RE: The State v. Antonio D. Brayboy
Appellate Case No. 2023-001182

Dear Madame Clerk:

Appellant respectfully requests an extension of time until February 2, 2024 to file and serve Appellant's Initial Brief and Designation of Matters. This request is made in light of counsels other deadlines and professional obligations, court appearances as well as the intervening holidays. On October 27, 2023, our office received the transcript in the above-referenced matter. For good cause shown, Appellant respectfully requests an extension of time to file Appellant's Initial Brief and Designation of Matters until February 2, 2024.

This request for an extension is not intended for the purpose of delay but is necessitated by the holidays, our heavy workload as well as the length of the transcript.

With kind regards, I am

Truly Yours,
