

Dear Clerk of Court,

On 8/11/23, The S.C. Supreme Court gave me a case number and sent your court my Complaint.

I also included a second copy and asked that it be returned to me timestamped/checked. I haven't received it.

I have received a response from this court that I needed to serve a copy to the defendants and enclose of certificate of service and to pay the filing fee.

I wrote back over a month ago letting this court know that my case was never filed with the Clarendon County Court of Common Pleas because they wouldn't approve my informal pauper's form application, and I can't afford to pay it. The S.C. Supreme Court has stated that, when fundamental state or federal rights are implicated the plaintiff is entitled to a waiver of fees. The defendants have never been served.

My claim contains both state and federal constitutional violations which need redress, and I am asking this court to send an order to the inferior court to file my case in that court and to let me proceed informally pauper's. I would like the issues herein made known to the judge on my case. I am unable to pay this filing fee \$ either, but technically this is not an appeal, since my case wasn't filed anywhere but with the S.C. Supreme Court who assigned me at case # and sent the case to your S.C.A. I need my case filed and the defendants need to be served.

I am facing impending statute of limitations, and justice will be denied me if I'm not allowed to file and prosecute my case.

Please respond with any progress thus far made on my case. I haven't heard anything from my previous reply to your court, nor was I sent a checked copy of my Complaint. Thank you,
