Trial Court Case 2020--CP-2605267
Appellate Court Case 2023-001023

25th Avenue LLC., Respondent,

v.

Carol Ann Honeycutt, Appellant

MOTION TO REINSTATE

Appellant prays that this Honorable Court accepts this motion to reinstate this case and that this motion is approved by this Court. The following facts, rules, and documents support this request. (All exhibits are sent by paper copy with the required motion documents through the United States Postal Service. No exhibits have been emailed.)

REQUIREMENTS OF THE COURT

1. The letter from the Court dated November 16, 2023, from Clerk Catherine Harrison, required that three deficiencies, (1) a \$50 filing fee, (2) Proof of Service of a Motion to Reinstate, and (3) a formal Motion to Reinstate be submitted within ten (10) days of the date of the letter. The indicated date is November 26, 2023, a Sunday. Today, November 22, 2023, these requirements have been submitted by email, and a paper copy has been mailed through the United States Postal Service.
2. The Order to dismiss this case, dated November 9, 2023, and signed by Clerk Kitchings, refers to Rules 207, 208, and 209, of the South Carolina Appellate Court. Rule 208 allows reinstatement by fulfilling the requirements of Rule 260, which requires that "a motion to reinstate the appeal has been actually received by the court within fifteen (15) days of the filing of the order of dismissal (the day of filing being excluded)." The indicated 15 days is November 24, 2023. Today, November 22, 2023, this Motion for Reinstatement has been filed by email, and a paper copy has been placed in the United States Postal Service mail.

STATEMENT OF CASE FACTS, LAW, and AUTHORITIES

3. Appellant received the letter of October 17, 2023, from Clerk Harrison on November 3, 2023. (Appellant was out of town for two weeks in October.) On November 3, 2023, Appellant called the SCCA phone number on the letterhead and left a message that the transcript had been received. On November 6, 2023, Appellant called the Clerk's office to state directly to the Clerk that the transcript had been received on September 6, 2023. The clerk indicated that Appellant must send a written notice to the Court.
4. On November 7, 2023, Appellant wrote a letter the Clerk Harrison stating that the transcript had

been received. The letter was mailed on November 8, 2023, prior to the filing of the Order of November 9, 2023. This letter was not posted to the Appellate Court Public Index until November 16, 2023. To remedy this delay in the future, Appellant requested (by the letter of November 20, 2023) and was given permission (by Clerk Harrison's letter of November 21, 2023) to email documents to the Court. (See Exhibit 1.)

5. The Order of November 9, 2023, (see Exhibit 2) signed and filed by Clerk Kitchings was an the Order to dismiss this case. This Order stated that the Appellant failed to provide the status of the transcript as required by SCACR Rule 207. This is an incorrect statement. In fact, Appellant had numerous communications with the Court and court reporters about this transcript. Exhibit 3 contains all of the documents and communications the Appellant made to obtain the Transcript of May 31, 2022, which relates to this case.

6. On November 16, 2023, after receiving Appellant's letter of November 7, 2023, which stated that the transcript had been received on September 6, 2023, Clerk Harrison wrote a letter which stated:

"The Court received your correspondence dated November 7, 2023 which we construe as a motion to reinstate." The letter gave instructions to the Appellant to make a formal motion to reinstate this case. The content of this letter is enumerated in the above paragraph 1. (See Exhibit 1.)

7. The Order of November 9, 2023, (see Exhibit 2) also addressed the fact that the Appellant had not met the requirements of SCACR Rules 208 and 209. Rule 260 states: "A case shall not be reinstated except by leave of the court upon good cause shown, after notice to all parties," and ". . . a motion to reinstate the appeal has been actually received by the court within fifteen (15) days of the filing of the order of dismissal (the day of filing being excluded).

8. Appellant requests that the court reinstates the case for the following reasons.

- (1) The orders being appealed violated my U.S. Constitutional rights and my South Carolina Statutory rights.
- (2) Numerous intentional misrepresentation of material fact were made. This meets the standard of "the most egregious conduct that implicates . . . officer[s] of the court." (Van Doren, page 1, noted in next paragraph.)
- (3) This case deals with the very serious legal concept of Fraud on the Court which not only affected the Appellant but, "the integrity of the judicial process ha[s] been fraudulently subverted," as described in the article by Stephen Van Doren, More Than Fraud: Proving Fraud on the Court, 10 ST. JOHN'S BANKR. RESEARCH LIBR. NO. 24 (2018). This standard was defined by The Supreme Court, in Hazel-Atlas Glass Co. v. Hartford-Empire Co., 322 U.S. at 245-246.
- (4) The Appellant believed that the Appeal could not move forward until a bond hearing was held in the lower court. No bond hearing has been scheduled because one of the attorneys for the Plaintiff/Respondent, Taylor K. Voegel, was given leave by an Order of Protection by the lower court for maternity leave. (See Exhibit 4.)

