To Whom it Concerns:

I'm getting my other device out to locate the rest of the files I said I would send (I noticed several missing).

I'm overwhelmed. I'm so sorry.

I submitted a pleading a few days ago asking that these kinds of reports please be kept private.

I didn't mark the memo as a separate Exhibit because it wasn't an image and I couldn't label it quickly enough.

Thank you.

Respectfully,
Mary Griffith
