MOTION FOR COSTS**

In December 2022, Plaintiffs' counsel filed the initial response while recovering from injuries sustained from falling down the stairs at his in-laws. Due to the injuries, Counsel was under the influence of narcotics at the time when he drafted the response. Since then, Plaintiffs have retained a reading expert to demonstrate to the Court that the Defendant's motion should be denied and that the Defendant should be sanctioned for submitting a fraudulent affidavit and bill of costs.

Plaintiffs have filed the following documents in support of this Amended Response to the Defendants' Motion for Costs:

Exhibit 1, Expert Report of Evan T. Ortlieb, Ph.D. (February 27, 2023).
Exhibit 2, SCDHHS Medicaid Fraud Documents.

Exhibit 18, Beaufort County School District Calendar.

I. The numbers.

In this matter, four individuals with college and post-college education claimed they collectively reviewed 4,576 pages of materials over a 56-hour period. In total, four college educated adults claimed they spent 224 hours reading and marking 4,576 pages. 224 hours x 60 minutes = 13,440 total minutes. This required that each person spent 2.93 minutes per page (13,440 total minutes/4,576 pages = 2.9370 minutes per page). 2.94 minutes is converted to +/- 172 seconds.

II. The coincidence that all four WDFS employees worked 56 hours raises questions of fraudulent billing.

DESCRIPTION	AMOUNT
Employee K.S. – Hourly Rate $50.48 x 56 hours	$2,826.88
Employee B.H. – Hourly Rate $31.58 x 56 hours	$1,768.48
Employee A.A. – Hourly Rate $28.58 x 56 hours	$1,600.48
Employee C.W. – Hourly Rate $28.85 x 56 hours	$1,615.60

Above is a chart contained in Ronda Stevens' perjured affidavit showing her claim that Defendants' employees spent 224 hours reviewing 4,576 pages.

The fact that four employees spent 56 hours each in reviewing 4,576 pages is dubious, at best. *Rodriguez v. D.M. Camp & Sons*, 2012 U.S. Dist. LEXIS 174132, fn. 7 (E.D.Cal.

ELECTRONICALLY FILED - 2023 Mar 03 3:15 PM - JASPER - COMMON PLEAS - CASE#2022CP2700109

December 6, 2012) (The Court finds dubious that each class representative spent the exact same number of hours on the exact same tasks).

III. The Defendants did not even read 4,576 pages, part 1.

For the Court's review, Plaintiffs submit redacted copies of the 4,576 page of documents the Defendant claims they reviewed over 224 hours. They are submitted in the same fashion the Defendant sent them to Plaintiffs' counsel, but with redactions of the Children's personal information and the addition of Bates Stamp Numbers:

Exhibit 3 – A.M.L. Part A
Exhibit 4 – A.M.L. Part B
Exhibit 5 – J.J.G. Part A
Exhibit 6 – J.J.G. Part B
Exhibit 7 – J.J.G. Part A pt 2
Exhibit 8 – J.J.L. Part A
Exhibit 9 – J.J.L. Part B
Exhibit 10 – R.D.M. A
Exhibit 11 – R.D.M. B pt 2
Exhibit 12 – R.D.M. B
Exhibit 13 – S.T.S

The Court should note that 27.36% of the documents were essentially blank pages, containing little to no data that required reading - (1) next appointment date, (2) signature block and/or (3) a blank page. Specifically:

Exhibit Number	Total Pages	Blank Pages	Percentage Blank Pages
Exhibit 3	300	125[i]	41.6%
Exhibit 4	251	49[ii]	19.5%
Exhibit 5	500	224[iii]	44.8%
Exhibit 6	976	73[iv]	7.5%
Exhibit 7	60	27[v]	45%
Exhibit 8	272	74[vi]	27.2%
Exhibit 9	300	138[vii]	46%
Exhibit 10	533	199[viii]	37.3%
Exhibit 11	302	89[ix]	29.5%
Exhibit 12	914	157[x]	17.2%
Exhibit 13	308	97[xi]	31.5%
TOTAL:	**4,576**	**1,252**	**27.36%**

ELECTRONICALLY FILED - 2023 Mar 03 3:15 PM - JASPER - COMMON PLEAS - CASE#2022CP2700109

So, starting out, we know that ¼ of the materials reviewed were essentially blank pages. *See also*, Exhibit 1, *2, Expert Report of Evan T. Ortlieb, Ph.D. (February 27, 2023) (It should be noted that some pages are either blank or may contain just a signature for instance; these pages are estimated to be upwards of ¼ of the total documents reviewed.)

IV. The Defendants did not even read 4,576 pages, part 2.

1/3 of the first page of each progress report contains demographic data for each child, to include birthdate, health insurance number, the name and address of the Defendant company, the type of service allegedly provided, and the date and time the service was provided.

After 2016, another portion of the first page is dedicated to each child's DSM mental health diagnosis. For J.J.G., the DSM diagnosis is about 1 ½ inches. *See*, Exhibit 6 - Plaintiffs' Bates No. 024876-025851 - Javair Part B.pdf. It is unknown if the diagnosis portion is autofilled by the software or if it is cut and pasted by the service provider.

