

11/25/2023 case # 2022-000966

The state has used 3 extensions after my appeal Lawyer Robert Dudek Filed my Initial brief.

There's a limit on these type of things dealing with the appellate court. The deadline was

November 16, 2023 on top of all this the state isn't allowed no oral argument after using 3 extensions due to this rule.

I need this court to do what's needed in my favor after letting the state use so many extensions.

My Public Defender Robert Madsen asked the Judge during trial to suppress the weapon Edgefield Police placed in my case and

my appeal Lawyer Robert Dudek didn't include this inside my Initial brief along with my sixth Amendment right was violated and defective affidavits and etc.

This needs to be taken care of asap Thank You.
