SC Court of Appeals

When This letter  
My concern!!

I am Tyrell Harrison  
& Im trying to see, what  
going on with My Appeal,  
I Recieved a letter from  
A Mrs. Jenny A. Kitchings  
in March 2023, telling me  
that My counsel had filed  
an brief to believe that  
My case is without Merit  
& be Relieved From My case.  
So I have also had 45  
days from the date to file  
a pro se brief & as you  
may know, those 45 days  
has been expired → → →

I didn't know anything about a pro se brief at that time, my Attorney was basically telling me that she was getting off of my case, I didn't go to school for law so how am I supposed to fight my case alone? I've been dealing with Depression from constantly being locked in a room, to trying to cope with doing a long prison sentence, so I believe that's what causes me to lack behind, but I'm writing to ask what's going on since I failed to file an pro se brief. Why + what will happen since I didn't file in a timely fashion

-Sincerely Tyrell Harrison

I just need to please  
know is my Appeal  
being denied, I'm asking  
because I Don't know what's  
going on + Why haven't the  
courts told me anything,  
May you please let me  
know something

Sincerely

- Tyrrell  
O Harrison

My Appellate case No. is  
2022-000866 May you  
please look into this, thanks
