Good afternoon,

In regards to the above referenced matter, Respondents sent their Initial Brief, Designation of Matter, and certificate of service to Appellant on November 22, 2023. However, the certificate of service had an incorrect address for Appellant. As a result, the mailing from November 22, 2023 was sent back to our office.

To correct the issue, I spoke with someone in the office of the Court of Appeals. They told me to send an amended certificate of service to the Court. To further resolve the issue, I am attaching the letter addressed to Appellant, Respondents' Recorded Initial Brief, Designation of Matter, and certificate of service.

If there are any other documents I can provide to this Court, please let me know.

Sincerely,

Emily N. Hansbarger, Esq.
