Dear Clerk of Court,

I am writing to request the waiver of court fees associated with my eviction appeal case, which is currently before the South Carolina Court of Appeals. The case is identified by the following details:

Alexis Mashay English v. Haywood Reserve

****Case Number:**** 2023-001923

I am currently experiencing financial hardship, and the payment of court fees would pose a significant burden on my ability to pursue a fair and just resolution in this matter. In accordance with Rule 3, Section 18 of the South Carolina Appellate Court Rules, I am requesting the court's consideration of my financial circumstances to grant a waiver of the required fees.

****Financial Information:****

I am currently experiencing a financial hardship right now I have had to reduce my working hours because Medicaid will no longer cover therapy for my severely autistic son leaving me to have to switch to part time employment and due to these circumstances I have fell behind on the rent I went to my bond hearing and the judge set my bond 300 dollars higher than my actual rent which is why I am seeking justice in a higher court

I have attached supporting documentation that verifies my financial hardship, including [list of supporting documents]. I am willing to provide any additional information or documentation deemed necessary to evaluate my request promptly.

I understand the importance of the court fees but respectfully request the waiver in the interest of accessing justice. Your understanding and consideration of my situation are greatly appreciated.

Thank you for your time and attention to this matter. I look forward to your response.

Sincerely,

Alexis Mashay English