Similarly, another 1/3 to ½ page is taken up with an exact, verbatim copy of a child's therapy goal that is copied from the child's Plan of Care. It is the first box, labeled "Purpose of Contact". It is unknown if the goal is autofilled by the software or if it is cut and pasted by the service provider.

For instance, on the first page of Exhibit 11 – R.D.M. B pt 2, the "Purpose of Contact" for R.D.M. is listed as:

> 1) Individual Therapy (Goal 1)
>
> Goal: R.D.M. will decrease verbal aggression at the Group Home; 1. R.D.M.will express his feelings regarding his experiences in the past; 2. Discuss with clinician awareness and insight into his angry thoughts and feelings; 3. Learn alternative ways of expressing his anger, increase respectful communication by understanding his angry feelings/ and work towards letting go of the past; 4. R.D.M.will talk with counselor about his anger from the past; Learn that adults can be trusted, caring people, who will be kind and thoughtful. 5.

Exhibit 16, J.J.G.'s Plan of Care (November 5, 2013)

> In sum, ¼ to 1/3 of the first page of each report was a copy of the child's treatment plan.

This particular item required no reading as it was not subjective or interpretive.

V. If Defendant's employees were college level readers, it is not possible that they took 224 hours to read and mark 4,576 pages of materials.

> Plaintiffs' expert, Evan T. Ortlieb, Ph.D., opined:
>
> [I]t is my opinion that it would not take 13,440 minutes to read and mark 4,576 pages associated with patient files. The billed rate of2.93 minutes per page appears to be excessive, especially when considering: 1) standardized templates were utilized to document patient information and signature fields on approximately 1/3 of most pages; 2) the remaining text on approximately 2/3 of the page within the "Purpose of Contact," "Intervention/ Activity," "Assessment of Progress Towards Goal," and "Client Progress" sections is notably less than a typical document containing approximately 250 words of printed text. ***It is estimated that it should take an average college-educated individual between 60-90 seconds to read and mark substantive pages in this file.*** It should be noted that some pages are either blank or may contain just a signature for instance; these pages are estimated to be upwards of ¼ of the total documents reviewed.
> …
> ***The 2.937 minutes per page average grossly exceeds the norms of 300 words per minute that experts report to be customary reading rates for college educated individuals.*** Moreover, the amount of text on approximately ¼ of the pages that includes only nominal information such as a signature section drastically reduces the average reading and marking rate per page. In conclusion, I believe Mr. Butcher is justified in his concerns regarding the billed amount for the services provided, and that a recalculation is

> appropriate at a amount commensurate with national norms for reading rates of college educated individuals.

Exhibit 1, Expert Report of Evan T. Ortlieb, Ph.D. (February 27, 2023) (Emphasis added)(Citing Brysbaert, M. (2019). How many words do we read per minute? A review and meta-analysis of reading rate. *Journal of Memory and Language*, 109, 1-30.).

VI. Defendant provided no evidence to justify the rates at which it billed for its employees.

The Defendants have failed to provide any evidence which would justify the rates at which it wishes to charge the Plaintiff for the medical records. As shown in the screenshot above and in Defendant's Exhibit C, Affidavit of Ronda Stevens, the Defendants lists employee K.S.'s rate as $50.48 per hour, employee B.H. as $31.58 per hour, employee A.A. as $28.58 per hour, and employee C.W. as $28.58 per hour. The Defendant failed to provide why each employee's rate was justified and why another employee could have performed the same work at a lower rate.

42 USC §17935 (e)(2) and 45 CFR §164.524(c)(4) limit the cost of obtaining the records to the actual labor cost for reproducing them in the requested electronic format, the actual cost of the portable media (in this case, CD), and postage. *See NewSouth Neurospine, LLC v. Hamilton*, 283 So. 3d 1092 (Miss. 2019) (NewSouth presented no evidence that $185.65 constituted actual costs of paper, supplies, labor, and postage. 45 C.F.R. § 164.524(c)(4)(i)-(iii). Nor did it show that it had charged $185.65 with reference to a fee schedule based on the average cost of fulfilling a standard medical records request.).

The Defendant has failed to show why it has attempted to charge the rates it has charged and why a employees who worked at cheaper rates were not available to redact the documents.

