on COV charge

STATE VS THOMAS M CARPENTER
2023-65-32-03377

I was charged and sentenced on a COV charge that was not true.

① In court on 10-31-2023. The solicitor said my charge was for COV on a victim named Bonnie Pilot there is not a Bonnie Pilot. I told the Judge there is no Bonnie Pilot my wifes name is Bonnie Wessinger Carpenter.

② The police report has somethings on it that is not true

it says ASSAULT/DVH41
weapon / knife / cutting instrument

I did not have a knife there was not a knife involved, I did not assault my wife in any way.

The police report said Lindon Pilot said I threw a knife at his daughter Bonnie Pilot, there is no Bonnie Pilot and my wife is not his daughter. She is not into him, and I did not throw a knife at my wife Bonnie I did not throw a knife at anyone I did not have a knife.

The police report said Bonnie said I told her I will kill you and that she went running to her truck. I did not tell my wife I will kill you I did not tell anyone I would kill them. My ^{wife} did not run at all she walked to her truck with her phone in her hand I guess she was calling the cops.

I did not threaten my wife in anyway I did not touch my wife in anyway, I did not throw a knife at her I did not have a knife.

Serena pilot hit me with a fence post I took the fence post from her and I just threw it to stop her from hitting me I didn't throw it at anyone I just threw it

I have been separated from my wife Bonnie Wessinger Carpenter since 12-31-2022 she is not a household member of mine the police report says she is a member of the household

The only one I was mad with was Brandon Vincill he was being sneaky towards my wife, I didn't mean any harm to anyone.

I didn't have a chance at court to ^{explain things} mt lawyer at court it all happened fast and she gave me a look like take the sentencing so I got scared and took it I did not commit a CDV on my wife there are alot of things wrong on the police report

on the indictment for domestic violence 1st degree it is wrong it says Bonnie Carpenter (AKA Bonnie pilot) she is not a pilot and it says I caused physical harm are injury to her I did not and it says she is a household member she is a

my lawyer said it was agreed that I was going to get one years probation that it was agreed to. the CDV was going to CDV 2 with 1 year probation that was all so I thought that was what I was getting. I am asking for an appeal.