Re: 25th Avenue LLC v. Carol Ann Honeycutt

Appellate Case No. 2023-001023

Dear Ms. Staley,

Thank you for the email of November 16, 2023, which included the correspondence from SCCA.

As we discussed on November 16, 2023, this email is my formal request for all correspondence and documents from SCCA to be emailed to me on the day each is posted to the Appeals Court Public Index. Additionally, of course, the same should be mailed through the USPS system address on record.

Mail to and from SCCA has had extensive delays. For example, on November 8, 2023, I mailed correspondence to the SCCA via the Post Office Box 11629; the correspondence was not posted to the Appellate Court Public Index until November 16, 2023, nine days later.

For my correspondence to SCCA, I will fax it to the court on the same date that I put the paper copies in the USPS mail. Two addresses are given for SCCA: 1220 Senate Street, Columbia, SC 29201, and Post Office Box 11629, Columbia, SC 29211. Which address will provide the fastest delivery to SCCA? To which address should Priority Mail be sent?

Thank you,

Carol Ann Honeycutt

APPELLANT'S EXHIBIT 3

RECORD OF CORRESPONDENCE TO OBTAIN TRANSCRIPT OF HEARING 5/31/2022

THE TRANSCRIPT OF HEARING OF MAY 31, 2022, WEBEX before Judge Kristi Curtis

WAS ORDERED FOUR TIMES ON THE FOLLOWING DATES:

Pages

- 1-3 August 31, 2022: The First Transcript Order was sent in the form of an email letter. (My computer could not fill in the form.) Please note the email includes all of the parties required to be notified. This was ordered for a prior appeal. This transcript was never produced. The Appeal was dismissed for failure to order the transcript. (The transcript was ordered on August 31, and SCCA sent me a letter on September 7, 2022, stating that the case was being dismissed for failure to order the transcript.)
- 4 January 2, 2023: The Second Transcript Order was ordered for an exhibit in my MOTION TO DEMAND DISQUALIFICATION AND RECUSAL OF JUDGE KRISTI CURTIS FROM CASE NUMBER 2020-CP-26-05267, filed January 5, 2023, in the Horry County Circuit Court. (This was not orderd for a case under SCACR 207.)
- 5-7 June 20, 2023, filing letter to Clerk Kitchings documents this.
- 8 August 28, 2023, email to Tammie Holmes documents this.
- The SCCA sent this request to "eScribers." The person from eScribers showed impairment (1) in the one email she wrote on January 11, 2023, (2) in the inaudible phone message she left c. January 16, 2023, (3) she never answered her phone when I attempted to call her several times over a three week period, (4) about three weeks later when she finally answered her phone, her conversation showed impairment, (5) she never sent me an invoice for a non-rushed price to produce the transcript, and, (6) she never revealed her name in any email, phone message, or conversation. These multiple serious demonstrations of impairment led me to conclude that I could not trust a transcript produced by this person.
- 9 June 20, 2023: The Third Transcript Order of this same transcript was ordered a third time.
- My letter to Clerk Kitchings, June 20, 2023, submitted this third transcript order and explained the problem with the second transcript order which was sent to eScribers. (See pages 5-7, above.)
- August 28 & 29, 2023: Additionally, these events which transpired with this eScribers service are documented in my email to Tammie Holmes, the Court Reporter Manager, SCCA. and in her response to me. (See page 8, above.)
- 10 June 21, 2023, I sent an email to ctappfilings.org indicating that my NOTICE OF APPEAL all the required documents, including the transcript order, was sent by USPS on June 20, 2023. No one responded to that email.
- 10 June 28, 2023, a second email was sent to ctappfilings.org asking if the Notice of Appeal and documents had been received. No email was sent to me.
- 11-12 June 28, 2023, A letter from Clerk Kitchings was written and mailed on which indicated that the notice of appeal was received.

NO ONE EVER EMAILED OR WROTE A LETTER TO ME FROM THE COURT TO INDICATE THAT MY TRANSCRIPT (June 20, 2023) REQUEST WAS ASSIGNED TO A COURT REPORTER.

13-14 August 2, 2023, I found a web site, SCCRA, the South Carolina Court Reporters Association, which listed South Carolina Court Reporters. I contacted three by phone and/or email. Only one contact was answered. Lauren A. Balogh, RPR, responded but could not help me. Our email communication is attached.

15-16 August 2, 2023, I remembered Bobbie Fisher who had produced a transcript from a hearing in June, 2021. She agreed to help me with the transcript.

August 8, Bobbi Fisher emailed a new transcript request form to fill out and submit to the Transcript Office.

17-18 August 11, 2023: The Fourth Transcript Order was sent in by mail to Clerk Kitchings. This was accompanied by a letter explaining that no one had contacted me about The Third Transcript Order of June 20, 2023.

