No worries, just glad we got our records straight. With all of that settled, as counsel for the Appellant is unsure of the exact date of transcript delivery because it happened over the holidays, are you opposed to allowing us to set the delivery date as Jan 2, 2024 – when he arrived back after the holidays and found the transcript had been delivered?

Good morning,

It was brought to our attention today that "John Linton" is representing in this matter – after speaking to your father he confirms it is not him so is probably you. I have changed our records to show that you are counsel of record for the respondent, Town of Sullivan's Island. If this is not correct, please let me know.

Sincerely,
