Record on Appeal and final Brief. I had been
filed my final Brief and designation of matters to
be included in the record on appeal, but did not
provide proof of service to the appropriate Respondent.
I was sending a copy of everything with proof of service
to the S.C. Attorney General's office instead of Christina
Catoe Bigelow of SCDC General Counsel. The SC
Att. General office never informed me that I was sending my
proof of service and copies of my Notice of Appeal, initial
Brief, and final Brief and designation of matters to
be included in the record on appeal to the wrong agency.
would they return my filing under appellate case 2023-
000603 to me. The office of SC Court of Appeals would
send me letter claiming deficiencies in my filings,
such as proof of service to Respondent Christine
Catoe Bigelow of SCDC. I corrected all those deficiencies
then I was informed by the office of the clerk of Court
of S.C. Court of Appeals that it wasn't the time for filing
the record on appeal, proof of service and final Brief.
That I had to give the Respondent an opportunity
to file an initial brief and designation of matters
first. Returning my filings to me.
on Nov 17, 2023 I received a letter headed
Dear Ms Kitching p 2 of 3

Enclosed please find the initial Brief of Respondent
and Designation of Matter along with proof of
Service in reference to appellate case 2023-000603.
I need more time to file my final Brief and
designation of matters. Therefore I'm requesting
an extension of time to file the record on
appeal and final Briefs.
