Jim:

I have reviewed the Record on Appeal. In the Sherrier's designation of matter, you designated the July 13, 2022 Summons and Notice of Appeal. In the one I filed, I designated the Summons and Amended Notice of Appeal filed on July 29, 2022.. My designation of matter also included the Return filed on August 25, 2022, and the Reply filed on September 6, 2022. The record that was filed does not include these three items. I attach an additional copy of my designation of matter for your review. Please let me know if you will correct the filing of the record on appeal.

Thank you. I am,

Sincerely