19 This letter was sent to SCCA by certified mail. The number was #9507 1066 5851 3223 5000 93.

NO RESPONSE WAS RECEIVED TO THIS CERTIFIED LETTER.

20-22 August 28, 2023, I sent a follow-up email requesting help with the transcript order. The transcript order form was attached. And, all of documents previously sent were re-sent by email attachments. Those documents are listed on the email letter second page.

23-26 August 28, 2023, Tammie Holmes, the SCCA Court Reporter Manager sent an email response to my requests. We corresponded by email and she found a court reporter to transcribe the May 31, 2022, webex hearing transcript.

27 August 28, 2023, Joy Holston, agreed to do the transcript and emailed an invoice.

28 August 31, 2023, I emailed and mailed by USPS payment to Joy Holston for the transcript.

29 September 6, 2023, Joy Holston emailed the completed pdf transcript to me.

CLERK OF COURT
HORRY COUNTY, SC

Dear Ms. Kitchings,

Enclosed are the documents to file an appeal on the above case from the Horry County Court of Common Pleas. Also enclosed are the transcript request order and the filing fee of \$250.00. Please let me know of any additional actions I need to take to complete this process.

An appeal on a prior order was started in August, 2022. I was out of town from September 2, 2022, to September 11, 2022. Following my trip, I did not feel well. On September 14, 2022, I tested positive for covid and was ill and in quarantine until the end of September. When I recovered, I found the letters dismissing the first appeal in my post office box. No email copies of your letters were sent to me notifying me of the deadlines stated in your letter. The Respondent's attorneys were copied into the letters but did not email copies of the letters to me. (This is meant to fill you in on what happened and is not a complaint or criticism.)

This is my third attempt to obtain the transcript for this WEBEX hearing, held May 31, 2022. So, now my third attempt to order this transcript is ordered by the enclosed, completed form. Please let me know if there is any addition or correction needed.

Here is the background information. In my first order, I was unable to download and complete the Transcript Order form, so I submitted the information on the order form in a letter requesting the form. (See my enclosed letter of August 31, 2022.) This order was apparently overlooked.

My second attempt to order this transcript was on January 3, 2023, when I completed a printed order form by hand and emailed it to transcripts@sccourts.org. The office forwarded it to a service in Arizona called "eScribers." On January 11, 2023, I received an email from "eScribers" which I did not open because I did not know the source. The third week of January, I received a voice mail which I could not understand. Finally, after listening to it several times, I could pick out the word WEBEX.

So I called the number several times and got no answer. In February, after I called several times, someone picked up the phone and it became clear that she had received the order for my transcript request. The original amount of the estimate for the transcript was \$257.00 for a Fast Turn-around production of my transcript. I said, a regular, not rushed, turn around time was fine. I asked her to email the estimate for that service. When she "confirmed" my email she read back to me: "auso2@california..." I corrected her. She never sent the email with the non-rush price. She seemed severely impaired in both her conversation and the email communication. After seeing the multiple errors in her email of January 11, 2023, and in our conversation, I decided that this was not a reliable service to produce my transcript. Thought your office might want to have feed back on this service.

Please let me know of any additional actions I must take. Thank you for your assistance.

Sincerely,

Carol Ann Honeycutt

Good Afternoon, Ms. Holmes,

Thank you for contacting me. I hope this letter answers the questions in your email.

I contacted Bobbi Fisher because she had done an excellent job producing a transcript for me of a hearing in June, 2021, before Judge Stephen John. She said that she would be happy to do a transcript for me on the WEBEX (NO COURT REPORTER) hearing of May 31, 2022. I had not heard from the transcript office about someone to transcribe the WEBEX hearing, so I asked Ms. Fisher to help me.

I had a terrible experience with the "eScribers" person who contacted me regarding my request for the same transcript, made January 3, 2023. The person who contacted me, sent an email that I did not recognize and did not open as an unknown email. Several days later, she left a phone message that I could not understand. Finally, after playing the message numerous times, I was able to pick out the word "WEBEX." I called her back many many times and left messages over a period of three plus weeks. One time I called, she actually picked up the phone. After talking with her, I was able to find the email she sent on January 11, 2023. The conversation and the email appeared that the person I was talking with seemed IMPAIRED. She had sent me a price for a QUICK TURN AROUND transcript. I asked her to send a price for a regular turn around. SHE NEVER SENT IT. SHE FAILED TO COMMUNICATE WITH ME. SHE FAILED TO PROVIDE MY REQUEST. After considering the email she sent with numerous errors and the conversation with her, I decided that this was not a service I wanted to use to produce this transcript.

If you have access to the office which receives the transcripts@sccourts.org, please review my emails and attachments of August 25, and 28, 2023. The attachments are documents which support the above description of events. (Sorry, the attachments had to be sent separately because the email program I am using limits the size of attachments.)

