SC Court of Appeals

12-27-2023

I Brondi Hudson Case # 2023-001771
is asking the court for more time on the
stay of Eviction for a set out date on
12-27-2023. Due to weather conditions the
set out date is today's date we already
started the moving process. Wasnt able to
finish the process in the date that was
ordered for set out on the terms of bad
weather conditioning.
