APPEAL FROM CHARLESTON COUNTY
Court of Common Pleas

Michael R. Scarborough, Master-In-Equity

Appellate Case No. 2023-001158

Dolphin Point Owners' Association, Inc.,Respondent,

v.

Seabrook Island Property Owners Association,Appellant.

**RESPONDENT'S MOTION FOR SECOND EXTENSION OF TIME TO FILE
INITIAL RESPONDENT'S BRIEF AND DESIGNATION OF MATTER**

Respondent, Dolphin Point Owners' Association, Inc., respectfully moves for and requests a second 30-day extension of the deadline for filing and serving the Respondent's Initial Brief and Designation of Matter. The current deadline is December 18, 2023. The requested deadline is January 17, 2024.

This extension is requested on the grounds that the parties have reached a settlement in principle that would resolve the appeal, that the parties are working on the draft of the settlement documents, and that the parties anticipate submitting a consent order dismissing or withdrawing the appeal in the next 30 days. Granting the extension is in the interests of judicial economy.

Opposing counsel has consented to the extension. This is the second request for an extension of the deadline for Respondent's initial brief. The filing fee for this request will be submitted to the Court as required.

This Motion is made in good faith and not for the purpose of delay.

Respectfully submitted,

WALKER GRESSETTE & LINTON, LLC
