Case # 2023-001275

Dear Clerk of Court,

Included herein you will find proof of service for case No. 2023-001275, dated 1/5/24, and another Notice of Appeal.

Since defendants haven't been served, and this is part of what I am appealing, in addition to my being denied in forma pauperis status - and due to the fact that the case only received a case number by the South Carolina Supreme Court when I sent them a notice of appeal (also served on the inferior court that same day).

I had no apparent option to send notice of appeal to the defendants prior to the thirty (30) days after receipt of written notice of entry of the order denying plaintiff's Motion to Amend. As of today, I have provided this Notice of Appeal on opposing parties, as this Court ordered.

Again, this notice of Appeal was previously filed within thirty (30) days as required under Rule 203, SCA-R; and only with the inferior court the S.C. Supreme Court and this S.C. Court of Appeals (not opposing counsel) because there isn't any opposing counsel, there wasn't even a case number at the time; and plaintiff needs to be granted permission from this court to proceed in forma pauperis and thus serve summons to the defendants.

The inferior court was wrong in its denial of (Plaintiff's) Appellants' request to proceed in forma pauperis and subsequent denial of Appellants' motion to Amend judgement.

As previously stated my case certainly pertains to certain fundamental rights being violated, and which the Constitution of the United States and South Carolina requires that an indigent be allowed access to the courts and requires waiver of filing fee pursuant to SCRPC Rule 3(b) and as evident in Ex Parte Martin, 321 S.C. 533, 535 (1995) id at 535.

Please incorporate this letter into the record and reference my previous letters to you and this court for further details concerning why no notice of Appeal was previously sent to the Respondent(s). I did send it now as this court directed me to (within 10 days).

Thank you for your help. Could you please send me confirmation of this and stamped copies of my submissions I've previously sent you duplicate of?

Kindly,
