clerk,

The case run concurrent (entrapment) with the
6 yrs non-violent false imprisonment case accepted
by the court was not heard. Violating rules for
court of appeal, stupid!

The state is at fault. The attorney is paid to
do their duty and to Not violate codes, rules, or
amendments.

I never went to My briefs of petition for above
mentioned false imprisonment/entrapment. For me copies
for why and why SCDC have no record for schedule
dates.

Who filed a PCR and why there is
no record. Send info. t.s.f.p! I was represented
and no motion or hearing for relieve been
heard or schedule.
