APPEAL FROM DORCHESTER COUNTY
Court of Common Pleas

Maite Murphy, Circuit Judge

Appellate Case No. 2023-000707

Deloris Campbell,Appellant,

v.

Cole B. Collins,Respondent.

MOTION TO EXTEND DEADLINE TO SERVE AND FILE INITIAL BRIEF
AND DESIGNATION OF MATTER
TO BE INCLUDED IN RECORD ON APPEAL

Appellant hereby moves pursuant to Rule 263(b), SCACR, for an extension through December 21, 2023, of the time in which to serve and file the Appellant's initial brief and designation of matter to be included in the record on appeal. The grounds for this motion are that there is good cause to grant the requested extension, as the following shows:

1. The deadline for the Appellant's initial brief and designation is currently tomorrow.
2. The undersigned counsel is primary counsel on this appeal and will be submitting the brief. Appellant previously sought and obtained extensions in this case as a result of disruption of his schedule relating to his father's illness and death.

3. The undersigned has deadlines for briefs to this this court in two cases, including this one, tomorrow. The brief in the other case will be finished tomorrow, but the brief in this case cannot be adequately completed in the existing time frame.
4. Accordingly, an extension is needed.
5. There is good cause for the requested extension.
6. Absent some emergency, no further extension will be sought.
7. The undersigned has served this document on opposing counsel by email to registered AIS email address on the date given below.

WHEREFORE Appellant prays for an order extending the time in which to serve and file the Appellant's initial brief and designation of matter to be included in the record on appeal to December 21, 2023.

Respectfully submitted,

/s/ Andrew S. Radeker
