Subject: **Tristen** E-mail sent to my mother THE SAME DAY my son was later brutalized and illegally body cavity searched surrounding initial 2021 false allegations in case 2020A1810300603.

To: Mom <[REDACTED]>

Despite his beating the terrorist in 2021-CV-1010600628, I believe, proving all this activity arose because of illegal ouster attempts by ruthless, greedy scumbags, they flat refuse to leave us alone. Current situation = related.

was admitted to the hospital earlier this evening with his top blood pressure number being 180. *My son was 23 years old when this happened.

He nearly had a panic attack from being terrorized.
Another resident called an ambulance.

After screenshotting this and labeling it as sent, I realized it had been a draft e-mail. I probably got distracted from sending it because of all that was happening. However, I know the date and the events I described are correct.