VII. Defendant's submission is rife with fraud, there is no justification for the amount or rates of billing.

Defendant's motion should be denied pursuant to Rule 11, SCRCP, for submitting a fraudulent billing to the Court. The relevant part of Rule 11, SCRCP, state:

> (a) Signature. Every pleading, motion or other paper of a party represented by an attorney shall be signed in his individual name by at least one attorney of record who is admitted to practice law in South Carolina, and whose address and telephone number shall be stated. A party who is not represented by an attorney shall sign his pleading, motion or other paper and state his address. Except when otherwise specifically provided by rule or statute, pleadings need not be verified or accompanied by affidavit. The written or electronic signature of an attorney or party constitutes a certificate by him that he has read the pleading, motion or other paper; that to the best of his knowledge, information and belief there is good ground to support it; and that it is not interposed for delay.
>
> > All motions filed shall contain an affirmation that the movant's counsel prior to filing the motion has communicated, orally or in writing, with opposing counsel and has attempted in good faith to resolve the matter contained in the motion, unless the movant's counsel certifies that consultation would serve no useful purpose, or could not be timely held. There is no duty of consultation on motions to dismiss, for summary judgment, for new trial, or judgment NOV, or on motions in Family Court for temporary relief pursuant to Family Court Rule 21, or in real estate foreclosure cases, or with pro se litigants.
> >
> > If a pleading, motion or other paper is not signed or does not comply with this Rule, it shall be stricken unless it is signed promptly after the omission is called to the attention of the pleader or movant. If a pleading, motion, or other paper is signed in violation of this Rule, the court, upon motion or upon its own initiative, may impose upon the person who signed it, a represented party, or both, an appropriate sanction, which may include an order to pay to the other party or parties the amount of the reasonable expenses incurred because of the filing of the pleading, motion or other paper, including a reasonable attorney's fee.

Rule 11, SCRCP, Signing of Pleadings; Attorneys.

The rule also permits the court to impose sanctions for violations including the costs and attorney's fees incurred as the result of the improper action. Rule 11 does not contain a specific time limit for seeking sanctions. *Pee Dee Health Care, PA v. Estate of Thompson*, 424 S.C. 520, 818 S.E.2d 758 (2018).

The signature represents that: (1) the signer has read the pleading; (2) to the best of the signer's knowledge, information, and belief there are good grounds to support it; and, (3) it is not interposed for delay. The core of the certification requirement of Rule 11 is the pleader's representation that to the best of the signer's knowledge, information, and belief there is good ground to support the pleading or motion. A lawyer knowingly filing a frivolous pleading may be sanctioned. *Ex parte Bon Secours-St. Francis Xavier Hosp. Inc.*, 393 S.C. 590, 713 S.E.2d 624 (2011) (upholding sanctions on remand for second removal of case to federal court when no good grounds for doing so and done for delay, but limiting sanctions to costs and fees incurred by opposing party for improper removal and barring sanctions for costs incurred by judiciary for lost trial time and expenses of summoning and administering jury panel); *Wade v. State*, 348 S.C. 255, 559 S.E.2d 843 (2002).

There is a duty to investigate before litigating. La*wson v. Sumter County Sheriff's Office*, 339 S.C. 133, 140, 528 S.E.2d 86, 90 (Ct. App. 2000). *Cf.* Rule 3.1, SCRPC, Rule 407, SCACR, Comment [2] ("What is required of lawyers...is that they inform themselves about the facts of their clients' cases and the applicable law and determine that they can make good faith arguments in support of their clients' positions.").

"In preparing a motion an attorney has a duty of acting in good faith, and may be disciplined for violation of the duty." *Johnson v. Dailey*, 318 S.C. 318, 457 S.E.2d 613, 616 (1995). Similarly, sanctions can be imposed for filing a pleading or motion for an improper purpose, whether or not there are good grounds to support it. *Runyon v. Wright*, 322 S.C. 15, 471 S.E.2d 160 (1996). The Supreme Court stated in dicta that a party may be sanctioned for making frivolous arguments. *Link v. School Dist. of Pickens County*, 302 S.C. 1, 393 S.E.2d 176 (1990).

Filing a false affidavit also merits sanctions under the rule. *Russell v. Wachovia Bank*, N.A., 370 S.C. 5, 633 S.E.2d 722 (2006).

Rule 11 authorizes sanctions for its violation. The offending pleading or motion can be stricken, or the court may impose a sanction including an order to pay to the other party or parties the reasonable expenses incurred because of the filing of the pleading, motion, or other paper, including a reasonable attorney's fee. *Insurance Co. of No. Am. v. Hyatt*, 290 S.C. 159, 348 S.E.2d 532 (Ct. App. 1986) (motion to strike a pleading as sham under prior law, now found in Rule 11). The sanction can be imposed on the attorney, the client, or both. The attorney has a duty of good faith in preparing a motion and may be sanctioned for a violation. The decision of the trial judge is within the judge's discretion and will be reversed only for an abuse of that discretion. *Johnson v. Dailey*, 318 S.C. 318, 457 S.E.2d 613 (1995).

The decision of whether to award attorney's fees pursuant to S.C. R. Civ. P. 11 or the South Carolina Frivolous Civil Proceedings Sanctions Act is treated as one in equity. *Pee Dee Health Care, P.A. v. Estate of Thompson*, 418 S.C. 557, 564 (Ct. App. 2016).

