South Carolina Appellate Case No. 2013-000273
Civil Action No.: 3:11-2149-MBS

Dear Judge Seymour:

The attorneys in the above matter have filed the attached consent motion to add various exhibits to the record before this Court. Since you are the judge who certified this matter to this Court under Rule 244 of the South Carolina Appellate Court Rules, the Court believes that it is more appropriate for you to determine if these additional exhibits should be considered by this Court in answering the certified questions.

Therefore, this Court asks that you please advise if these exhibits should be considered by this Court in answering the certified questions. I thank you in

advance for your assistance.

Very truly yours,
