S.C. SUPREME COURT

Emergency
motion to stay

I Christopher L Gadsden would like to petition the South Carolina Supreme Court for a motion to stay until my case is heard haven't found place to put my wife yet who is disabled from stroke.

I was told until I exhausted my appeals I would still have time to find place for my wife

Lease is from where daughter lived not with me

in sending proof that i couldn't
get lower court to listen to
that i wasn't properly served
my daughter was given papers
while i ran to the state they didn't
explain to her what it was and
she never gave it to me under
South Carolina's state laws serving
individual papers should have
been served to some one who
lives in my home. Right now
i'm pleading with the courts
to take this matter seriously
OR please grant me more
time to find some where to
put my wife was hoping
to keep my home lived here
22 years my wife doesn't
know what's going on and i don't
want to lose my home want to
be heard by higher court

Please Give me a chance
in court couldn't find attorney
to help i even requested lower
court to help me with ~~lower~~ lawyer
situation.

Case was rejected by lower
court denying my rights i was
improperly served in adding the
papers and facts that my daughter
wasnt suppose to been given those
papers because she doesnt
reside in the home that sic
CORDING LAW i didnt make
it up and i've tried telling them
that from day

I've Got to about 2 PM MY
24 hours will be up please
look at evidence and Grant
me to stay til i've had my day
in court

Thank you

Christopher L. Bobb

please look at Rule to
Sue an individual I was not
properly served please Grant me
motion to stay at least til
im heard in higher court cant
possibly find some where to put
my wife in this short amount of
time. please Grant me to stay
only have a few hours you have
the proof right in front of you
I was not properly served

Respectfully
