SC Court of Appeals

I sent a brief in Late because my attorney advised me that I could go over the 45 day deadline to file a Pro se appellant Brief. This brief was arguing the use of "we know" statements in violation to (Kansas <sup>state</sup> vs Thomas Earl Brown Jr), This was the last brief sent after the sept 12. 2023 brief. I want to know is this brief being accepted and reviewed by the appellant courts,

Thank you
