I need my Receipt when you replied a few days ago you never said you're gonna be out of the office you guaranteed me my transcripts this month and I need them for the Appeals court If I can't get them by that date then why am I paying you all this money then I should get some of my money back if you're not gonna give me my transcripts I need them but it doesn't take this long why don't you give me my transcripts And my receipt that I paid you This is not right they need to be in my hands no later than the 29th of this month that was what you told me from the date I paid it which was the 29th not the 30th not the 31st I need those transcripts into the appeals court this week If you can't get them to me then I need to speak to whoever your boss is so I can get them Like you told me that I would have to pay double or triple if I got them

sooner that's not right either why can I not get them I paid you over \$300 for my transcripts and I need them I need to know if you've even started my transcripts or not