"A court imposing sanctions under Rule 11 should, in its order, describe the conduct determined to constitute a violation of the Rule and explain the basis for the sanction imposed." *Ex parte Bon Secours St. Francis Xavier Hosp., Inc.*, 393 S.C. 590, 597 (2011) (Citing *Runyon*, 322 S.C. at 19, 471 S.E.2d at 162).

The Court should also consider the fact that the Defendant has had over two months to reconsider Plaintiffs' valid concerns of fraud. The Defendant has not sought to withdraw its motion or even amend its claim to something that is not preposterous. Even Defendant's counsel, who are well versed in billing by the hour, should have provided some advice to their client that their billing claims are laughable.

VIII. Plaintiffs' Attorney's Fees and Costs.

Plaintiffs' have incurred attorney's fees and costs in defending the Defendant's fraudulent motion. Plaintiffs have attached an Affidavit of Attorney's Fees and Costs. Exhibit 17, Affidavit of Attorney's Fees and Costs.

Where an attorney's services and their value are determined by the trier of fact, an appeal will not prevail if the findings of fact are supported by any competent evidence, *Singleton v. Collins*, 251 S.C. 208, 161 S.E.2d 246 (1968).

In awarding reasonable attorney's fees, there are six factors to be considered. See, *e.g.*, *Wood v. Wood*, 269 S.C. 600, 239 S.E.2d 315 (1977); *Bentrim v. Bentrim*, 282 S.C. 333, 318 S.E.2d 131 (Ct. App. 1984). Consideration should be given to all six criteria in establishing reasonable attorney's fees; none of these six factors is controlling. *Darden v. Witham*, 263 S.C. 183, 209 S.E.2d 42 (1974).

In making its determination, the trial court articulated each of the six factors.

(1) The Nature, Extent and Difficulty of the Legal Services Rendered.

Upon its evaluation of the nature, extent and difficulty of the legal services, the trial court should determined that the Defendant has fraudulently inflated a simple cost report, requiring the analysis of many thousands of pages of documents and the retention of an expert..

(2) The Time and Labor Necessarily Devoted to the Case.

The trial court should conclud that a review of the statements and affidavits of Plaintiffs' attorney indicate clearly that the time and labor spent were reasonable and not duplicative." The respondents did not dispute this conclusion. Plaintiffs have also utilized a paralegal to redact the remainder of the document for filing.

(3) The Professional Standing of Counsel.

ELECTRONICALLY FILED - 2023 Mar 03 3:15 PM - JASPER - COMMON PLEAS - CASE#2022CP2700109

Court's should determine that Plaintiffs' attorney is an experienced, skilled attorney, of high professional standing in the community.

(4) The Contingency of Compensation.

Although this is a contingency case, the Plaintiffs have not reached any settlments with this particular Defendant.

(5) The Fee Customarily Charged in the Locality for Similar Legal Services.

Based upon a review of the attorney's affidavit and its familiarity with attorney fees customarily charged in this legal community, the Court should find that the rate of $400 per hour was appropriate.

(6) The Beneficial Results Obtained.

The Court should decide that the total benefits obtained by Plaintiffs include the prevention of an unreasonable charge and the prevention of a fraud upon the Court. The beneficial result is significant.

IX. Wright Directions has a history of Medicaid Fraud.

The records show that the Defendant fraudulently charged these children for therapeutic services while they under the Defendants' care. This includes charging the children for therapeutic services at the Children's school during school holidays when the school was closed. Exhibit 3 – A.M.L. The audit was conducted for the time period of "October 1, 2015 through July 1, 2015 and July 1, 2016 through July 1, 2017 involving 15 Medicaid beneficiaries and 1,316 individual services or claim lines." Exhibit 2, *2. Medicaid found a 100% error rate and WDFS was required to pay back $210,568.85. The federal government has audited Medicaid for other fraudulent claims for later years, which will be discoverable once the Court removes the stay. Upon information and belief, the federal audit is winding down and will also require WDFS to reimburse Medicaid for illicit reimbursements. Although these audits did not include the Children or affect the Children's liens in any manner, the Children believe that they have shown more than good cause to challenge these fraudulent claims as they should not be required to reimburse Medicaid for WDFS's fraud. EXPERT REPORT OF EVAN T ORTLIEB, Ph.D.

1. I am Evan T. Ortlieb and I serve as the Dean of the Zucker Family School of Education at The Citadel in Charleston, South Carolina. In addition, I am a professor of literacy education and the Zucker Endowed Chair of Entrepreneurial Education. Prior to joining The Citadel in 2020, I held positions at St. John's University in New York, Monash University in Melbourne, Australia, Texas A&M University in Corpus Christi, Texas, and Valdosta State University in Georgia, following my doctoral studies at Louisiana State University. I have expertise in reading comprehension and fluency, amongst other areas, as substantiated from my 87 peer reviewed research publications over the past 18 years of working in higher education.

2. I have been retained by The Foster Care Abuse Law Firm, PA to review the A.M.L. v. Wright Directions case in relation to my knowledge of average reading speeds of college educated adults. Further, I was asked to opine on whether it would take four college educated social workers 224 hours to review 4,576 pages of therapeutic records.

