Ms. Coit –

I have a question regarding appellate case numbers 2023-001922 & 2023-000709

Do you have time to discuss this? The Court dismissed 2023-000709 on June 7, 2023. Mr. Adams filed another notice of appeal on the same lower court case number, and it was assigned 2023-001922. Both appeals are on the same lower court case number and the same final order of dismissal. In the 000709 NOA – Mr. Adams acknowledged the final order of dismissal and its filing date. In his 001922 NOA, he says he did not have the final order of dismissal until November 15, 2023, which makes it appear that his NOA was timely. My assistant and I are confused and just want to clear this up. If I need to speak with someone else, would you kindly direct me to who I need to address this with?

I appreciate your time and help with this matter.

Respectfully,

Russ Barlow
