Re: The State v. Michael C. Zieminski
Appellate Case No. 2023-001265

Dear Counsel:

The Court received your request for a protection order. We do not typically grant broad protection of the type requested. If you would like to request an extension of time to meet some deadline pursuant to the South Carolina Appellate Court Rules (SCACR), you must do so by filing a motion pursuant to Rule 240, SCACR. At this time, our records reflect you are awaiting receipt of the transcript from the court reporter. Your appellant's initial brief and designation of matter will not be due until 30 days after receipt of the transcript. If you need more time, you may file a motion for an extension of time. Accordingly, we are returning your filings to you and will take no further action herein.

Very truly yours,