3. My overall opinion in this matter is guided by my historical knowledge of reading rates in relation to reading, literacy, and language development. My previous experiences of working in K-12 schools and higher education provide the practical insights that guide my thinking alongside a working knowledge of the extant literature that is clear—college-educated adults read between 200-400 words per minute (wpm)[1]. Moreover, the typical reading rate has been widely noted to be 300 wpm[2]. This number has been used to calculate the time it would take a typical college-educated individual to read informational articles, contracts, and other records while maintaining high levels of comprehension. Note, these speeds are for silent reading using non-fiction materials. Silent reading is considered to be: 1) the most rapid and efficient reading mode, and 2) the primary reading mode for the most proficient readers[3].

4. Having studied eye movements with other experts at Texas A&M University – Corpus Christi during my tenure there as an Assistant Professor in 2010-2012, I investigated reading proficiencies involving patterns of eye movements including fixating word after word, horizontal saccades that move the eyes left to right, and oblique saccades that transition eyes to the subsequent line of text. These are the three primary drivers that determine reading rate in adults. Our examinations found that non-native speakers and those who had the lowest English language achievement scores possessed challenging profiles with respect to their eye movements. In other words, their eyes were not highly trained to optimally perform during reading tasks. Further, research suggests that college admission and ultimately, college graduation is highly correlated to overall reading fluency[4].

In specific reference to this lawsuit, the four social workers who reviewed the case files are representative of a subgroup with the fastest relative reading speeds among the greater population (individuals possessing a college degree).

5. Relying upon Mr. Butcher's representation of the data in this report, it is my opinion that it would not take 13,440 minutes to read and mark 4,576 pages associated with patient files. The billed rate of 2.93 minutes per page appears to be excessive, especially when considering: 1) standardized templates were utilized to document patient information and signature fields on approximately 1/3 of most pages; 2) the remaining text on approximately 2/3 of the page within the "Purpose of Contact," "Intervention/Activity," "Assessment of Progress Towards Goal," and "Client Progress" sections is notably less than a typical document containing approximately 250 words of printed text[5]. It is estimated that it should take an average college-educated individual between 60-90 seconds to read and mark substantive pages in this file. It should be noted that some pages are either blank or may contain just a signature for instance; these pages are estimated to be upwards of ¼ of the total documents reviewed.

6. In summary, I have reviewed the case files including:

After this comprehensive evaluation and analysis and based upon my professional record as a researcher and active practitioner in the field of literacy education, I opine that it should not take four college educated adults 56 hours each, or 224 hours collectively, to read and mark 4,576 pages associated with these patient records. The 2.937 minutes per page average grossly exceeds the norms of 300 words per minute that experts report to be customary reading rates for college educated individuals. Moreover, the amount of text on approximately ¼ of the pages that includes only nominal information such as a signature section drastically reduces the average reading and marking rate per page. In conclusion, I believe Mr. Butcher is justified in his concerns regarding the billed amount for the services provided, and that a recalculation is appropriate at a amount commensurate with national norms for reading rates of college educated individuals.

Mr. Gregg Wright

Wright Directions Family Services.
77 Hazzard Creek Rd. Suite C
Ridgeland, SC 29936

Re: **Provider ID#: 147BHS / Case #: 10813**

Dear Mr. Wright:

The purpose of this letter is to inform you of the result of a recent post-payment review by the South Carolina Department of Health and Human Services (SCDHHS), Division of Program Integrity, for Medicaid claims submitted for reimbursement by Wright Directions Family Services The SCDHHS Division of Program Integrity ensures the integrity of the Medicaid program and seeks to reduce waste, fraud, and abuse in the use of Medicaid funds.

SCDHHS Division of Program Integrity post-payment reviews have the following objectives:

- To determine if services billed under the State Medicaid Program were provided and/or coded appropriately;
- To determine compliance with the South Carolina State Plan for Title XIX (Medicaid), the SCDHHS provider enrollment agreement and related documents, State Medicaid Program

ELECTRONICALLY FILED - 2023 Mar 03 3:15 PM - JASPER - COMMON PLEAS - CASE#2022CP2700109

policies, and state and federal laws and regulations; and

- To investigate irregularities in provider billings and/or payments within the State Medicaid Program.

Program Integrity policies and procedures, as well as citations to appropriate state and federal regulations, may be found in Section 1 of each provider manual. The scope for this review is based on the above review objectives and SCDHHS Medicaid Program policies contained in following SCDHHS Provider Manual(s):

- SCDHHS Rehabilitative Behavioral Health Services Manual.

The review period covered claims for services provided from October 1, 2015 through January 1, 2016 and July 1, 2016 through July 1, 2017 involving 15 Medicaid beneficiary records and representing 1316 individual services or claim lines. Division of Program Integrity staff appreciate your cooperation when we visited your location (77 Hazzard Creek Village Unit C Ridgeland SC 29936) on August 26, 2017 to obtain records associated with this review.

