Respondent,

V.

Kenneth Henry Eastwood,

Appellant.

MOTION FOR EXTENSION OF TIME FOR APPELLANT TO
ORDER TRIAL TRANSCRIPT

Pursuant to Rule 240, SCACR, appellant Paulette Lawrence moves for an extension of time to order the trial transcript in this matter. Appellant requests an extension to order the trial transcript which is currently due December 22, 2023. This is the first request for an extension filed by Appellant.

The grounds for this motion are that Appellant is financially unable to retain counsel to handle his appeal and is currently in the process of filing an affidavit of indigency so that appellate counsel may be appointed. Once indigency has been determined and appellate counsel appointed, the Office of Indigent Defense will be able to order the transcript and proceed with the appeal in this matter.

For these reasons, Appellant respectfully requests an extension of the deadline for ordering the trial transcript.
