Re: Sherry Killian Duncan v. Gurdip S. Gill a/k/a Gary Gurdip a/k/a Gary Gurdip Gill
Appellant Case Number: 2023-001398
Our File Number: 493-1

Dear Ms. Harrison,

I am in receipt of your letter this day concerning the motion for extension that was filed on December 15, 2023. In your letter, you indicate that the appellant must notify the Court upon receipt of the transcript. I apologize that I was unaware of this requirement. I reviewed the South Carolina Rules of Appellate Procedure, specifically Rule 207, and I just didn't see this requirement in the Rules. In this case, the court reporter received an extension and pursuant to Rule 207, I am assuming that Court administration notified the Court of Appeals of the extension.

But my confusion aside, after paying for the transcript, we did receive a copy on November 17, 2023. This receipt made the initial brief and designation of record due on December 18, 2023. Out of an abundance of caution, we applied for a thirty (30) day extension on December 15, 2023 in hopes of making the initial brief and designation due on January 17, 2023. Now that you have returned the request for an extension, I'm not sure what to do. I am submitting this extension request with this letter so that hopefully no one thinks it wasn't timely filed.

Please feel free to contact me with any questions or concerns. Thank you for your assistance in this matter.

Sincerely,

Richard R. Gleissner