The review identified an error rate of 100% based on 1316 paid claim lines of service reviewed. Detailed below are the specific findings identified in the post-payment review.

Findings

Finding #1: Insufficient Documentation: Documentation in the medical record was not sufficient to support the service as required by SCDHHS program policies for a total of 1393 disallowed claims totaling $208,531.33 (see Payment Error Key C).

C.2 Documentation did not contain the required signatures for eleven beneficiaries resulting in 1008 disallowed claims. Treatment plans and/or clinical service notes did not contain the required signature of the staff. Policy states that each beneficiary's record must contain signed, titled and dated individual plans of treatment (initial, reviews and reformulations) and clinical service notes. Policy also requires that each provider is responsible for maintaining accurate, complete, and timely records for each beneficiary. Refer to the Rehabilitative Behavioral Health Services Provider Manual, Section 2 (Documentation Requirements, Individual Plans of Care, Clinical Service Notes), 2010 edition, and all updates. Disallowance: $160,511.36

C.4 Documentation required by the provider manual was not completed in a timely manner causing dates of service to not be covered by current documentation for nine beneficiaries resulting in 376 disallowed claims. Clinical service notes, IPOC's Assessments, and Consents were not signed within the timeframe required by policy. Policy states that each clinical service note must be completed and placed in the beneficiary's record immediately following the delivery of the service, but no later than 10 business days from the date of rendering the service. Policy also requires that each provider

ELECTRONICALLY FILED - 2023 Mar 03 3:15 PM - JASPER - COMMON PLEAS - CASE#2022CP2700109

is responsible for maintaining accurate, complete, and timely records for each beneficiary. Refer to the Rehabilitative Behavioral Health Services Provider Manual, Section 2 (Documentation Requirements, Clinical Service Notes, IPOC's, Assessments, and Consents), 2010 edition, and all updates. Disallowance: $48,019.97

C3 The Individual Plan of Care did not contain the required signature date for three beneficiaries resulting in 9 disallowed claims. Policy states that each beneficiary' record must contain signed, titled and dated individual plans of treatment (initial, reviews and reformulations) and clinical service notes. Policy also requires that each provider is responsible for maintaining accurate, complete, and timely records for each beneficiary. Refer to the Rehabilitative Behavioral Health Services Provider Manual, Section 2 (Documentation Requirements, Individual Plans of Care, Clinical Service Notes), 2010 edition, and all updates. The disallowance for this finding is identified in Finding#1.

Finding #2: No Documentation: The medical record and/or key components of the medical record were missing for a total of 254 disallowed claims totaling $2,037.52 (see Payment Error Key B).

B.2 Medical records for nine beneficiaries were missing Clinical Service Notes and/or Individual Plans of Care for specific dates of service. Policy requires that all Rehabilitative Behavioral Health Services providers shall maintain a clinical record for each Medicaid-eligible beneficiary that fully describes the extent of the treatment services provided and that the record must contain documentation sufficient to justify Medicaid participation and should allow an individual not familiar with the beneficiary to evaluate the course of treatment. Policy also requires that each provider is responsible for maintaining accurate, complete, and timely records for each beneficiary. Refer to the Rehabilitative Behavioral Health Services Provider Manual, Section 2 (Documentation Requirements, Individual Plans of Care, and Prior Authorization Clinical Service Notes), 2010 edition, and all updates. Disallowance: $2,037.52

B.4 The authenticity of the documentation could not be verified for one beneficiary resulting in 2 disallowed claims. Individual Plan of Care was not individualized. A few of the documents display cutting and pasting, indicating 2 different dates of birth or Medicaid numbers on the same documents. Refer to the Rehabilitative Behavioral Health Services Provider Manual, Section 2 (Documentation Requirements, Individual Plans of Care, Assessments, and Clinical Notes), 2010 edition, and all updates. The disallowance for this finding is identified in Finding B4.

ELECTRONICALLY FILED - 2023 Mar 03 3:15 PM - JASPER - COMMON PLEAS - CASE#2022CP2700109

Finding #3: Number of unit's error for a total of 3 disallowed claims totaling $0.00 (see Payment Error Key G).

G.1 Billed for a greater number of units than documented in the medical record for 1 beneficiary, resulting in a total of 3 disallowed claims. For example, for a specific date of service 16 units of psychosocial rehabilitative services was billed to Medicaid; however, only 12 units of service was documented on the clinical service note. Service delivery documentation must support the service time billed to Medicaid. Program policy requires for providers to maintain adequate documentation to support and justify the number of units billed to Medicaid. Billing more units of service than delivered to the beneficiary has caused an overpayment by the Medicaid program. Refer to the RBHS Provider Manual updated 02/01/2015, section 2, pages 26-28. The disallowance for this finding is identified in Finding C2, C4.

Finding #4: Other Billing Errors for a total of 1316 disallowed claims totaling $0.00 (see Payment Error Key E).

