Appellant,

v.

Charles Herman White, Jr., MD and Prisma  
Medical Group-Midlands,

Respondents.

**APPELLANT'S SECOND MOTION FOR EXTENSION**

---

Pursuant to Rule 240, SCACR, Appellant requests an additional 30-day extension of the deadline for filing and serving his Initial Brief and Designation of Matter to be included in the Record on Appeal in this case. The current deadline is January 3, 2024. The requested extended deadline would be February 2, 2024.

The reason for this request is that counsel for the Appellant has received settlement authority from her Client and per her Client's request, has made an offer to settle the matter to counsel for Respondents. Settlement negotiations are still underway, and the parties request additional time to negotiate in good faith prior to the continuation of the appeal at hand.

Counsel for Respondents has agreed to the requested extension.
