To the South Carolina Court of Appeals,

I have received the court's second notice of deficiency.

With humility and apologies, I am seeking an extension of 30 days' time to cure the deficiency.

I am involved with a complex surrogate court proceeding in Bergen County New Jersey which can be verified by attorney John C. Weldin Jr. 201-403-3700.

In early November the matter was settled by mediation, however the Attorney General of New Jersey chose to intervene. I have had to divert my full-time attention to these proceedings which have been ongoing for over 3 years. I am the court appointed Trustee and Conservator for the Plaintiff of this matter.

I anticipate the Stipulation of Settlement will be signed in the next week.

It is for this reason that I am seeking additional time to cure the current deficiencies in my brief to the court.

Respectfully requested,

Katrina Morrison