E.1 Billed for non- covered services while in a classroom setting for 15 beneficiaries, resulting in 1316 disallowed claims. Documentation indicates services being rendered in classroom. Program policy indicates shadowing beneficiary in the classroom as a Non-Billable Medicaid Activity. Refer to the RBHS Provider Manual updated 02/01/2015, section 2, page 2-54 and page 2-106. The disallowance for this finding is identified in Finding C2, C4, B2.

Recommendations: Conduct an internal records review to ensure that the services are medically necessary, and that service delivery, documentation, and billing comply with Medicaid policy and procedure, to include:

- Ensuring that documentation in the medical record confirms medical necessity for all services rendered and billed.
- Ensuring that a Licensed Practitioner of Healing Arts (LPHA) has signed or cosigned necessary documents, that proves medical necessity.
- Maintaining complete clinical records, which fully disclose the extent of services provided to the Medicaid beneficiary, prior to filing claims for Medicaid reimbursement.
- Ensuring that all documentation is complete with all required components, including signatures and signature dates.
- Claiming reimbursement for only the actual number of units rendered.
- Claiming reimbursement for covered services only after the services has been provided.

ROA Page No. 0404

ELECTRONICALLY FILED - 2023 Mar 03 3:15 PM - JASPER - COMMON PLEAS - CASE#2022CP2700109

- Rendered services must have a start and stop time
- Rendered services must be billable activity.

Conclusion: An overpayment of **$210,568.85** has been identified and is subject to recovery.

The South Carolina Code of Regulations provides that "services are subject to limits and procedural requirements described in the South Carolina State Plan for Title XIX (Medicaid), provider manuals, Medicaid bulletins, and federal directives." S.C. Code Ann. Regs. 126-300. These sources establish the standards for participation in the Medicaid program and for reimbursement by SCDHHS. Failure to satisfy these requirements results in an overpayment that is subject to recoupment by the Medicaid program. Both federal regulations and SCDHHS policy require providers to refund the amount of improper and/or excess payment. 42 C.F.R 433.304 et. seq.; 42 C.F.R. 455; Rehabilitative Behavioral Health Services Manual Section 1. See also 42 CFR § 431.107; and 42 CFR Part 456.

Enclosed you will find a Detailed Claims Report, Payment Error Key, and policies upon which SCDHHS' findings are based. If we have not heard from you by May 21st 2018 we will attempt to contact, you prior to proceeding with our final letter. At your request, we will schedule an informal conference to discuss the review and answer questions before SCDHHS' findings are finalized.

If you have any questions or wish to discuss the findings, Michelle Simmons is the contact person for this review and can be reached by phone (803) 803-898-2079 or by email to Michelle.Simmons@scdhhs.gov. Thank you for your support of the Medicaid program.

Dear Mr. Gregg Wright.:

The purpose of this letter is to inform you of the final results of the post-payment review conducted by the South Carolina Department of Health and Human Services (SCDHHS), Division of Program Integrity, for Medicaid claims submitted for reimbursement by Wright Directions Family Services. SCDHHS Program Integrity reviewed 15 beneficiary records for the patients served through the Behavioral Health Program and provided you with an initial letter of findings dated May 7, 2018. The review covered claims for services provided from October 1, 2015 through January 1, 2016, and July 1, 2016 through July 1, 2017. We identified an error rate of 100% and $$210,568.85 subject to recovery.

The review identified an error rate of 100% based on 1316 paid claim lines of service reviewed. Detailed below are the specific findings identified in the post-payment review.

FINDINGS

Finding #1: Insufficient Documentation: Documentation in the medical record was not sufficient to support the service as required by SCDHHS program policies for a total of 1393 disallowed claims totaling $208,531.33 (see Payment Error Key C).

C.2 Documentation did not contain the required signatures for eleven beneficiaries resulting in 1008 disallowed claims. Treatment plans and/or clinical service notes did not contain the required signature of the staff. Policy states that each beneficiary's record must contain signed, titled and

dated individual plans of treatment (initial, reviews and reformulations) and clinical service notes. Policy also requires that each provider is responsible for maintaining accurate, complete, and timely records for each beneficiary. Refer to the Rehabilitative Behavioral Health Services Provider Manual, Section 2 (Documentation Requirements, Individual Plans of Care, Clinical Service Notes), 2010 edition, and all updates. Disallowance: 160,511.36

C.4 Documentation required by the provider manual was not completed in a timely manner causing dates of service to not be covered by current documentation for nine beneficiaries resulting in 376 disallowed claims. Clinical service notes, IPOC's Assessments, and Consents were not signed within timeframe required by policy. Policy states that each clinical service note must be completed and placed in the beneficiary's record immediately following the delivery of the service, but no later than 10 business days from the date of rendering the service. Policy also requires that each provider is responsible for maintaining accurate, complete, and timely records for each beneficiary. Refer to the Rehabilitative Behavioral Health Services Provider Manual, Section 2 (Documentation Requirements, Clinical Service Notes, IPOC's, Assessments, and Consents), 2010 edition, and all updates. Disallowance: 48,019.97

C3 The Individual Plan of Care did not contain the required signature date for three beneficiaries resulting in 9 disallowed claims. Policy states that each beneficiary' record must contain signed, titled and dated individual plans of treatment (initial, reviews and reformulations) and clinical service notes. Policy also requires that each provider is responsible for maintaining accurate, complete, and timely records for each beneficiary. Refer to the Rehabilitative Behavioral Health Services Provider Manual, Section 2 (Documentation Requirements, Individual Plans of Care, Clinical Service Notes), 2010 edition, and all updates. The disallowance for this finding is identified in Findings #1

Finding #2: No Documentation: The medical record and/or key components of the medical record were missing for a total of 254 disallowed claims totaling $2,037.52 (see Payment Error Key B).

