

The South Carolina Court of Appeals

Family Services, Inc., as Conservator for Muriel W.
Clarkin, Respondent,

v.

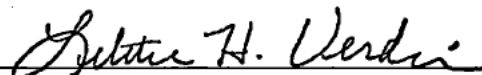

Patricia Clarkin Smith and Wells Fargo Bank, NA.,
Defendants,

Of whom Patricia Clarkin Smith is the Appellant.

Appellate Case No. 2021-000793

ORDER

Appellant filed a motion to file "an amended notice of intent to appeal, letters requesting transcripts, letter to the lower court, initial brief, and designated matter out of time" on January 2, 2024. Respondent filed a return, opposing the motion. After careful consideration, we grant the motion in part. We deny Appellant's motion to the extent she requests to file an amended notice of intent to appeal and letters requesting transcripts. However, we grant Appellant's motion to file her amended initial brief, amended designation of matter, and proof of filing her notice of appeal with the clerk of the lower court out of time. Appellant shall file and serve her amended initial brief, amended designation of matter, and proof of filing her notice of appeal with the clerk of the lower court by January 2, 2024. Failure to comply may result in dismissal of this appeal.
