SC COURT OF APPEALS

Chief Deputy Clerk Catherine S. Harrison,

Thank you and your office for your patience regarding this Appellate Case. Enclosed is the \$50.00 filing fee and the Form 7 which I'd previously submitted. Also, I have sent another copy of the Transcript Request Form if needed for further clarity. The dated signature need no concern for it to be a second request.

The Appeal Specialist assigned to the case at the South Carolina Court of Appeals has been very helpful to me. I have spoken with her a few times by telephone. Folks who are polite and clearly helpful are rare these days via telephone. Hope you are looking to a good year ahead.

Thank you,

James Don Roberts