On June 20, 2023, I documented this entire situation in a letter with attachments to Ms. Jenny Kitchings. That letter was included in the email attachments 6a and 6b sent this morning. I never received a response to that letter nor to my renewed request for the Transcript of 5/31/2022.

With this email, I am attaching the "eScribers" email from "eScribers" that showed incompetence, and led to my decision not to trust that service.

I would be most grateful to you if it is possible for you to arrange for Ms. Fisher to transcribe this WEBEX hearing for me.

Again, thank you for contacting me. Please feel free to call. Leave a message and I will call you back.

Sincerely,

Carol Ann Honeycutt
Appellant

Hi Carol,

Thanks for contacting me. I would like to help you out, however, I have a very heavy workload right now and do not think I can commit to doing an audio transcription at this time. However, I know many other reporters and can definitely ask some of them tomorrow if they would be able to help you out. Would it be okay if I did that for you? For this purpose, as long as you have a South Carolina court reporter do it, you will be fine. They do not have to be located in Myrtle Beach or Horry County. After the transcription is complete, they can mail you the certified transcript. Let me know.

Subject: 25th Avenue LLC v. Carol Ann Honeycutt 05.31.2022 transcript request.

Good morning Ms. Honeycutt.

I have been copied on a few e-mails recently from Bobbi Fisher and the Court of Appeals regarding the production of a transcript you requested.

I just wanted to let you know that your requested transcript was sent to e-Scribers on January 10, 2023 as we received a request from you on January 4, 2023 for the hearing that was heard on May 31, 2022. I also see where the transcript request that was sent to e-Scribers was cancelled due to lack of communication and payment.

I am not sure why you continue to contact Ms. Fisher since she was not the court reporter who captured the hearing nor was she sent the transcript to produce. Your communications regarding this transcript should be between transcripts@sccourts.org or e-Scribers.

Thank you.

Good Afternoon, Ms. Holmes,

Thank you for contacting me. I hope this letter answers the questions in your email.

I contacted Bobbi Fisher because she had done an excellent job producing a transcript for me of a hearing in June, 2021, before Judge Stephen John. She said that she would be happy to do a transcript for me on the WEBEX (NO COURT REPORTER) hearing of May 31, 2022. I had not heard from the transcript office about someone to transcribe the WEBEX hearing, so I asked Ms. Fisher to help me.

I had a terrible experience with the "eScribers" person who contacted me regarding my request for the same transcript, made January 3, 2023. The person who contacted me, sent an email that I did not recognize and did not open as an unknown email. Several days later, she left a phone message that I could not understand. Finally, after playing the message numerous times, I was able to pick out the word "WEBEX." I called her back many many times and left messages over a period of three plus weeks. One time I called, she actually picked up the phone. After talking with her, I was able to find the email she sent on January 11, 2023. The conversation and the email appeared that the person I was talking with seemed IMPAIRED. She had sent me a price for a QUICK TURN AROUND transcript. I asked her to send a price for a regular turn around. SHE NEVER SENT IT. SHE FAILED TO COMMUNICATE WITH ME. SHE FAILED TO PROVIDE MY REQUEST. After considering the email she sent with numerous errors and the conversation with her, I decided that this was not a service I wanted to use to produce this transcript.

If you have access to the office which receives the transcripts@sccourts.org, please review my emails and attachments of August 25, and 28, 2023. The attachments are documents which support the above description of events. (Sorry, the attachments had to be sent separately because the email program I am using limits the size of attachments.)

On June 20, 2023, I documented this entire situation in a letter with attachments to Ms. Jenny Kitchings. That letter was included in the email attachments 6a and 6b sent this morning. I never received a response to that letter nor to my renewed request for the Transcript of 5/31/2022.

With this email, I am attaching the "eScribers" email from "eScribers" that showed incompetence, and led to my decision not to trust that service.

I would be most grateful to you if it is possible for you to arrange for Ms. Fisher to transcribe this WEBEX hearing for me.

Again, thank you for contacting me. Please feel free to call. Leave a message and I will call you back.

Sincerely,

Carol Ann Honeycutt

Good afternoon Ms. Honeycutt.

Thank you for your explanation regarding the requested transcript. There seems to have been some miscommunication that has resulted in the delay in getting the record produced. In order to expedite the production of the requested transcript, I will be sending your request out this afternoon. Please look out for an email from, Joy Holston, one of our South Carolina Judicial Branch court reporters, who has assured me that they will have the transcript produced within seven (7) days of receiving payment.

In the future, if you experience an issue with a transcript, please make sure you state the issue you are having in your correspondence with the [transcripts@sccourts.org](mailto:transcripts@sccourts.org) mailbox. Many people monitor that box and someone would be able to assist you.