B.2 Medical records for nine beneficiaries were missing Clinical Service Notes and/or Individual Plans of Care for specific dates of service. Policy requires that all Rehabilitative Behavioral Health Services providers shall maintain a clinical record for each Medicaid-eligible beneficiary that fully describes the extent of the treatment services provided and that the record must contain documentation sufficient to justify Medicaid participation and should allow an individual not familiar with the beneficiary to evaluate the course of treatment. Policy also requires that each provider is responsible for maintaining accurate, complete, and timely records for each beneficiary. Refer to the Rehabilitative Behavioral Health Services Provider Manual, Section 2 (Documentation Requirements, Individual Plans of Care, and Prior Authorization Clinical Service Notes), 2010 edition, and all updates. Disallowance: $2,037.52

B.4 The authenticity of the documentation could not be verified for one beneficiary resulting in 2 disallowed claims. Individual plan of care was not individualized. A few of the documents display cutting and pasting, 2 different dates of birth or Medicaid numbers on the same documents. Refer to the Rehabilitative Behavioral Health Services Provider Manual, Section 2 (Documentation Requirements, Individual Plans of Care, Assessments, and Clinical Notes), 2010 edition, and all

updates. The disallowance for this finding is identified in Findings #2

Finding #3: Number of unit's error for a total of 3 disallowed claims totaling $0.00 (see Payment Error Key G).

G.1 Billed for a greater number of units than documented in the medical record for 1 beneficiary, resulting in a total of 3 disallowed claims. For example, for a specific date of service 16 units of psychosocial rehabilitative services was billed to Medicaid; however, only 12 units of service was documented on the clinical service note. Service delivery documentation must support the service time billed to Medicaid. Program policy requires for providers to maintain adequate documentation to support and justify the number of units billed to Medicaid. Billing more units of service than delivered to the beneficiary has caused an overpayment by the Medicaid program. Refer to the RBHS Provider Manual updated 02/01/2015, section 2, pages 26-28. The disallowance for this finding is in finding #1.

Finding #4: Other Billing Errors for a total of 1316 disallowed claims totaling $0.00(see Payment Error Key E)

E.1 Billing for non- covered services, medical records shows clinical service notes shadowing in the classroom for 15 beneficiaries. Policy shows shadowing (following and observation) a beneficiary in the classroom is a non-billable Medicaid activity. Refer to the RBHS Provider Manual updated 02/01/2015, section 2, page 2-106. The disallowance for this finding is in findings #1, # 2, and #3.

Conclusion: An overpayment of **$210,568.85** has been identified and is subject to recovery.

The South Carolina Code of Regulations provides that Medicaid services are subject to limits and procedural requirements described in the South Carolina State Plan for Title XIX (Medicaid), provider manuals, Medicaid bulletins, and federal directives. S.C. Code Ann. Regs. 126-300. These sources establish the standards for participation in the Medicaid program and for reimbursement by SCDHHS. Failure to satisfy these requirements gives rise to an overpayment subject to recoupment by the Medicaid program. Both federal regulations and SCDHHS policy require providers to refund the overpayment amount. 42 CFR § 433.304 et. seq.; 42 CFR § 455; SCDHHS Provider Policy Manual Section 1. See also 42 CFR § 431.10; and 42 CFR § 456.

This is our final letter regarding the findings of the post payment review. In accordance with federal regulations, SCDHHS will proceed with the recovery of the identified overpayment.

If you agree with the findings, you have two options to repay the identified amount:

1. You may send a check for the identified amount payable to SCDHHS.
   Be sure to include a copy of this letter, and mail to:

Upon receipt of the invoice, you may contact the Department of Accounting Operations to make payment arrangements or request that this amount be deducted from your future payments. The contact information for the Department of Accounting Operations will be on the invoice.

If you believe that SCDHHS' findings are in error, pursuant to the South Carolina Code of Regulations, you have the right to an evidentiary hearing with the SCDHHS Division of Appeals and Hearings. S.C. Code Ann. Regs. 126-152. The notice of appeal must be filed in writing within thirty (30) calendar days of receipt of this letter and must state with specificity the adjustment(s) or disallowance(s) in question, the nature of the Issue(s) in contest, the jurisdictional basis of the appeal, and the legal authority upon which the you rely.
